The Alfred Williams Charitable Trust

Trustees' Report for the year ended 5th April 2021

Administration, Policy and Objectives

The Charity is managed in accordance with the provisions of the founding Trust Deed dated 4th April 1973 which gives the Trustees discretionary power to apply the income and, since the death of Alfred Williams MBE, the capital of the Trust to a wide range of charitable objectives.

In practice, being a small trust and following guidelines recommended by the settlor, the current policy of the Trustees is to apply only the income of the Trust mainly to environmental and social causes in the county of Suffolk with a bias towards preservation or regeneration of the built heritage, amenity and landscape of the county. Donations to social causes are either for start-up projects, or for modest on-going support to groups involved in voluntary care, education, theatre, music and youth and community projects. Donations are not made to individuals.

The Trustees have considered the Charity Commissioners' guidance on public benefit and have concluded that the Trust's grant making role is for the public benefit.

Recruitment and Training of Trustees

The power of appointment is vested with existing trustees. Appointments are made on the basis of ability and experience considered to be of benefit to the Trust. J H Penn, P D Clarke, R J Williams and L R Williams held office as trustees throughout the year.

Training, which involves awareness of a trustee's responsibilities, the governing document, administrative procedures and the history of the trust, is undertaken by attendance at seminars and from information obtained from relevant websites including that of the Charity Commission.

Grants in 2020-21

In pursuance of the charity's stated objectives, 43 grants were awarded in the year ended 5th April 2021 totalling £71,350. This was within the year's investment income net of administration expenses. The sector distribution of these grants was as follows:

- 7 grants totalling £15,300 were made to churches for fabric repair or amenity projects;
- 8 grants totalling £9,500 were made to natural environmental causes;
- 4 grants totalling £6,500 were made to man-made heritage causes
- 8 grants totalling £8,500 were made to music, literary and drama causes;
- 16 grants totalling £31,550 were made to social welfare causes, including entities dealing with the Covid19 pandemic and the effects thereof.

A full list of grants made is included on page 8.

Finance, Reserves and Risk Assessment:

As may be seen in the Statement of Financial Activities, the net movement in funds for the year was a improvement of £959,848 compared to an deterioration of £573,542 for the previous year. The improvement is predominantly due to gains, both realised and unrealised, of £965,683 made on investments.

The main focus of the investment policy of the trustees is to maintain the value of the capital in inflation adjusted terms and, subject to that, to maximise income.

A total of £3,737 (2020: £1,340) was spent on administrative costs and £17,893 (2019: £17,540) on investment management costs, which trustees consider acceptable.

The Alfred Williams Charitable Trust
Trustees' Report (Continued) for the year ended 5th April 2021

The trustees believe that the effect of the Covid19 pandemic is still impacting upon the charitable entities which request grants from the charity. The trustees continue to take all possible steps so as to be able to continue to operate for the foreseeable future and to ensure the availability of grants to those applying for them.

The reserves policy of the trustees is to accumulate a proportion of income when possible in order to provide resources to enable the Trust to continue a reasonable level of grant-making activity during periods of lower income. An average year's worth of grants (£75,000) is considered to be an appropriate level of reserves.

The trustees, through periodic meetings and discussions, regularly consider possible risks to the charity, its assets and reputation and take appropriate actions to minimise these.

Trustees' responsibilities

Law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year (unless the charity is entitled to prepare accounts on the alternative receipts and payments basis). In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles of the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for the keeping of accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with the provisions of the Trust Deed and the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website.

Report and accounts approval

This report together with the attached financial statements, comprising of a statement of financial activities, balance sheet and related notes, were approved and signed by the Trustees at their meeting on 8th October 2021

The Alfred Williams Charitable Trust

Independent examiner's report on the accounts for the year ended 5th April 2021

I report to the trustees on my examination of the accounts of the Alfred Williams Charitable Trust ("the Charity") for the year ended 5th April, 2021 which are set out on pages 5 to 10.

Responsibilities and basis of report

As the Charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement:

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that, in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of the independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1) Basis of preparation

These accounts have been prepared on the basis of historical cost (except that investments are shown at market value) in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities and in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) issued on 16 July 2014 and with the Charities Act 2011.

Incoming resources

Recognition of incoming resources

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Investment income

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

Taxation

The charity's activities are not considered liable to UK income or capital gains tax, but the charity does incur foreign taxes deducted at source on foreign investment income. Value Added Tax is paid on supplies of goods and services made to the charity.

Expenditure and liabilities

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Grants payable

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Assets

Investments

Investments traded on a recognised stock exchange are valued at market value at the year end.
