Summary of the objectives of the charity set out in its governing document

- Advance the education of young members of the public at large, in agriculture, home crafts, country life and related subjects; and
- In the interests of the social welfare of such members to provide, and promote the provision of, facilities for recreation and other leisure time occupations, being facilities which will improve their conditions of life and will assist in the development of their spiritual and mental capacities, self-reliance and individual responsibilities so that they will grow to full maturity as individuals and members of the community.

Our Club is one of 38 independent Clubs affiliated to the Devon Federation of Young Farmers Club – Charity number 1098759.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Charity fundraising - £1600 has been raised for the Devon Air Ambulance and FCN with the money being split £1400 to Devon Air Ambulance and £200 to FCN.

This money has been raised from a big breakfast (£900.00 for Devon Air Ambulance, a tractor run (£500.00 for Devon Air Ambulance) and a Pantomime which raised £200.00 for FCN.

The Club confirms that it has referred to the guidance contained in the Charity Commissions general guidance on public benefit when reviewing its aims and objectives and in planning future activities.

On average the Club has monthly meetings in a local village hall. This is in addition to a very full program of everything from after dinner speaking to stock judging and many more.

Summary of the main achievements of the charity during the year

Our year was completed with an end of year celebration and AGM to thank the members, advisory and parents for their help and to congratulate the members by presenting the Club Trophies.
