THE ADINT CHARITABLE TRUST

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 5 APRIL 2025

The trustees present their report and the audited financial statements for the year ended 5 April 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's trust deed, the Charities Act 2022 and the requirements of the Statement of Recommended Practice, 'Accounting and Reporting by Charities' in accordance with the Financial Reporting Standard applicable in the UK (FRS102) effective 1 January 2015.

Charity law as set out in the Charities Act 2022 requires all organisations to demonstrate that their aims are for public benefit. The charitable grants made by Adint Charitable Trust are restricted to Charities registered with the Charity Commission for England and Wales or the Office of the Scottish Registrar of Charities. A full list of the grants is given in the Annual Accounts. The Trustees have discussed the issue of public benefit and are confident that the breadth and scope of the work of the Charity as disclosed in this Report, clearly falls within the guidelines set in Section 4 of the act.

Structure, governance and management

The Adint Charitable Trust is constituted under a Trust Deed dated 17 November 1972 between Henry John Edwards (the Settlor) and Margaret Edwards, Anthony Edwards, David James Miller and Alfred Aaron Davis (the trustees).

On 10 January 1973 a supplemental Trust Deed was executed by Margaret Edwards, Anthony Edwards, David James Miller and Alfred Aaron Davis (the trustees).

It is a registered charity no 265290.

The Trustees who have served during the year and since the year end are set out on page 1. The power to appoint additional trustees is vested in the current trustees and is exercisable in writing.

Objectives & activities

Under the terms of the Trust Deed, as amended by the supplemental Trust Deed, the Trust Fund and the income are held upon trust to apply at such times and in such manner as the trustees shall in their absolute discretion think fit for or towards any purpose or purposes recognised by the law of England as charitable.

Public Benefit Statement

In accordance with Charity Commission requirement the Trustees affirm that its grants are made only to those institutions with accredited charitable status.

Grant making policy

Applications can be submitted to the trustees by charitable institutions and these applications are considered at the regular meetings of the trustees. Applications should be in writing and incorporate full details of the charity for which funding is requested. No acknowledgements will be sent out to unsuccessful applicants.

Achievements and performance

The Trust continued to provide grants to charitable institutions throughout the year. The amount of the donations made in the year was £300,000 (2024: £295,000).

THE ADINT CHARITABLE TRUST

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 5 APRIL 2025

Future developments

The trustees anticipate making donations of circa £300,000 in the financial year to 5 April 2026, in line with 2025 and the long-term historical run rate.

Financial review and investment policy

The trustees have continued to apply their funds in accordance with the objects clause of the Trust Deed, as amended, and there are no immediate plans to alter the way in which income is expended. Grants totalling £300,000 have been made in the year (2024: £295,000).

The investments are managed by Charles Stanley & Co Ltd and Canaccord Genuity Group in consultation with the trustees and the holdings are registered in the Stockbrokers' nominee names. The trust has performed satisfactorily, and the trustees are satisfied with the investment performance of the investment managers.

The trustees follow a conservative policy with a view to maintaining the capital of the charity in a mixture of equity and bonds whilst ensuring sufficient liquidity for the Trust's foreseeable future.

Reserves policy

All of the charity's funds held at 5 April 2025 are general unrestricted funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investments.

As the charity does not currently seek funding but uses its resources to provide funding for the furtherance of its objects, it is the trustees' policy to maintain the charity's reserves at a sufficient level to enable it to continue to provide such funding in future years. This is monitored on a regular basis by the trustees, who review the level of reserves in the light of future funding requirements. The current target level of reserves is at least 10% of the value of investments.

Risk management

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that such risks are continuously monitored and that appropriate steps can be taken to lessen these risks.

Statement of responsibilities of the trustees

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

THE ADINT CHARITABLE TRUST

REPORT OF THE TRUSTEES

FOR THE YEAR ENDED 5 APRIL 2025

Statement of responsibilities of the trustees (continued)

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2022, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees

The trustees who served during the year and up to the date of this report were as follows:

- A J Edwards
- D R Oram
- B Pate
- C Edwards

The trustees have no beneficial interest in the charity.

Approved by the trustees on 15/12/2025 and signed on their behalf by:

THE ADINT CHARITABLE TRUST**INDEPENDENT AUDITOR'S REPORT****TO THE TRUSTEES OF THE ADINT CHARITABLE TRUST**

We have audited the financial statements of The Adint Charitable Trust for the year 5 April 2025 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2025 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2022.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statement and our auditor's report thereon. The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

THE ADINT CHARITABLE TRUST

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF THE ADINT CHARITABLE TRUST (CONTINUED)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Act 2022 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the charity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the charity's audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THE ADINT CHARITABLE TRUST

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF THE ADINT CHARITABLE TRUST (CONTINUED)

Extent to which the audit was considered capable of detecting irregularities, including fraud

Owing to the inherent limitations of an audit, there is an unavoidable risk that material misstatements in the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

In identifying and assessing risks of material mis-statement in respect of fraud, including irregularities and non-compliance with laws and regulations, our procedures included the following:

- We obtained an understanding of the legal and regulatory frameworks applicable to the charity financial statements or that had a fundamental effect on the charity's operations. We determined that the most significant laws and regulations included UK GAAP and the Charities Act 2022.
- We understood how the charity is complying with those legal and regulatory frameworks by making inquiries of management, those responsible for legal and compliance procedures.
- We assessed the susceptibility of the charity's financial statements to material misstatement, including how fraud might occur. Audit procedures performed by the engagement team included:
 - Identifying and assessing the design effectiveness of controls management has in place to prevent and detect fraud;
 - Understanding how those charged with governance considered and addressed the potential for override of controls or other inappropriate influence over the financial reporting process. Detailed analysis of journals posted through the accounting system during the year to 5 April 2025 has been undertaken;
 - Understanding the controls in place to prevent and detect fraud. Reliance was not placed on controls for the entirety of the audit, instead taking a substantive testing approach, however controls were in place to prevent fraud, and they appeared to be working effectively;
 - Challenging assumptions and judgements made by management in its significant accounting estimates

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with the Charities Act 2022. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

THE ADINT CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 5 APRIL 2025

1 Accounting policies

Charity information

The Adint Charitable Trust is constituted under a Trust Deed dated 17 November 1972, with a supplemental Trust Deed executed on 10 January 1973 and is a registered charity.

1.1 Accounting convention

The accounts have been prepared in accordance with the Charity's trust deed, the Charities Act 2022 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), "Accounting and Reporting by Charities" the Statement of Recommended Practice (SORP) for charities applying FRS 102 and UK Generally Accepted Accounting Practice. The Charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The accounts are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the accounts, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives. They are investments held at the year end, dividends and interest received or generated for charitable purposes.

1.4 Incoming resources

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

1.5 Resources expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

Grants payable are payments to registered charities based on recommendations by Douglas Oram (Trustee) and approved by all of the Trustees. These are charged in the year when the grant is awarded by the Trustees.

The costs of raising funds directly relate to the costs of managing the investment portfolio.

THE ADINT CHARITABLE TRUST**NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 5 APRIL 2025****Accounting policies (continued)****1.6 Fixed asset investments**

Investments are a form of basic financial instrument and are initially recognised at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date using the closing market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year. Transaction costs are expensed as incurred.

The main form of risk faced by the Charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub-sectors.

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year.

Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised gains and losses are combined in the Statement of Financial Activities.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Judgements and estimation uncertainty

These financial statements do not contain any significant judgements or estimate uncertainty.

THE ADINT CHARITABLE TRUST**NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 5 APRIL 2025****Fixed asset investments (continued)****Fixed asset investments revalued**

Listed investments are carried at their fair value. Investment in equities and fixed interest securities are primarily traded in quoted public markets, primarily the London Stock Exchange. The basis of fair value for quoted investments is equivalent to the market value. Asset sales and purchases are recognised at the date of trade at cost (that is, their transaction value).

Unquoted investments are carried at cost.

The significance of financial instruments to the ongoing financial sustainability of the trust is considered in the financial review section of the trustees' annual report.

The trust manages investment risk by retaining expert advisors and operating an investment policy that provides for a high degree of diversification of holdings within investment classes that are quoted on recognised stock exchanges.
