THE TWJ FOUNDATION

THE FIFTY FIRST ANNUAL REPORT OF THE TRUSTEES OF THE TWJ FOUNDATION

Introduction

The TWJ Foundation offers annual overseas Major Fellowship grants to ENT Specialty Registrars on numbered otorhinolaryngology (ear, nose & throat) training programmes in the United Kingdom and Republic of Ireland who have passed the Intercollegiate FRCS examination. These TWJ Fellowships are available for six months to one year in overseas or UK university ENT departments, to specifically supplement the otological (ear) training of the Fellows. In this way the Foundation has supported advanced otological training for a large proportion of currently practising otologists in the British Isles. Clinical Fellowships are currently available in Auckland (New Zealand), Halifax (Canada), Toronto (Canada), Vancouver (Canada) and Cambridge (UK).

The Foundation also offers annual Short Fellowship grants for Consultant Otolaryngologists working within the NHS with a special interest in otology to visit the 'Clinique Jean Causse' clinic in Béziers, France; the 'Radboud University Medical Centre' in Nijmegen, The Netherlands; and the 'European Institute for ORL, Sint-Augustinus' in Antwerp, Belgium. Applications are also considered from final-year ENT Speciality Registrars in the UK and Republic of Ireland who have passed the Intercollegiate FRCS and have a special interest in Otology.

In addition, the Foundation sometimes makes available conference, educational, thesis and other small grants. It also funds the Pat Jobson Prize, which is awarded annually by the British Association of Audiovestibular Physicians, from the Michael Cook Tinnitus Fund. Since 2020 it has offered a Short Fellowship for the runner-up in the Royal Society of Medicine Section of Otology Short Papers competition, and from 2024/25 it will instead sponsor the First Prize of £1,000, to be used in support of travel to centres of otology overseas.

Background

The TWJ Foundation was founded in 1974 by two otolaryngologists, Pat Jobson and David Wright in memory of Thomas Wickham-Jones to benefit otology and audiology within the NHS by the promotion of education and research. The Foundation currently has eight Trustees: two are members of the Wickham-Jones family, one represents the Higgs Charitable Trust, and five are otolaryngologists who are members of ENT UK.

The Foundation has a capital value of £796,268 of which £11,425 is restricted. In the last financial year, investment income was £42,082 and combined expenses and governance costs were £7,309. The Foundation receives an annual grant from the Higgs Charitable Trust which in 2023/24 totalled £20,000.00

Management and Governance Arrangements

The Trustees annually review the risks that the Trust faces. The investments are considered and rates of return reviewed. The administration of the TWJ Foundation is based at the offices of ENT UK, the national speciality association for otorhinolaryngology, located at the Royal College of Surgeons of England in London. This arrangement provides useful synergies as well as reduced administrative costs.

Procedures and Policy for Grant Making and Risk Management

The Trustees aim to award at least one major fellowship per year plus smaller grants to enable individuals to attend specific courses. All candidates are required to provide a full CV together with a reference from their Head of Department and/or Training Programme Director. In addition, all candidates must have passed the Intercollegiate FRCS examination by the time the Fellowship commences and must provide a logbook of their operative experience, including that gained in any postings overseas. All CVs, references and qualifications are checked and confirmed. For smaller donations the Trustees will ensure that the course or research work will be beneficial to the candidate's work. All the centres providing the training and research are known to the Trustees, and the Trustees are in regular contact with the host departments. All beneficiaries are required to write a report of their experiences.

Achievements and Performance of the Trust

The TWJ Foundation reached its 50th Anniversary in 2024, and a celebratory dinner will be held in May.

The value of the Foundation's investments has dipped and recovered during the past financial year. A relatively high level of cash reserves means that the TWJ Foundation remains in a sound financial position, and has been able to continue developing its Major Fellowships.

The Trustees of the TWJ Foundation were pleased to award one Major Fellowship and eight Short Fellowships for the calendar year 2023, and three Major Fellowships and four Short Fellowships for the calendar year 2024. Awards have now also been made for 2025.

Fellowships are as follows:

The 2025 Major Fellowships have not been included in the grants figure of £85,200 as they will be paid for from donations in 2024/25.

Future Plans

The Trustees have maintained cooperative links with the Graham Fraser Foundation, which funds an annual Cochlear Implant Fellowship to Sydney, Australia. The activities of the two Foundations are complementary, and since 2012 they have been collaborating over the interviewing and appointment of Fellows which has worked well. Cooperative links have also been forged with the Colledge Family Memorial Trust, which funds overseas Fellowships mainly in the fields of rhinology, laryngology and head and neck surgery.

THE TWJ FOUNDATION

THE FIFTY FIRST ANNUAL REPORT OF THE TRUSTEES OF THE TWJ FOUNDATION (continued)

Major TWJ Clinical Fellowships are well established in Auckland, New Zealand with Professor Michel Neeff; and in Halifax, Nova Scotia, Canada with Professor David Morris. Fellows go to Auckland every two years and to Halifax every three years.

In addition, major TWJ Clinical Fellowships have been inaugurated to Vancouver, Canada with Professor Brian Westerberg; and to Cambridge, UK with Professor Manohar Bruce (the Foundation's first Fellowship in the British Isles). Fellows will go to each centre every three years.

An old link with Toronto in Canada has recently been re-established with Professor John Rutka for a Fellow to go every three years commencing in 2025.

Responsibilities of the Trustees

Law applicable to charities in England and Wales requires Trustees to prepare Financial Statements for each financial year which give a true and fair view of the Trust's financial activities during the year and of its financial position at the end of the year. In preparing Financial Statements giving a true and fair view, the Trustees should follow best practice and:

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the Financial Statements;
- Prepare the Financial Statements on the going concern basis unless it is inappropriate to presume the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the Trust and which enable them to ensure that the Financial Statements comply with applicable law, regulations and the Trust Deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE TWJ FOUNDATION

I report on the accounts of the Trust for the year ended 5th April 2024 which are set out on pages 6 to 10.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The charity's trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

It is my responsibility to

- examine the accounts under section 145 of the Charities Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S STATEMENT

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

1) which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep proper accounting records in accordance with section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

THE TWJ FOUNDATION

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 5TH APRIL 2024

1. ACCOUNTING POLICIES

Basis of Accounting

These Accounts have been prepared under the historical cost convention, with the exception that investments are valued at market value. The accounts are in accordance with applicable accounting standards, the Charities SORP (FRS 102) and comply with the Charities (Accounts and Reports) Regulations 2008 issued under the Charities Act 2011.

Taxation

The trust is a registered charity and accordingly is exempt from taxation on its income and gains where they are applied for charitable purposes.

Restricted Fund

The income and capital can be used to fund audiological training and research for tinnitus and audiological medicine.

Grants

Grants made to individuals or organisations are recognised when the offer is conveyed to the recipient. Where grants are awarded more than a year ahead the commitment is noted, but not accrued as expenditure.

Expenditure

Expenditure is included in the accounts on an accruals basis.

Investment Assets and Income

Investments have been valued at market value at the balance sheet date.

Unrealised and realised investment gains and losses are shown net in the statement of financial activities.

Investment income is recorded when receivable.
