- **Risk Management**

The Trustees continually review the major risks to which the charity is exposed, in particular those related to the finances of the charity and are satisfied that systems are in place to mitigate their exposure to major risk. The major risk of the charity is its investment portfolio risk, which is mitigated by biannual meetings with the Investment Managers.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue to operate.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and which enable them to ensure that the financial statements comply with relevant legislation and the trust deed. They are also responsible for safeguarding the assets of the Charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

**REPORT OF THE INDEPENDENT EXAMINER**  
**TO THE TRUSTEES**

I report to the trustees on my examination of the accounts of the Ardwick Trust (the Trust) for the year ended 5th April 2021, which comprise the Statement of Financial Activities, the Balance Sheet and related notes.

This report is made to the Trustees, as a body, in accordance with the terms of my engagement. My work has been undertaken so that I might carry out an Independent Examination of the financial statements in accordance with the General Directions given by the Charity Commission. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Trust and the Trust's Trustees as a body for my work or for this report.

**Responsibilities and basis of report**

As the trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**THE ARDWICK TRUST**

**NOTES FORMING PART OF THE ACCOUNTS**

**FOR THE YEAR ENDED 5TH APRIL 2021**

**1. ACCOUNTING POLICIES**

**a) Basis of Preparation and Assessment of going concern**

The accounts have been prepared under the historical cost convention with the exception of investments which are included at market value. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) (Second Edition issued in October 2019) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The accounts have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Charity constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

**b) Funds**

The Capital and Income Funds represent the funds of the Charity that are not subject to any restrictions regarding their use and are available for application to the general purposes of the Charity. Funds designated for a particular purpose by the Charity are unrestricted. Restricted Funds are funds which are used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for a particular purpose.

**c) Income**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

**d) Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

**e) Investments**

Investments are a form of basic financial investment and are initially recognised at their transaction value and subsequently measured at fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluations and disposals throughout the year.

Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

**f) Current Assets and Liabilities**

All known current assets are brought into the accounts at the amounts which they are expected to realise. All known liabilities are brought into the accounts at their expected cost.

## 9. TRUSTEES' REMUNERATION AND RELATED PARTY TRANSACTIONS

Miss J S Portrait and Mr D B Flynn are partners of Portrait Solicitors to whom fees of £1,608 (200 - £1,686) including VAT were paid for legal services.

No reimbursement of expenses has been made or is due to be made to any of the trustees in respect of the year.

## 10. EVENTS AFTER THE BALANCE SHEET DATE

The Trust's investments have recovered to substantially the value they were prior to the Covid 19 pandemic. However the investment income has fallen by approximately 34% in the year ended 5th April 2021. Whilst this is a concern, the Trustees feel confident, that with careful monitoring, the operations of the Trust will continue to give a substantial number of grants to the Charities that need support, particularly in these difficult times.
