

"Hoping you can continue this amazing, life-changing work. One client recently described FCV Dorcas as a 'pot of gold' to isolated people. I couldn't have put it better myself. Thank you for being there for people."

Aimee B (Volunteer)

"I can't think of any other organisation in Islington which contributes so much with such little financial support."

WHAT FCV Dorcas (FINSBURY & CLERKENWELL VOLUNTEERS) ACHIEVED IN 2024–2025

This year has seen a rebuilding for all our services. Face to face befriending is taking place, lunch club is meeting twice a week with a return to normal numbers and the ever popular shopping trips are taking place as often as possible.

The telephone club continues to maintain contact with many of our most isolated clients.

The minibus has been used to take clients to hospital and GP appointments.

Clients have enjoyed Tea Parties at UM, enjoying the roof terrace views across the City. We have had outings to Whitstable and Southend.

In addition, the Art Group has enjoyed a craft workshops making course taking place over half a day once a month. This has been organised by Create Arts Organisation and Ashurst in Spitalfields.

A brief FCV Dorcas Newsletter goes out to our volunteers every few months to thank them for their hard work, reminding them of the importance of reporting back. We are working with the Council, peer groups and other agencies to ensure we signpost any other helpful services such as Helplines and Guidelines. Our Volunteers know that they can email/call our Volunteer Services Co-ordinator at any time for extra help and support.

Chair's Report

After re-establishing our services over the last couple of years we are beginning to grow again. This is most evident in lunch club but also in befriending.

I would like to thank all our volunteers however large or small their contribution. It is very valuable and appreciated by our clients. A special mention to Janice and Mandy our regular cooks for a number of years who both retired in the autumn. Many thanks to them. What a contribution they made.

Finding volunteer replacements is never easy but good progress has been made in most areas. A particularly difficult area for us is finding Volunteer drivers. We remain short of depth in this area, and we particularly value the support of those who have contributed during the year. We are very grateful to them. Voluntary Aid Islington has been very helpful through their volunteer hub and Volunteer Fairs

Many thanks also to Izzy Wise who contributed another solid year as Volunteer Services Co-ordinator.

We have also had valuable support from a number of corporates in assisting the delivery of our services. We love the interaction between local businesses and our clients. We are all winners from that support.

Particular thanks to all those who provided financial support which is our life blood enabling us to continue our work after 50 years to date.

We look forward to the New Year with confidence that we can build on the progress over the last 12 months.

Andrew Thompson
Chair

"My mum is always talking about the club. She says what lovely people are there."

Background

Finsbury & Clerkenwell Volunteers have their roots back in the early 1970s. The Finsbury Area Team Volunteers' Group, as the organisation was then called, was set up by the then Team Leader of the local area social services team to complement the work of the social workers, with regard to the increasing numbers of isolated elderly people in the area. In many cases, the families of these elderly people had been forced out of the area by the high cost and scarcity of housing.

Early volunteers were service users, people who lived or worked in the area and a group of medical students from Barts Hospital. A Volunteers' Organiser was appointed to recruit and manage the volunteers and to link with the social work team. The emphasis was on supplying social support and enabling people to lead independent lives, very much part of what the volunteers do today. The organisation was registered as a charity in 1974.

In August 2015 the Dorcas Befriending Project, established in 2002 and based in central Islington, was merged into FCV.

Although Finsbury and Clerkenwell Volunteers is the registered charity, we are now generally known as FCV Dorcas and we continue to operate in Finsbury and Clerkenwell, the central wards and surrounding areas of the London Borough of Islington.

While the area is situated next to the commercial hub of the City of London, the reality, according to Government Statistics, is that the borough

of Islington is the fourteenth most deprived borough in the country and the 4th most deprived nationally on the measure of income deprivation affecting older people. The volunteers work in a neighbourhood that has particularly high levels of isolated older people living in social housing.

The main focus of the work is to offer emotional and practical support to predominantly older people who have become isolated as a result of ageing, disability and other social circumstances. Our aim is to help isolated people maintain and improve the quality of their lives and combat their social isolation and avoid reliance on statutory services.

Volunteers have been recruited from local community agencies, colleges, government work schemes, various volunteering websites, local University volunteering services and recruitment fairs, local volunteer introduction services including Hands On and City Action's corporate employee involvement scheme and by word of mouth.

We have also provided experience and references for many volunteers who have moved on to paid care and related areas of work.

Requests for client services came from a number of sources including social services, health practices, self-referrals, family members and friends. In all, approx. 165 clients received services.

Our thanks and gratitude also to all those who made individual donations

Accessible Transport Project

One of our most important roles is to provide accessible transport for elderly people with mobility problems, enabling them to take advantage of community services in the borough, go on outings and maintain contact with friends.

Each of our volunteer drivers, all of whom are highly skilled in negotiating the inner city traffic as well as the narrow back roads of the area's estates, is accompanied by a volunteer escort, who walks or wheels each client to their own front door.

We have continued to provide collection services for clients in necessary circumstances during the year.

We have made the vehicle available to other organisations when their own transport has broken down or was otherwise off the road. It has always been part of our 'sharing' transport policy to help out, if possible, other groups at short notice.

Vehicle running costs came to £7,085 over the course of the year. We thank our regular drivers for continuing their very valuable contribution.

"Very enjoyable. You get picked up door to door."
Sandra G (Client)

Lunch Club & Parties

This has been another busy year for the lunch club. We continue to hold the club on Mondays and Thursdays at the Weston Rise community hall and have welcomed some new members this year.

Our members all seem to enjoy coming. They look forward to the meals, meeting up with friends and playing bingo. One of our members, John, runs a quiz every Thursday, which keeps our brains ticking over! For some of our clients, coming to the lunch club is the only social experience they have. For the rest of the week, they are stuck at home on their own.

The lunch club would not function without the help of a group of loyal and dedicated volunteers who turn up regularly to perform their duties. Unfortunately, our two cooks, Mandy and Janice, who had cooked for us for many years, had to leave us suddenly in May for health and employment reasons; this left a big gap. We have to date been unable to recruit another cook, but despite this, between Liam, Richard, Ginette, Izzy, Felicity and Martin, we have managed to provide meals, some more exciting than others!

We now have a new driver, Galen, who has been able to share the driving with Fred, Stephen and Liam. We have therefore been able to continue bringing in the more disabled and isolated clients

"Food is very nice. I've been lucky in the raffle and I do the bingo as well"
(Sharon)

to the club. Robert continues to be the main escort, as well as being our strong man for putting up the tables, ably supported by Ginette.

We have continued to have the support from various corporates. Universal McCann and Kenvue both hosted lunch club days in the Summer. These days are always very popular with our clients; they enjoy meeting young people. The young corporates are always delightful with and attentive and generous to our clients. Sometimes they bring along crafts such as origami and card making, which the clients can get involved in.

Birthdays are always celebrated. Izzy always makes the most delicious and beautiful birthday cakes which are much appreciated.

This year we returned to Whitstable in September for our annual outing. We rented a second minibus so had plenty of room for people. We had fish and chips for lunch in a pleasant little café on the east side of the town. We had been there previously and were well looked after. After lunch there was time to have a wander round the shops in the little town and to have ice creams.

"All of the volunteers really loved the experience and I've heard so many positive comments about it."
Melissa (Corporate supporter)

We had our usual Christmas lunch. Liam managed to produce a delicious meal, largely on his own. Volunteers from MUFG came to help us as they have done for many years. They make a huge difference to the day and are always so willing to do whatever is required of them. They brought along shoebox presents for all the clients. These were beautifully wrapped in scarves, Japanese style, and were much appreciated. Steve Broughton provided the entertainment. He has also been coming for many years. He is extremely popular with our clients and knows exactly what music they like.

We were delighted to welcome the Mayor of Islington, Anjna Khurana, to the party. She seemed to enjoy it and took a lot of time talking to clients and having her photograph taken with them, which was much appreciated.

Finally, a big thank you to all the volunteers who help regularly with the lunch club. It wouldn't run without you!

"It was very emotionally rewarding to engage and help out! The food was tasty too and I would love to go back regularly to make more conversation, give more of me to the elderly there. Definitely happy that I volunteered"
Tamaris (Corporate volunteer)

Befriending & Carer Support

ISLINGTON

Our befriending service is in many ways the most direct and intimate way we can help alleviate isolation amongst people, most of whom have enjoyed a full and interesting life. Often their only constraint is through age and for some that can mean they seldom leave their own homes.

Our befriending volunteers are of all ages and come from all walks of life, City lawyers, local workers, retired neighbours, students etc. The service is very well suited to people who work or have other daytime commitments, as weekly visits can be arranged in the evenings or at weekends.

The service can lead to very meaningful long-term relationships for clients and volunteers, who may never otherwise have met each other. It is potentially a very satisfying and rewarding relationship on both sides.

Izzy Wise, our Volunteer Services Co-ordinator helped make this service very effective. There have been around 50 befriending relationships

"I really appreciate the befriending service. I have had two befrienders over the last few years. They seem to match them well and their visits are something to look forward to"

Jane H (client)

during the year. The Volunteer Services Co-ordinator role involves assessing potential clients and volunteers, arranging DBS checks, running induction courses, matching volunteers with clients, monitoring the relationships and, importantly, handling all the additional matters that arise. Their enthusiasm, professionalism and efficiency are greatly appreciated by clients and volunteers alike.

The effectiveness of this project is recognised by the generous financial support from a number of local councillors through the Local Initiatives Fund. The FCV Dorcas Befriending Project is very grateful for the recognition of and support for the service and for all the financial contributions, without which the project could not continue to function.

Izzy Wise

"I thought I wouldn't have much time to carry on befriending after I had my first baby...but I started popping in to see my older friend with my new baby and it gave her so much joy that I am still visiting her now with my second child...and they love her too."

Sally (Volunteer)

"I am really happy that I found this Befriending opportunity with FCV Dorcas through my employer. Since coming down to London, I felt very lonely and miss my family and friends back home...especially my Grandparents but now I have made a new friend. Annie is like my second grandma. I see her every week and she makes me laugh so much."

Angela (Volunteer)

The Telephone Club

The Telephone Club is a highly effective and valuable service, offering a crucial link to isolated or housebound people.

In a normal year our Telephone Club volunteers come into the office or telephone from home making calls in rotation to a membership of 60 people. We are very grateful for the time and commitment put in by our 2 regular and other telephone club volunteers.

The Telephone Club clients have sometimes said that the calls are often the only social contact they have received since the last call. The volunteers give out practical advice as well as social support, helping members to sort out problems they may be experiencing.

"It's been a pleasure and felt really positive to be calling my 5 ladies during these strange times. Every week the conversations become easier and more open, and they keep me grounded and are a wonderful insight into their lives now and in the past."

Wendy (Volunteer)

"I look forward to the calls. It is my chance to have a chat and exchange news now I can't get out of the flat very easily."

Karen B (Client)

Outings

For people who rarely go far from home, if they are able to go out at all, there is an obvious benefit in escaping the inner city environment and spending the day with their friends in a countryside or seaside location.

This past year, thanks to Fred, Stephen, Galen and Edward, our wonderful Minibus drivers, our Lunch Club and Befriending members have been able to go on many different outings and monthly shopping trips.

Special outings have included day trips to Whitstable and Southend with the volunteer support of corporate supporters. Universal McCann (UM) have also generously hosted us for afternoon tea and lunch at their prestigious offices opposite The Old Bailey. Special thanks must go to UM Volunteer, Veronica Moro, who has helped to facilitate our Partnership.

Assisted Shopping Trips

Throughout the year FCV Dorcas organises assisted shopping trips to local supermarkets and large shopping centres further afield. These outings are offered to clients in rotation so that everyone who wishes to participate will get an opportunity to do so during the course of the year.

“I really enjoy the shopping trips. It has a practical purpose but it is a nice atmosphere and we often stop for lunch.”

Maria M (Client)

This door-to-door service accommodates wheelchair and shopping trolley users and supplies volunteer ‘pushers’ and carriers where needed. Being able to see and choose food and clothes, rather than ordering via a third party, is much appreciated by the regular and new clients who use this service. It is widely considered an important aspect of remaining independent and feeling in control.

The service allows shoppers to select Christmas, birthday and other presents for friends and family to maintain a personal touch, and also visit larger shops that offer more choice. The door-to-door assisted service means they are not restricted in the amount they are able to purchase. The excursion is also an opportunity to socialise and to have a meal out for those who want it.

Destinations normally include stores in Leyton, Haringey, Holloway's Nags Head shopping area, Tottenham Hale, Chingford, Elephant & Castle, Old Kent Road, Wood Green shopping city, a garden centre in Enfield and other local markets.

DIY & Gardening

We receive many referrals for practical tasks such as decorating, DIY and gardening. Some of these may be passed on to other more appropriate agencies set up to deal with these requests.

It is our general policy not to ask volunteers to take on work that would normally be considered 'paid' work.

However, these requests might include simple tasks such as taking down and re-hanging curtains, tidying up gardens or re-arranging furniture. These tasks are way beyond the capability of most of our service users and sometimes they have nobody to turn to. The volunteers have continued to fill that gap.

Art Club

Another wonderfully successful year of Creative Projects with CREATE ARTS sponsored and hosted by our generous friends at ASHURST LLB Members who took part in this special monthly opportunity said it was “such enjoyable and fun sessions...

...and the Free lunches (especially the sausage rolls!)” are wonderful!.. the CREATE ARTS Team and Ashurst Volunteers seemed to agree! Our Members love taking part and being able to take their lovely creative projects home to show friends and family and display them proudly! We are all looking forward to more creating in the coming year Thanks to our friends at CREATE ARTS and ASHURST LLB.

Art Group members also join in with the special outings and seaside trips.

“I really am enjoying being creative and learning and playing with new crafts at every visit.”

(Client)

“It’s great to receive support sometimes. I have no children, live alone, and any family are miles away. Thank you for encouraging me to attend Create sessions at Ashurst”

(Client)

“The Ashurst sessions allow me to eat, chat, and create with others. The volunteers also provide a chance for pleasant cross-generational conversations that I rarely get otherwise.”

Lucia's Story

Rosaria's report about Lucia:

Mum was born in East Africa in a place called Asmara in Eritrea, during the Italian colonisation of that part of Africa.

She came to the UK 30 years ago to be with me. She lived in Italy prior to coming to the UK, living with friends

She has four children, two in America, one in Italy and me here, the youngest. Mum also adopted a child which she brought with her to the UK; she is now 36 years of age.

In terms of jobs, she has done a bit of this and that; she has worked in a launderette, been a cashier in different stores but her main passion and income was crocheting young children's clothing, dresses, hats, socks, jumpers and skirts.

In the UK she has done a lot of volunteering, in charity shops etc.

Our dad died early on, so she brought us up single-handed, cooking at events etc.

Her Italian dad taught her to cook from a very young age so she used to cook different meals for her family over the years.

Unfortunately, after the pandemic lockdown she felt isolated and alone.

She has been diagnosed with dementia, she doesn't cook any more, she doesn't see friends as much and her main highlight of the week is coming to the lunch club.

Since she started going to the lunch club, I feel she has regained a bit of her freedom, a place where she can be herself. She looks forward to the few days a week.

She has always been active, always loved socialising, so the lunch club and in particular the art workshop is a way for her to reconnect with people in a safe and fun environment.

She talks about what she did in the lunch club all the time. She really likes the staff.

Mum has 6 grandchildren, 2 are my lovely daughters of 18 and 20, whom she sees often. The others are abroad.

Mum is now mostly housebound, she's not able to take public transport, she doesn't leave her house alone and is pretty much waiting on someone to prepare her meal and take her out for medical appointments.

Coming to the lunch club gives her some freedom, she doesn't have to bother (like she says) people to take her out. She gets picked up, a carer gives her medication and she's ready to go. The lunch club gives her hope, she looks forward to the Mondays and Thursdays.

The workshop is her favourite. It has given her confidence, she loves getting rewarded and being told she's done very well. She can't wait to show me and the grandchildren what she's made. She's also grateful and tells me how hard the staff work.

VAI Volunteers of the Year 2025

Older Volunteer of the year 60+

Izzy Wise, our Volunteer Services' Co-ordinator, nominated Felicity Hart for this award.

Felicity has been involved with FCV Dorcas for many years and has been on the management committee and a trustee since her retirement in 2009. She has worked tirelessly to keep our lunch club running every Monday and Thursday, despite many challenges over the years with

transport, staffing and various other major and minor crises. She has shown her genuine care by working several hours in her own time and over holidays, calling and visiting the older isolated lunch club members at home or in hospital to chat and to make sure they were fine.

Felicity received "Highly Commended" for this award, in recognition of her work with the lunch club and its clients.

Volunteer Summary

Each year we talk to a volunteer to hear their thoughts about their experience with FCV Dorcas. This year we spoke to Galen Troup.

Have you always lived in the area?

I've lived in or near London my whole life, but only moved to Islington in 2023, after betraying South London for North.

What volunteering do you do?

I drive the minibas once a week for the Lunch Club – picking up guests in the morning, and dropping them off in the afternoon. I also help out where I can at lunch – serving teas and coffees, and chatting to the guests.

How did you come to get involved with FCV Dorcas?

My dad, Edward, also drives for the Lunch Club – he recommended it when I was looking for volunteering opportunities during a career break. FCV needed more drivers, and I thought it might be quite a fun challenge!

How do you feel about your volunteering experience?

I've found it very rewarding – it's been fun getting to know all the guests, and learning how

to navigate the busy and sometime narrow streets of Islington in a rather large minibas.

What is the most challenging aspect of your contribution?

Avoiding getting too angry at inconsiderate drivers on the roads!

What do you enjoy most about volunteering

Feeling that I've made a difference to the guests' weeks – particularly those who might struggle to get out and about otherwise.

Has it made a difference to you?

It's certainly improved my driving, and use of wing mirrors! It's also brought me in touch with a very diverse and interesting group of people – both the guests and the other volunteers.

Would you recommend the project?

It's a brilliant project and a great bunch of people – so yes!

The financial statements are required by law to give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period together with its assets & liabilities at the end of the period, and adequately distinguish any material special trust or other restricted fund of the charity.

In preparing these financial statements, the trustees are required to:

TRUSTEES REPORT
YEAR ENDED 31 MARCH 2025**

The trustees present their report and accounts for year ended 31st March 2025. They have compiled with guidance issued by the Charity Commission

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Management Committee meet at six weekly intervals where reports are heard from the Treasurer and the part-time Volunteer Services Co-ordinator. Current and future activities are discussed, adapting policy as necessary.

The trustees meet quarterly.

Trustees are elected at the Annual General Meeting (AGM).

Trustees may be co-opted during the course of the year but must stand for election at the next AGM when executive officers including the Chair, Secretary and Treasurer are appointed.

Isabella Wise was the part-time Volunteer Services Co-ordinator reporting to members of the Management Committee from May 2019.

Accounts are subject to an annual independent examination.

OBJECTIVES

The constitution's objective is to relieve those in the area of benefit who are in circumstances of need, hardship and distress as a result of age, disability or otherwise by recruiting, placing and supervising a team of volunteers to maintain and improve their quality of life.

ACTIVITIES

The services provided to maintain the above objectives are detailed elsewhere in the Annual Report. They include befriending, accessible transport, lunch club facilities, telephone counselling, assisted shopping trips, outings, holidays and practical tasks.

FINANCIAL REVIEW

The statement of Financial Activities shows a total income for the year of £42,392 and expenditure of £28,190, resulting in a profit of £14,202 for the year. The unrestricted funds was £29,528 by the end of the year.

FUTURE PLANS

There is an ongoing plan to increase free reserves in case of problems with our existing funding streams which need to be monitored and maintained.

**FINSBURY & CLERKENWELL VOLUNTEERS
TRUSTEES REPORT
YEAR ENDED 31 MARCH 2025**

RISK MANAGEMENT

The trustees have a risk management strategy, which comprises of:

- * An annual review of the risks the charity may face;
- * The establishment of systems & procedures to mitigate those risks identified in the plan: &
- * The implementation of procedures designed to minimise any potential impact on the charity should those risks materialise.

RESPONSIBILITIES OF THE TRUSTEES

Charity law requires the trustees to prepare financial statements for each financial year. The financial statements are required by law to give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period together with its assets & liabilities at the end of the period, and adequately distinguish any material special trust or other restricted fund of the charity.

In preparing these financial statements, the trustees are required to:

- * select suitable accounting policies and then apply them consistently;
- * make judgements and estimates that are reasonable and prudent;
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the SORPS issued by the Charities Commission. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

Approved by the trustees on 11.12.25 and signed on its behalf by:-

Andrew Thompson, Chair

INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS
YEAR ENDED 31 MARCH 2025**

I have examined the accounts of the charity for the year ended 31st March 2025, which are set out on pages 5 to 12.

RESPECTIVE RESPONSIBILITIES OF THE TRUSTEES AND EXAMINER

As the trustees of the charity, you are responsible for the preparation of the accounts; you consider that the audit requirement of section 43(2) Charities Act does not apply. It is my responsibility to state, on the basis of procedures specified in the General directions given by the Charity Commissioners under section 43(7)(b) of the Act, whether particular matters have come to my notice.

BASIS OF EXAMINER'S REPORT

This report is in respect of examination carried out in accordance with The General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the organisation and a comparison of the accounts with those records. It also includes a consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not constitute an audit.

EXAMINER'S STATEMENT

Based on my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect accounting records have not been kept in accordance with section 41 of the Act, or that the accounts presented do not accord with those records or comply with the accounting requirements of the Act. No matter has come to my attention in connection with my examination to which, in my opinion, attention should be drawn to enable a proper understanding of the accounts.
