**Recruitment and appointment of trustees**

Trustees are appointed at the Annual General Meeting at the recommendation of members of the charity.

The charity also seeks to identify those with the experience and calling to become trustees.

All trustees were appointed by the voting of all our Church volunteers and approved by our Senior Pastor.

There were three retiring trustees and three new recruits in the period.

**Church of God World-Wide Mission International (Pentecostal)  
Trustees Report  
for the year ended 31 March 2025**

**Public Benefit**

In planning our activities this year we worked in accordance with the Charity Commission guidance on public benefit. We exist to serve all areas of our community which includes all age groups without discrimination and is without the distinction of sex, political or religious beliefs. We strive to promote social welfare and cohesion through the provision of pastoral services and cultural events so improving the social and physical wellbeing of the local community.

**Mission and Vision**

Our main objective as a Charity is to advance the Christian religion and promote the gospel. Another key objective is to be a positive pillar in the communities in which our churches are located. We aim to positively impact our communities and make an effective change where the opportunity gives us space to do so.

**Organisation**

The board of Trustees is responsible for the Charity's compliance. They ensure Church of God World Wide Mission have plans and strategies in place to fulfil all aims and objectives set.

The management of the Charity is overseen by 1 full-time Leader, a part-time voluntary Administrator, and the Executive Board. This board is made up of a carefully selected group of Senior Leaders from each Branch. All with a variety of skills and experience which are used collectively to ensure the charity is functioning and operating at the highest standards possible in all areas.

The Trustees, Executive Board and Administrator aim to meet quarterly (Diary dependent). The Board will meet outside of these times if any urgent matters arise or there are any changes to circumstances.

There is a total of five Churches that are active and working within the remits of the Constitution in the United Kingdom. Reading, Fulham, Dulwich, Eastbourne and Basingstoke.

During this reporting period our Aylesbury branch has been dissolved. After much discussion the Trustees and Board Members made this decision. Due to a change in the circumstances of the branch's leadership, high rent costs, low membership numbers and still suffering the effects of the Global Pandemic. While this branch has been closed if there was a change of circumstances which would result in the location being fruitful again, this will be reviewed by the Board.

In line with our aims, mission and objectives there is representation of the Charity in several countries. Barbados, St Vincent and The Grenadines, Jamaica, Nigeria, Sierra Leone, Martinique, Guyana, Grenada and St Lucia. These locations are compliant with regulations set out by the law of each country regarding faith and charities. The local Bishop's manage the daily running of the branches in their countries assisted by Senior Leaders and Administrators. There are regular meetings with the International Leaders and the UK Chair of the Board. Every other year there is a face-to-face International Executive Board meeting held in England. Here the Local and International Leaders meet to ensure effective running collectively and where we can improve and assist each other.

**Financial Review**

The Charity incurred a deficit of -£28,112 for the financial year. At 31 March 2025, the Charity held £3,255,232 in unrestricted funds.

**Church of God World-Wide Mission International (Pentecostal)**  
**Trustees Report**  
**for the year ended 31 March 2025**

**Reserves policy**

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure.

The trustees regularly review the level of reserves they consider necessary to enable the charity to operate for the foreseeable future.

Available Reserves, which are the the unrestricted funds less amounts tied up in fixed assets net of loans amounted to £187,624.

**Progress Review**

Church of God World Wide Mission International, regularly reviews and improves where necessary all aspects of its management and operational structure. Ensuring we meet all our key aims and objectives whilst always ensuring Compliance, in line with the Charity Commission. By doing this we ensure the smooth and effective running of the Charity.

We are currently operating 3 purchased Church buildings in the UK. These buildings are being used for weekly Worship, Bible Studies, Prayer Meetings and Youth Groups. As well as Worship purposes these buildings are being used for community betterment and outreach. With activities such as senior day groups, soup kitchens, food banks, tea and coffee mornings and community fun days.

Branches that do not worship in a purchased building continue to operate from rented premises. One of our objectives for the next reporting year is to plan and prepare a long-term strategy which will see all our Branches purchased properties. This will enable us to provide more support for our local communities in more locations across the UK. This was the main agenda item of our AGM and members put forward ideas that we can look at moving forward to make this a successful aim.

We have continued to use technology to broaden our member base and reach those less able to attend one of our physical locations. Media such as Zoom, Facebook, YouTube are used for most Sunday and mid-week services to ensure we can meet the needs of our Members and community.

Our 3 main events for the year were:

- 21-day Prayer and Fasting in January  
We used this time to plan, prepare and align together for the Calendar year ahead. At the end of the 21 days, we had a Celebration Service where all Branches met.
- National convention July 2024  
This was held in our Eastbourne branch where the Theme was 'Greater Manifestation'. Here we met for 3 nights of Worship Services and day time Seminars to equip and recharge the members. There were separate Seminars and Workshops for the under 18's. This was an awesome event uplifting all that attended.
- National Day of Fasting 2  
This is an Annual Meeting where we meet for a day of Fasting and Prayer, we use this time to pray together for the things we are believing God for our Charity. We also use this time to pray for prayer requests from members and online family that join us by media outlets.

The Charity has a wide age range of members with different needs and abilities. The membership of the Charity is continuing to grow with members of all ages and cultures.

**Church of God World-Wide Mission International (Pentecostal)  
Trustees Report  
for the year ended 31 March 2025**

As an Charity based on Mission, there are teams in each branch that carry out Missionary work in their local area. Ranging from hospital and home visits for the sick and housebound. The teams aim to assist in matters physical and spiritual dependent on need. As people have become comfortable again with social interaction after the Pandemic, we are seeing a rise in members and the community taking up the use of these services. Some members are still not comfortable with social interaction however we tailor the level of care to accommodate this.

All branches have continued to carry out Funerals, Baptisms, Christenings and Weddings. With a high number of members being elderly there have been many funerals which have been a difficult time for the Charity.

The Charity continues to be self-sufficient in all areas and continues to support local community and Churches when deemed appropriate by the Board.

As with other years there has been growth in membership and affiliation interest. Registered interests are presented to the Executive Board for formal process and agreement. This ensures all are aligned with the mission statement and Core Values of the Charity.

The Trustee's Board has had a reshuffle this reporting year. 3 members have been replaced due to health and age-related reasons. This decision was made and 3 new trustees appointed as decided by the Board. The new additions have a varied skill set to ensure we have qualified and skilled members in different areas. The Board continues to operate with members with representation from each branch. The Executive Board meets regularly to discuss any changes and needs the Charity may have.

The Charity has continued to receive donations throughout this reporting year. These have been given to individual Churches for different purposes. This is received in the form of tithes, offering, donations to departments and groups, for the use of Christian work, relief and community purposes for matters the Executive Board consider to be in keeping with those of the Church.

The Charity has worked hard to ensure training for necessary individuals has been carried out. The training focus for this reporting year was GDPR Compliance, Health and Safety and Safeguarding.

With the steady growth of the Charity and the anticipation for continued membership growth. All branches are reaching out into different training to be able to assist complex needs that may arise in our local churches and communities. There is no target date for this as training is ongoing and will be monitored regularly by representatives from each branch.

The Trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy, the financial position of the Charity. Which enables them to continue to share and demonstrate God's love and ascertain the financial position of the Charity and continue to impact and serve the Community/effect social changes. They are also responsible for Safeguarding the assets of the Charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Trustees' responsibilities**

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each year, which gives a true and fair view of the charity's financial activities during the period and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP
- make judgment and estimates that are reasonable and prudent; and

**Church of God World-Wide Mission International (Pentecostal)**  
**Trustees Report**  
**for the year ended 31 March 2025**

- state whether applicable UK Accounting Standards have been followed subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

The Trustees are responsible for: keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

**Opinion**

We have audited the financial statements of Church of God World-Wide Mission International (Pentecostal) for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to the going concern are described in the relevant sections of the report.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees report; or
- the financial statements are not in agreement with the accounting records and returns; or
- sufficient accounting records have not been kept; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of the planning process:

We enquired of the trustees the controls the charity has in place, the areas of the financial statements that are susceptible to the risk of fraud or irregularities and whether there has been any known, suspected or alleged fraud.

We obtained an understanding of the legal and regulatory framework applicable to the charity.

We considered the incentives and opportunities that exist within the charity for management bias to override any controls.

Using our knowledge of the charity, together with discussions held at the planning stage, we formed a conclusion on the risk of misstatements due to irregularities.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

Identifying and testing the journal entries and the overall accounting records. In particular any significant or unusual items.

Reviewing the financial statements disclosures and determining whether accounting policies have been appropriately applied.

Reviewing and challenging the assumptions and judgements used by the trustees in their significant accounting estimates.

Assessing the extent of compliance, or lack of, with the relevant laws and regulations.

Testing key income streams.

Performing verification of key assets.

Obtaining third party confirmation of material balances.

Scrutinising the accounting records for related party balances and transactions.

Reviewing trustee board minutes.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements even though we have properly planned and performed our audit in accordance with the auditing standards. The primary responsibility for the prevention and detection of fraud rests with the trustees.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

Jacksons is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

**1 Accounting policies**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows.

***Basis of preparation***

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011 and UK Generally Accepted Practice.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

These financial statements show the results and activities of the Reading , Fulham, Eastbourne and International churches.

***Income***

Rents, Gift aid, Other income and interest received are accounted for on an accruals basis. Tithes and offerings are accounted for when received, unless conditions for receipt justify earlier recognition.

***Expenditure***

Costs are accounted for on an accruals basis.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises of those costs incurred by the charity in the deliverance of its activities and services for the beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

***Fund accounting***

Unrestricted funds are available to spend on activities that further any of the purposes of charity. All funds are unrestricted.

**for the year ended 31 March 2025**

**Going concern**

The accounts have been prepared using the going concern basis which assumes the Charity will continue in operational existence for the foreseeable future.

The Charity made a deficit for the year of £28,112 and at the year end had unrestricted funds of £3,255,232. Projections prepared by the Charity for the next twelve months show a surplus.

However, the loan with Barclays Bank PLC fell due for repayment in November 2024, and this currently amounts to £1.9 million. In December 2024, the bank agreed to extend the facility for a further twelve months. This facility will be at 2.5% over base, with monthly repayments of £17,494.

Over the next twelve months, therefore, the Charity has to seek new loan facilities to replace the Barclays Bank loan when the facility ends.

Should new facilities not be arranged, the Charity would be forced to sell Charity properties to enable repayment of the facility. The book value of the freehold properties is £4.975 million. Although a forced sale would be likely to occur at a discount to full value, the Charity considers the current book values to be conservative.

The Trustees expect that alternative loan facilities will be available, and consider that the going concern principle should be applied.

**Depreciation**

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery	over 15 years straight line
Motor vehicles	over 15 years straight line

**Taxation**

The charity has received exemption under section 505 of the Income and Corporation Taxes Act 1988.

**Freehold property**

Freehold property is shown at cost. Freehold buildings are depreciated over their estimated useful lives to their residual value, but as their residual value equates to cost there is no charge.

**Financial Instruments**

The company has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**Debtors**

Debtors are recorded at transaction value, unless there is some doubt as to their recovery, then they are reduced to their recoverable amount.

**The Church of God World-Wide Mission International (Pentecostal)**  
**Notes to the Accounts**  
**for the year ended 31 March 2025**

**Liabilities**

Liabilities are initially recorded at their transaction value and subsequently measured at their settlement value.

**2 Critical accounting estimates and judgements**

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Trustees to exercise judgement in applying the charity's accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, are disclosed below.

*Impairment of and valuation of freehold property*

The Trustees review the value of buildings on an annual basis, and make sure that all repairs and maintenance have been completed, to check there has been no impairment.

**3 Constitution**

The Church of God Worldwide Mission International (Pentecostal) is a charity registered in England and Wales, number 267230, and was formed under the Articles of Faith dated on 27 September 1973.

It is a public benefit entity.

The registered address is per the trustees report.

Trustees Report  
for the year ended 31 March 2024**

The Trustees present their report and financial statements for the year ended 31 March 2024.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and the Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

**General Information**

Church of God Worldwide Mission (England) was registered as a charity on 27 September 1973 and renamed Church of God World Wide Mission International (Pentecostal) on 25 October 2006. The organisation is governed by the Rules and Constitution in accordance with the Articles of Faith dated the same as its registration.

**Recruitment and appointment of trustees**

Trustees are appointed at the Annual General Meeting at the recommendation of members of the charity.

The charity also seeks to identify those with the experience and calling to become trustees.

All trustees were appointed by the voting of all our Church volunteers and approved by our Senior Pastor.

There were three retiring trustees and three new recruits in the period.

**Public Benefit**

In planning our activities this year we worked in accordance with the Charity Commission guidance on public benefit. We exist to serve all areas of our community which includes all age groups without discrimination and is without the distinction of sex, political or religious beliefs. We strive to promote social welfare and cohesion through the provision of pastoral services and cultural events so improving the social and physical wellbeing of the local community.

**Mission and Vision**

The primary objective of the Charity is to advance the Christian religion. The secondary objective is to be an organization that will positively impact the community and effect change.

**Organisation**

The Trustees are responsible for ensuring that Church of God World Wide Mission International fulfills its mission. The management of the Charity has been delegated to a full time Leader, a part time volunteer Administrator and the Executive Board.

The Trustees, Executive Board and Administrator attempt to meet quarterly and where necessary will meet for any Emergency Meetings.

There are a total of five churches that are active and working within the remits of the Constitution in the United Kingdom.

In accordance with our aims, mission and objectives there is representation of the Organisation in several countries: Barbados, St Vincent and The Grenadines, Jamaica, Nigeria, Sierra Leone, Martinique, Guyana, Grenada and St Lucia. These units are compliant within the remits of the country in which they reside and overall the Bishops situated in the relevant country undertake supervision.

**Financial Review**

The Charity generated a profit of £19,992 for the financial year. At 31 March 2024, the Charity held £3,283,344 in unrestricted funds.

**Reserves policy**

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure.

The trustees regularly review the level of reserves they consider necessary to enable the charity to operate for the foreseeable future.

Available Reserves, which are the the unrestricted funds less amounts tied up in fixed assets net of loans amounted to £220,816.

**Progress Review**

Church of God World Wide Mission International, consistently reviews its Operational and Management Structure, exploring avenues that aid and support the Organization moving forward and excelling within its field, ensuring compliance with the requirements of the Charity Commission.

A National Convention was held from 28 July to 30 July. This included Seminars, Youth Session with a singspiration and preaching of the Word of God. Truly an inspirational and motivational time.

Each year we dedicate a day of Fasting and teaching to which all are included. This is now held on the first Saturday of November each year. This year we decided to combine the AGM for cost efficiency and a better use of time. This was held on 4th November 2023 and proved to be a more efficient process and use of time.

**Church of God World-Wide Mission International (Pentecostal)**  
**Trustees Report**  
**for the year ended 31 March 2024**

The Organization is self-sufficient and gives support to up and coming churches and has given gifts where appropriate. It is noted that there has been a steady growth with interests of membership and affiliation. Registered interests are presented to the Executive Board for formal process and agreement.

The Executive Board has continued to operate with 12 members, with representation from each assembly. The executive board meets regularly to discuss any changes and needs the organization may have.

The Statement of Financial Affairs includes the Income and Expenditure for the 12-month period.

Donations are made to individual churches, departments and organizations both in the United Kingdom and overseas, directly involved in either Christian work, relief work or within the community and whose objectives the Executive Board consider to be in keeping with those of the Church.

Relevant training has been carried out throughout this year with focusing on our processes and financial procedure. This was revisited to ensure that our systems are reflecting excellence.

There were a number of volunteers, excluding trustees, throughout the year who aided in the running of the Charity.

**Trustees' responsibilities**

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each year, which gives a true and fair view of the charity's financial activities during the period and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP
- make judgment and estimates that are reasonable and prudent; and
- state whether applicable UK Accounting Standards have been followed subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

The Trustees are responsible for: keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

**Opinion**

We have audited the financial statements of Church of God World-Wide Mission International (Pentecostal) for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2024 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to the going concern are described in the relevant sections of the report.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees report; or
- the financial statements are not in agreement with the accounting records and returns; or
- sufficient accounting records have not been kept; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of the planning process:

We enquired of the trustees the controls the charity has in place, the areas of the financial statements that are susceptible to the risk of fraud or irregularities and whether there has been any known, suspected or alleged fraud.

We obtained an understanding of the legal and regulatory framework applicable to the charity.

We considered the incentives and opportunities that exist within the charity for management bias to override any controls.

Using our knowledge of the charity, together with discussions held at the planning stage, we formed a conclusion on the risk of misstatements due to irregularities.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

Identifying and testing the journal entries and the overall accounting records. In particular any significant or unusual items.

Reviewing the financial statements disclosures and determining whether accounting policies have been appropriately applied.

Reviewing and challenging the assumptions and judgements used by the trustees in their significant accounting estimates.

Assessing the extent of compliance, or lack of, with the relevant laws and regulations.

Testing key income streams.

Performing verification of key assets.

Obtaining third party confirmation of material balances.

Scrutinising the accounting records for related party balances and transactions.

Reviewing trustee board minutes.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements even though we have properly planned and performed our audit in accordance with the auditing standards. The primary responsibility for the prevention and detection of fraud rests with the trustees.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

Jacksons is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

**Notes to the Accounts**  
**for the year ended 31 March 2024**

**1 Accounting policies**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows.

***Basis of preparation***

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011 and UK Generally Accepted Practice.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

These financial statements show the results and activities of the Reading , Fulham, Eastbourne and International churches.

***Income***

Rents, Gift aid, Other income and interest received are accounted for on an accruals basis. Tithes and offerings are accounted for when received, unless conditions for receipt justify earlier recognition.

***Expenditure***

Costs are accounted for on an accruals basis.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises of those costs incurred by the charity in the deliverance of its activities and services for the beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

***Fund accounting***

Unrestricted funds are available to spend on activities that further any of the purposes of charity. All funds are unrestricted.

**The Church of God World-Wide Mission International (Pentecostal)**  
**Notes to the Accounts**  
**for the year ended 31 March 2024**

**Going concern**

The accounts have been prepared using the going concern basis which assumes the Charity will continue in operational existence for the foreseeable future.

The Charity made a surplus for the year of £19,992 and at the year end had unrestricted funds of £3,283,344. Projections prepared by the Charity for the next twelve months show a surplus.

However, the loan with Barclays Bank PLC fell due for repayment in November 2024, and this currently amounts to £1.9 million. The bank has agreed to extend the facility for a further twelve months.

Over the next twelve months, therefore, the Charity has to seek new loan facilities to replace the Barclays Bank loan when the facility ends.

Should new facilities not be arranged, the Charity would be forced to sell Charity properties to enable repayment of the facility. The book value of the freehold properties is £4.975 million. Although a forced sale would be likely to occur at a discount to full value, the Charity considers the current book values to be conservative.

The Trustees expect that alternative loan facilities will be available, and consider that the going concern principle should be applied.

**Depreciation**

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery	over 15 years straight line
Motor vehicles	over 15 years straight line

**Taxation**

The charity has received exemption under section 505 of the Income and Corporation Taxes Act 1988.

**Freehold property**

Freehold property is shown at cost. Freehold buildings are depreciated over their estimated useful lives to their residual value, but as their residual value equates to cost there is no charge.

**Financial Instruments**

The company has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**Debtors**

Debtors are recorded at transaction value, unless there is some doubt as to their recovery, then they are reduced to their recoverable amount.

**Liabilities**

Liabilities are initially recorded at their transaction value and subsequently measured at their settlement value.

**Notes to the Accounts**  
**for the year ended 31 March 2024**

**2 Critical accounting estimates and judgements**

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Trustees to exercise judgement in applying the charity's accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, are disclosed below.

*Impairment of and valuation of freehold property*

The Trustees review the value of buildings on an annual basis, and make sure that all repairs and maintenance have been completed, to check there has been no impairment.

**3 Constitution**

The Church of God Worldwide Mission International (Pentecostal) is a charity registered in England and Wales, number 267230, and was formed under the Articles of Faith dated on 27 September 1973.

It is a public benefit entity.

The registered address is per the trustees report.

**Church of God World-Wide Mission International (Pentecostal)  
Trustees Report  
for the year ended 31 March 2023**

The Trustees present their report and financial statements for the year ended 31 March 2023.

The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and the Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

**General Information**

Church of God Worldwide Mission (England) was registered as a charity on 27 September 1973 and renamed Church of God World Wide Mission International (Pentecostal) on 25 October 2006. The organisation is governed by the Rules and Constitution in accordance with the Articles of Faith dated the same as its registration.

Charity registration number: 267230

Address: The Globe  
12 Portman Road  
Reading  
Berkshire  
RG30 1EA

Trustees: Rev. Dr. Joel M. Thomas  
Mr. Michel Marquis  
Mrs. Una Jordan  
Mr. St Clair Boyce  
Mrs. Theresa Ramsay  
Mrs. Marjorie Jones-Pope  
Ms. Dawn McDowall  
Mr. Simon Watson

Trustees are appointed at the Annual General Meeting at the recommendation of members of the charity.

The charity also seeks to identify those with the experience and calling to become trustees.

**Public Benefit**

In planning our activities this year we worked in accordance with the Charity Commission guidance on public benefit. We exist to serve all areas of our community which includes all age groups without discrimination and is without the distinction of sex, political or religious beliefs. We strive to promote social welfare and cohesion through the provision of pastoral services and cultural events so improving the social and physical wellbeing of the local community.

**Mission and Vision**

The primary objective of the Charity is to advance the Christian religion. The secondary objective is to be an organization that will positively impact the community and effect change.

**Organisation**

The Trustees are responsible for ensuring that Church of God World Wide Mission International fulfills its mission. The management of the Charity has been delegated to a full time Leader, a part time volunteer Administrator and the Executive Board.

**Church of God World-Wide Mission International (Pentecostal)  
Trustees Report  
for the year ended 31 March 2023**

The Trustees, Executive Board and Administrator attempt to meet quarterly and where necessary will meet for any Emergency Meetings.

There are a total of five churches that are active and working within the remits of the Constitution in the United Kingdom.

In accordance with our aims, mission and objectives there is representation of the Organisation in several countries: Barbados, St Vincent and The Grenadines, Jamaica, Nigeria, Sierra Leone, Martinique, Guyana, Grenada and St Lucia. These units are compliant within the remits of the country in which they reside and overall the Bishops situated in the relevant country undertake supervision.

**Financial Review**

The Charity incurred a deficit of -£38,182 for the financial year. At 31 March 2023, the Charity held £3,263,352 in unrestricted funds.

**Reserves policy**

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure.

The trustees regularly review the level of reserves they consider necessary to enable the charity to operate for the foreseeable future.

Available Reserves, which are the the unrestricted funds less amounts tied up in fixed assets net of loans amounted to £272,846.

**Progress Review**

Church of God World Wide Mission International, consistently reviews its Operational and Management Structure, exploring avenues that aid and support the Organization moving forward and excelling within its field, ensuring compliance with the requirements of the Charity Commission.

There are now three purchased buildings in the United Kingdom. These buildings are acquired for use of worship and community projects. The challenging task for the Organization is to purchase buildings for those who remain in rented accommodation. With this in mind other avenues have been explored for example leasing of buildings.

All churches are active with weekly worship meetings within the local assemblies, bible study groups, youth groups and community projects with mission work. Due to COVID 19 each assembly have had to adapt to be Covid compliant. An example of some of these changes are lowering the amount of attendance and moving services to media platforms to reach all members, friends and visitors in these uncertain times.

As a body of people, we have aided ourselves with the use of Zoom, Facebook, YouTube and other technical platforms. Due to the pandemic the scheduled calendar was not observed and each Assembly worked in accordance with the regulations of their location.

The main event for the Organization throughout this period was the National Day of Fasting, utilized via Zoom with positivity of the theme 'a divine encounter'. This day was found to be elevating and encapsulated all ages of the Organization.

**Church of God World-Wide Mission International (Pentecostal)**  
**Trustees Report**  
**for the year ended 31 March 2023**

The Organization has a large number of pensioners with a growing population of young people. There is a diverse membership with different cultures and ages. As a caring Organization the more able individuals undertake visiting the sick, housebound, tending to both physical and spiritual needs. Unfortunately, due to the lockdown regulations this was suspended however, new ways to engage with vulnerable members were adopted.

As like many other communities, in some areas there has been high number of funeral services within the community and the Organization. It has been a very trying and testing time.

The Organization is self-sufficient and gives support to up and coming churches and has given gifts where appropriate. It is noted that there has been a steady growth with interests of membership and affiliation. Registered interests are presented to the Executive Board for formal process and agreement.

The Executive Board has continued to operate with 12 members, with representation from each assembly. The executive board meets regularly to discuss any changes and needs the organization may have.

The Statement of Financial Affairs includes the Income and Expenditure for the 12-month period.

Donations are made to individual churches, departments and organizations both in the United Kingdom and overseas, directly involved in either Christian work, relief work or within the community and whose objectives the Executive Board consider to be in keeping with those of the Church.

Relevant training has been carried out throughout this year with focusing on our processes and financial procedure. This was revisited to ensure that our systems are reflecting excellence.

Due to COVID 19 Safeguarding and Health and Safety training had to be postponed, however due to the global pandemic still an issue this training is being scheduled to be carried out via a media platform in the near future.

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each year, which gives a true and fair view of the charity's financial activities during the period and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP
- make judgment and estimates that are reasonable and prudent; and
- state whether applicable UK Accounting Standards have been followed subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

The Trustees are responsible for: keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Opinion**

We have audited the financial statements of Church of God World-Wide Mission International (Pentecostal) for the year ended 31 March 2023 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to the going concern are described in the relevant sections of the report.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees report; or
- the financial statements are not in agreement with the accounting records and returns; or
- sufficient accounting records have not been kept; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of the planning process:

We enquired of the trustees the controls the charity has in place, the areas of the financial statements that are susceptible to the risk of fraud or irregularities and whether there has been any known, suspected or alleged fraud.

We obtained an understanding of the legal and regulatory framework applicable to the charity.

We considered the incentives and opportunities that exist within the charity for management bias to override any controls.

Using our knowledge of the charity, together with discussions held at the planning stage, we formed a conclusion on the risk of misstatements due to irregularities.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

Identifying and testing the journal entries and the overall accounting records. In particular any significant or unusual items.

Reviewing the financial statements disclosures and determining whether accounting policies have been appropriately applied.

Reviewing and challenging the assumptions and judgements used by the trustees in their significant accounting estimates.

Assessing the extent of compliance, or lack of, with the relevant laws and regulations.

Testing key income streams.

Performing verification of key assets.

Obtaining third party confirmation of material balances.

Scrutinising the accounting records for related party balances and transactions.

Reviewing trustee board minutes.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements even though we have properly planned and performed our audit in accordance with the auditing standards. The primary responsibility for the prevention and detection of fraud rests with the trustees.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

Jacksons is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

**1 Accounting policies**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows.

***Basis of preparation***

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from January 2019.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

These financial statements show the results and activities of the Reading , Fulham and International churches.

***Income***

Rents, Gift aid, Other income and interest received are accounted for on an accruals basis. Tithes and offerings are accounted for when received, unless conditions for receipt justify earlier recognition.

***Expenditure***

Costs are accounted for on an accruals basis.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises of those costs incurred by the charity in the deliverance of its activities and services for the beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

***Fund accounting***

Unrestricted funds are available to spend on activities that further any of the purposes of charity. All funds are unrestricted.

**Church of God World-Wide Mission International (Pentecostal)**  
**Notes to the Accounts**  
**for the year ended 31 March 2023**

**Going concern**

The accounts have been prepared using the going concern basis which assumes the Charity will continue in operational existence for the foreseeable future.

The Charity made a deficit for the year of £38,182 and at the year end had unrestricted funds of £3,263,352. This deficit arose principally due to increased repairs and increased interest charges.

The loan with Barclays Bank PLC falls due for repayment in November 2024, and this currently amounts to £1.9 million. The review of the loan facility has not yet taken place, but is expected to occur later in the year. Currently the covenants within the loan contract have not been met, in respect of the EBITDA to debt service, and the delivery of financial statements.

Should the bank not renew the loan facility substantial funds would have to be raised from the sale of Charity properties. The book value of Charity properties is £4.975 million. Although a forced sale would be likely to occur at a discount to full value, the Trustees consider the current book values to be conservative.

The Trustees expect that the Bank will renew the loan facility, and consider that the going concern principle should be applied.

**Depreciation**

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery	over 15 years straight line
Motor vehicles	over 15 years straight line

**Taxation**

The charity has received exemption under section 505 of the Income and Corporation Taxes Act 1988.

**Freehold property**

Freehold property is shown at cost. Freehold buildings are depreciated over their estimated useful lives to their residual value, but as their residual value equates to cost there is no charge.

**Financial Instruments**

The company has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**Debtors**

Debtors are recorded at transaction value, unless there is some doubt as to their recovery, then they are reduced to their recoverable amount.

**Liabilities**

Liabilities are initially recorded at their transaction value and subsequently measured at their settlement value.

**Church of God World-Wide Mission International (Pentecostal)**  
**Notes to the Accounts**  
**for the year ended 31 March 2023**

**2 Critical accounting estimates and judgements**

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Trustees to exercise judgement in applying the charity's accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, are disclosed below.

*Impairment of and valuation of freehold property*

The Trustees review the value of buildings on an annual basis, and make sure that all repairs and maintenance have been completed, to check there has been no impairment.

**3 Constitution**

The Church of God Worldwide Mission International (Pentecostal) is a charity registered in England and Wales, number 267230, and was formed under the Articles of Faith dated on 27 September 1973.

It is a public benefit entity.

The registered address is per the trustees report.

**Public Benefit**

In planning our activities this year we worked in accordance with the Charity Commission guidance on public benefit. We exist to serve all areas of our community which includes all age groups without discrimination and is without the distinction of sex, political or religious beliefs. We strive to promote social welfare and cohesion through the provision of pastoral services and cultural events so improving the social and physical wellbeing of the local community.

**Mission and Vision**

The primary objective of the Charity is to advance the Christian religion. The secondary objective is to be an organization that will positively impact the community and effect change.

**Organisation**

The Trustees are responsible for ensuring that Church of God World Wide Mission International fulfills its mission. The management of the Charity has been delegated to a full time Leader, a part time volunteer Administrator and the Executive Board.

The Trustees, Executive Board and Administrator attempt to meet quarterly and where necessary will meet for any Emergency Meetings.

**Church of God World-Wide Mission International (Pentecostal)  
Trustees Report  
for the year ended 31 March 2022**

There are a total of five churches that are active and working within the remits of the Constitution in the United Kingdom.

In accordance with our aims, mission and objectives there is representation of the Organisation in several countries: Barbados, St Vincent and The Grenadines, Jamaica, Nigeria, Sierra Leone, Martinique, Guyana, Grenada and St Lucia. These units are compliant within the remits of the country in which they reside and overall the Bishops situated in the relevant country undertake supervision.

**Financial Review**

The Charity generated a profit of £61,492 for the financial year. At 31 March 2022, the Charity held £3,301,534 in unrestricted funds which is considered to be an appropriate level of funds to enable the Charity to pursue its objectives.

**Reserves policy**

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure.

The trustees regularly review the level of reserves they consider necessary to enable the charity to operate for the foreseeable future.

**Progress Review**

Church of God World Wide Mission International, consistently reviews its Operational and Management Structure, exploring avenues that aid and support the Organization moving forward and excelling within its field, ensuring compliance with the requirements of the Charity Commission.

There are now three purchased buildings in the United Kingdom. These buildings are acquired for use of worship and community projects. The challenging task for the Organization is to purchase buildings for those who remain in rented accommodation. With this in mind other avenues have been explored for example leasing of buildings.

All churches are active with weekly worship meetings within the local assemblies, bible study groups, youth groups and community projects with mission work. Due to COVID 19 each assembly have had to adapt to be Covid compliant. An example of some of these changes are lowering the amount of attendance and moving services to media platforms to reach all members, friends and visitors in these uncertain times.

As a body of people, we have aided ourselves with the use of Zoom, Facebook, YouTube and other technical platforms. Due to the pandemic the scheduled calendar was not observed and each Assembly worked in accordance with the regulations of their location.

The main event for the Organization throughout this period was the National Day of Fasting, utilized via Zoom with positivity of the theme 'a divine encounter'. This day was found to be elevating and encapsulated all ages of the Organization.

**Church of God World-Wide Mission International (Pentecostal)  
Trustees Report  
for the year ended 31 March 2022**

The Organization has a large number of pensioners with a growing population of young people. There is a diverse membership with different cultures and ages. As a caring Organization the more able individuals undertake visiting the sick, housebound, tending to both physical and spiritual needs. Unfortunately, due to the lockdown regulations this was suspended however, new ways to engage with vulnerable members were adopted.

As like many other communities, in some areas there has been high number of funeral services within the community and the Organization. It has been a very trying and testing time.

The Organization is self-sufficient and gives support to up and coming churches and has given gifts where appropriate. It is noted that there has been a steady growth with interests of membership and affiliation. Registered interests are presented to the Executive Board for formal process and agreement.

The Executive Board has continued to operate with 12 members, with representation from each assembly. The executive board meets regularly to discuss any changes and needs the organization may have.

The Statement of Financial Affairs includes the Income and Expenditure for the 12-month period.

Donations are made to individual churches, departments and organizations both in the United Kingdom and overseas, directly involved in either Christian work, relief work or within the community and whose objectives the Executive Board consider to be in-keeping with those of the Church.

Relevant training has been carried out throughout this year with focusing on our processes and financial procedure. This was revisited to ensure that our systems are reflecting excellence.

Due to COVID 19 Safeguarding and Health and Safety training had to be postponed, however due to the global pandemic still an issue this training is being scheduled to be carried out via a media platform in the near future.

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each year, which gives a true and fair view of the charity's financial activities during the period and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgment and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy the financial position of the Charity and which enables them to continue to share and demonstrate God's love by all means possible. Ascertain the financial position of the Charity and continue to impact and serve the Community/effect social changes with the Companies Act 1985. They are also responsible for safeguarding the assets of the Charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

**Opinion**

We have audited the financial statements of Church of God World-Wide Mission International (Pentecostal) for the year ended 31 March 2022 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to the going concern are described in the relevant sections of the report.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees report; or
- the financial statements are not in agreement with the accounting records and returns; or
- sufficient accounting records have not been kept; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

As part of the planning process:

We enquired of the trustees the controls the charity has in place, the areas of the financial statements that are susceptible to the risk of fraud or irregularities and whether there has been any known, suspected or alleged fraud.

We obtained an understanding of the legal and regulatory framework applicable to the charity.

We considered the incentives and opportunities that exist within the charity for management bias to override any controls.

Using our knowledge of the charity, together with discussions held at the planning stage, we formed a conclusion on the risk of misstatements due to irregularities.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

Identifying and testing the journal entries and the overall accounting records. In particular any significant or unusual items.

Reviewing the financial statements disclosures and determining whether accounting policies have been appropriately applied.

Reviewing and challenging the assumptions and judgements used by the trustees in their significant accounting estimates.

Assessing the extent of compliance, or lack of, with the relevant laws and regulations.

Testing key income streams.

Performing verification of key assets.

Obtaining third party confirmation of material balances.

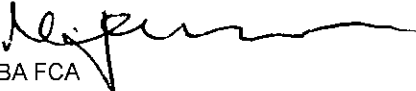

Scrutinising the accounting records for related party balances and transactions.

Reviewing trustee board minutes.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements even though we have properly planned and performed our audit in accordance with the auditing standards. The primary responsibility for the prevention and detection of fraud rests with the trustees.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

Jacksons is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

**Notes to the Accounts**  
**for the year ended 31 March 2022**

**1 Accounting policies**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows.

***Basis of preparation***

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

These financial statements show the results and activities of the Reading , Fulham and International churches.

***Income***

Rents, Gift aid, Other income and interest received are accounted for on an accruals basis. Tithes and offerings are accounted for when received, unless conditions for receipt justify earlier recognition.

***Expenditure***

Costs are accounted for on an accruals basis.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises of those costs incurred by the charity in the deliverance of its activities and services for the beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

***Fund accounting***

Unrestricted funds are available to spend on activities that further any of the purposes of charity. All funds are unrestricted.

***Going concern***

The accounts have been prepared using the going concern basis which assumes the Charity will continue in operational existence for the foreseeable future. The trustees are satisfied that this basis is appropriate.

**Church of God World-Wide Mission International (Pentecostal)**  
**Notes to the Accounts**  
**for the year ended 31 March 2022**

***Depreciation***

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery	over 15 years straight line
Motor vehicles	over 15 years straight line

***Taxation***

The charity has received exemption under section 505 of the Income and Corporation Taxes Act 1988.

***Freehold property***

Freehold property is shown at cost. Freehold buildings are depreciated over their estimated useful lives to their residual value, but as their residual value equates to cost there is no charge.

***Financial Instruments***

The company has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

***Debtors***

Debtors are recorded at transaction value, unless there is some doubt as to their recovery, then they are reduced to their recoverable amount.

***Liabilities***

Liabilities are initially recorded at their transaction value and subsequently measured at their settlement value.

**2 Critical accounting estimates and judgements**

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Trustees to exercise judgement in applying the charity's accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, are disclosed below.

***Impairment of freehold property***

The Trustees review the value of buildings on an annual basis, and make sure that all repairs and maintenance have been completed, to check there has been no impairment.

**3 Constitution**

The Church of God Worldwide Mission International (Pentecostal) is a charity registered in England and Wales, number 267230, and was formed under the Articles of Faith dated on 27 September 1973.

It is a public benefit entity.

The registered address is per the trustees report.

**Church of God World-Wide Mission International (Pentecostal)  
Trustees Report  
for the year ended 31 March 2021**

The Trustees present their report and financial statements for the year ended 31 March 2021.

**General Information**

Church of God Worldwide Mission (England) was registered as a charity on 27 September 1973 and renamed Church of God World Wide Mission International (Pentecostal) on 25 October 2006. The organisation is governed by the Rules and Constitution in accordance with the Articles of Faith dated the same as its registration.

Charity registration number: 267230

Address: The Globe  
12 Portman Road  
Reading  
Berkshire  
RG30 1EA

Trustees: Rev. Dr. Joel M. Thomas  
Mr. Michel Marquis  
Mrs. Una Jordan  
Mr. St Clair Boyce  
Mrs. Theresa Ramsay  
Mrs. Marjorie Jones-Pope  
Ms. Dawn McDowall  
Mr. Simon Watson

Trustees are appointed at the Annual General Meeting at the recommendation of members of the charity.

The charity also seeks to identify those with the experience and calling to become trustees.

**Public Benefit**

In planning our activities this year we worked in accordance with the Charity Commission guidance on public benefit. We exist to serve all areas of our community which includes all age groups without discrimination and is without the distinction of sex, political or religious beliefs. We strive to promote social welfare and cohesion through the provision of pastoral services and cultural events so improving the social and physical wellbeing of the local community.

**Mission and Vision**

The primary objective of the Charity is to advance the Christian religion. The secondary objective is to be an organization that will positively impact the community and effect change.

**Organisation**

The Trustees are responsible for ensuring that Church of God World Wide Mission International fulfills its mission. The management of the Charity has been delegated to a full time Leader, a part time volunteer Administrator and the Executive Board.

The Trustees, Executive Board and Administrator attempt to meet quarterly and where necessary will meet for any Emergency Meetings.

**Church of God World-Wide Mission International (Pentecostal)  
Trustees Report  
for the year ended 31 March 2021**

There are a total of five churches that are active and working within the remits of the Constitution in the United Kingdom.

In accordance with our aims, mission and objectives there is representation of the Organisation in several countries: Barbados, St Vincent and The Grenadines, Jamaica, Nigeria, Sierra Leone, Martinique, Guyana, Grenada and St Lucia. These units are compliant within the remits of the country in which they reside and overall the Bishops situated in the relevant country undertake supervision.

**Financial Review**

The Charity generated a profit of £3,230 for the financial year. At 31 March 2021, the Charity held £3,240,042 in unrestricted funds which is considered to be an appropriate level of funds to enable the Charity to pursue its objectives.

**Reserves policy**

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure.

The trustees regularly review the level of reserves they consider necessary to enable the charity to operate for the foreseeable future.

**Progress Review**

Church of God World Wide Mission International, consistently reviews its Operational and Management Structure, exploring avenues that aid and support the Organization moving forward and excelling within its field, ensuring compliance with the requirements of the Charity Commission.

There are now three purchased buildings in the United Kingdom. These buildings are acquired for use of worship and community projects. The challenging task for the Organization is to purchase buildings for those who remain in rented accommodation. With this in mind other avenues have been explored for example leasing of buildings.

All churches are active with weekly worship meetings within the local assemblies, bible study groups, youth groups and community projects with mission work. Due to COVID 19 each assembly have had to adapt to be Covid compliant. An example of some of these changes are lowering the amount of attendance and moving services to media platforms to reach all members, friends and visitors in these uncertain times.

As a body of people, we have aided ourselves with the use of Zoom, Facebook, YouTube and other technical platforms. Due to the pandemic the scheduled calendar was not observed and each Assembly worked in accordance with the regulations of their location.

The main event for the Organization throughout this period was the National Day of Fasting, utilized via Zoom with positivity of the theme 'a divine encounter'. This day was found to be elevating and encapsulated all ages of the Organization.

**Church of God World-Wide Mission International (Pentecostal)  
Trustees Report  
for the year ended 31 March 2021**

The Organization has a large number of pensioners with a growing population of young people. There is a diverse membership with different cultures and ages. As a caring Organization the more able individuals undertake visiting the sick, housebound, tending to both physical and spiritual needs. Unfortunately, due to the lockdown regulations this was suspended however, new ways to engage with vulnerable members were adopted.

As like many other communities, in some areas there has been high number of funeral services within the community and the Organization. It has been a very trying and testing time.

The Organization is self-sufficient and gives support to up and coming churches and has given gifts where appropriate. It is noted that there has been a steady growth with interests of membership and affiliation. Registered interests are presented to the Executive Board for formal process and agreement.

The Executive Board has continued to operate with 12 members, with representation from each assembly. The executive board meets regularly to discuss any changes and needs the organization may have.

The Statement of Financial Affairs includes the Income and Expenditure for the 12-month period.

Donations are made to individual churches, departments and organizations both in the United Kingdom and overseas, directly involved in either Christian work, relief work or within the community and whose objectives the Executive Board consider to be in keeping with those of the Church.

Relevant training has been carried out throughout this year with focusing on our processes and financial procedure. This was revisited to ensure that our systems are reflecting excellence.

Due to COVID 19 Safeguarding and Health and Safety training had to be postponed, however due to the global pandemic still an issue this training is being scheduled to be carried out via a media platform in the near future.

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each year, which gives a true and fair view of the charity's financial activities during the period and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgment and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy the financial position of the Charity and which enables them to continue to share and demonstrate God's love by all means possible. Ascertain the financial position of the Charity and continue to impact and serve the Community/effect social changes with the Companies Act 1986. They are also responsible for safeguarding the assets of the Charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

**Opinion**

We have audited the financial statements of Church of God World-Wide Mission International (Pentecostal) for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis of opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to the going concern are described in the relevant sections of the report.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees report; or
- the financial statements are not in agreement with the accounting records and returns; or
- sufficient accounting records have not been kept; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

As part of the planning process:

We enquired of the trustees the controls the charity has in place, the areas of the financial statements that are susceptible to the risk of fraud or irregularities and whether there has been any known, suspected or alleged fraud.

We obtained an understanding of the legal and regulatory framework applicable to the charity.

We considered the incentives and opportunities that exist within the charity for management bias to override any controls.

Using our knowledge of the charity, together with discussions held at the planning stage, we formed a conclusion on the risk of misstatements due to irregularities.

**Church of God World-Wide Mission International (Pentecostal)**  
**Independent auditors' report**  
**to the members of Church of God World-Wide Mission International (Pentecostal)**

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

- Identifying and testing the journal entries and the overall accounting records. In particular any significant or unusual items.
- Reviewing the financial statements disclosures and determining whether accounting policies have been appropriately applied.
- Reviewing and challenging the assumptions and judgements used by the trustees in their significant accounting estimates.
- Assessing the extent of compliance, or lack of, with the relevant laws and regulations.
- Testing key income streams.
- Performing verification of key assets.
- Obtaining third party confirmation of material balances.
- Scrutinising the accounting records for related party balances and transactions.
- Reviewing trustee board minutes.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements even though we have properly planned and performed our audit in accordance with the auditing standards. The primary responsibility for the prevention and detection of fraud rests with the trustees.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

Jacksons is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

**Notes to the Accounts**  
**for the year ended 31 March 2021**

**1 Accounting policies**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows.

***Basis of preparation***

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

These financial statements show the results and activities of the Reading , Fulham and International churches.

***Income***

Rents, Gift aid, Other income and interest received are accounted for on an accruals basis. Tithes and offerings are accounted for when received, unless conditions for receipt justify earlier recognition.

***Expenditure***

Costs are accounted for on an accruals basis.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises of those costs incurred by the charity in the deliverance of its activities and services for the beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

***Fund accounting***

Unrestricted funds are available to spend on activities that further any of the purposes of charity. All funds are unrestricted.

***Going concern***

The accounts have been prepared using the going concern basis which assumes the Charity will continue in operational existence for the foreseeable future. The trustees are satisfied that this basis is appropriate.

**Church of God World-Wide Mission International (Pentecostal)**  
**Notes to the Accounts**  
**for the year ended 31 March 2021**

***Depreciation***

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and machinery	over 15 years straight line
Motor vehicles	over 15 years straight line

***Taxation***

The charity has received exemption under section 505 of the Income and Corporation Taxes Act 1988.

***Freehold property***

Freehold property is shown at cost. Freehold buildings are depreciated over their estimated useful lives to their residual value, but as their residual value equates to cost there is no charge.

***Financial Instruments***

The company has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**2 Critical accounting estimates and judgements**

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Trustees to exercise judgement in applying the charity's accounting policies. The areas requiring a higher degree of judgement, or complexity, and areas where assumptions or estimates are most significant to the financial statements, are disclosed below.

*Impairment of freehold property*

The Trustees review the value of buildings on an annual basis, and make sure that all repairs and maintenance and been completed, to check there has been no impairment.

**3 Constitution**

The Church of God Worldwide Mission International (Pentecostal) is a charity registered in England and Wales, number 267230, and was formed under the Articles of Faith dated on 27 September 1973.
