Trustees' Report
for the year ended

31 March 2024

The trustees present their report and the financial statements for the year ended 31 March 2024. This Trustees Report and the associated Financial Statements have been prepared in accordance with guidance for preparing Charity Accounts and Reports presented in “Accounting and Reporting by Charities: Statement of Recommended Practice” and are therefore in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (effective 1 January 2019) – (Charities SORP FRS 102) together with the Charity's constitution.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity's governing document is its Trust Deed. It is governed by a Board of Trustees who meet regularly during the year. The trustees are responsible for managing and running of the charity as it does not employ any staff to reduce costs.

OBJECTIVES, ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE

The objective of the Transplant Games and Recreational Fund (TGRF) is to provide funds to promote wellbeing and enable patients up to the age of 17 years who are under the care of the Renal Unit at Great Ormond Street Hospital for Children NHS Trust to partake in recreational pursuits and attend the British Transplant Games and other Transplant events.

The TGRF aim is to support all current Renal Transplant Patients at Great Ormond Street Hospital who are medically eligible to attend the British Transplant Games the opportunity to attend. All families who attend the games for the first time, attend free of charge so they can experience the event for the first time without any financial implications. The charity aims to support returning families with a fifty percent subsidy in their accommodation costs for the transplant recipient and their immediate family. The games registration costs will also be subsidised. If there are sufficient funds, further financial support will be considered on a case-by-case basis for families who require it. Financial support for other events such as the Winter Transplant Games and the World Transplant games will also be considered.

STATEMENT OF PUBLIC BENEFIT

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning its future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives that have been set.

RESERVE POLICY

The reserves policy is that at least 6 months expenditure to be retained as reserves at all times. In this financial year the reserves met the target due to increase in fundraising efforts from families.

FINANCIAL REVIEW

The Charity's total income and expenditure for the year were £31,152 (2023:£18,671) and £38,270 (2023:£21,230) respectively. The charity's net expenditure for the year stood at £7,118 (2023: £2,559). At the year end, the Charity had total reserves of £22,183 (2023:£29,301).

Going Concern

The trustees are satisfied that the charity will continue to be a going concern for the foreseeable future.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charities SORP;
- c) make judgments and accounting estimates that are reasonable and prudent;
- d) state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Board of Trustees on 06.01.2025..... and signed on its behalf.

The charitable company meets the definition of a public benefit entity under FRS 102.

c) Going concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.
