## **THE BLAVATSKY TRUST**

### **TRUSTEES' REPORT FOR THE YEAR ENDED 5 APRIL 2022**

The Trustees present their annual report together with the financial statements of the Charity for the 6 April 2021 to 5 April 2022.

#### **Objectives and activities**

##### **a. Policies and objectives**

The principal object of the Trust is to advance education in and promote the study or research of religion, philosophy and science and to disseminate the results of such study and research to the public.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities.

##### **b. Activities undertaken to achieve objectives**

The Trust continues to achieve its objectives of furthering the education and study of Theosophy by supporting the Copenhagen Centre for the Study of Theosophy and Esotericism, part of the Department of Cross-Cultural and Regional Studies at the University of Copenhagen. At present it funds the post of Assistant Professor and co-finances a PhD candidate.

Post-graduate research work is funded at the University of Haifa in Israel, and also a MRes candidate at the University of Wales, Lampeter.

The Trust continues to sponsor the European School of Theosophy, together with its media publications. The School has, throughout this year, provided a full programme of online events, virtually all of which have been available to the public. The work of the school also includes the running of the International Theosophical History Conference.

The Trust continues to run its own informative website which gives an introduction to Theosophy.

#### **Achievements and performance**

##### **a. Key performance indicators**

The Trust is reliant on its income from investments held with CCLA, which totalled £82,789 for the year (2021 - £80,884).

A total sum of £162,143 (2021 - £167,944) was spent on Charitable Activities in the year. This is similar to prior year and continues the larger grants awarded by the Trust for education and educational institutions.

The Trust has made an overall net surplus of £164,036 (2021 - net surplus £244,618). This is due to the increase in the investment portfolio valuation at 5 April 2022.

## **THE BLAVATSKY TRUST**

### **TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 5 APRIL 2022**

#### **Achievements and performance (continued)**

##### **b. Review of activities**

The Trust maximised the funds invested in securities in the year. The Trustees are of the opinion that the Trust's assets are adequate to fulfil the obligations of the Charity. The cash received from a property sale and large legacy in 2005 has been placed in fixed asset investments which continue to generate investment to help fund the charity's objectives.

The Trust has plans to increase its grants significantly with the raising of the level of support for the Copenhagen Centre for the Study of Theosophy and Esotericism at the University of Copenhagen. Funding for the post of Assistant Professor and co-financing of one PhD candidate will continue as a minimum.

The post-graduate research work at the University of Haifa continued until February this year (2022), having contributed towards a successful course and talks. The MRes candidate at Lampeter University has continued with her research, and we look forward to receiving her report, which is expected in Autumn 2023.

The Trust continues its support of the European School of Theosophy and the International Theosophical History Conference, which again have operated mainly online this year. Successful online conferences were held by both organisations in October 2021. With the resuming of travel following the pandemic, face-to-face conferences were planned for October 2022, at the International Theosophical Centre at Naarden, The Netherlands. NB These were able to take place and were highly successful.

The Assistant Professor and PhD at the Copenhagen Centre have contributed towards the European School and also supported and planned the History Conferences. The full range of talks at all these events is available online.

The Blavatsky Trust continues to add informative talks and videos to its website, especially by the Trust's founder and prominent Theosophical speaker and writer, Geoffrey Farthing. It is also planned to re-institute Blavatsky Weekends, to study the writings and teachings of Theosophy. These will be held in the UK and will be open to the public.

Peace Mala published an excellent small book for children this year, about the life of one of the co-founders of the modern Theosophical movement, entitled 'Madame Blavatsky and the Masters of Wisdom.'

The trustees approve the grants made by the Trust.

##### **c. Investment policy and performance**

The Trustees' policy is to invest in a wide range of investments to ensure the capital of the Trust is maintained. While the impact of Covid 19 has been assessed, the investment portfolio has been recovering since the end of the 2020 financial year end. However if there is a decrease in income, the capital of the Trust will need to be drawn on to fulfil its planned activities.

The Trustees have elected to hold the investments in accumulated pooled investment and property funds. Details are included in the notes to these financial statements.

#### **Financial review**

##### **a. Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The trustees have reviewed the impact of COVID-19 on the investment portfolio and believe the charity has adequate resources for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

## **THE BLAVATSKY TRUST**

### **TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 5 APRIL 2022**

#### **b. Reserves policy**

The Trust's reserve policy is to maintain general unrestricted reserves which are neither allowed to become excessive as a result of the unjustifiable accumulation of income nor so low as to be inadequate to meet the grant making objectives. The Trust aims to maintain adequate funds to ensure the smooth running of the Charity and the continual funding of advancement in Theosophical education.

#### **Structure, governance and management**

##### **a. Constitution**

The Blavatsky Trust is a registered charity (number 268913), and is governed by a Trust Deed dated 15 November 1974 as amended by a deed of variation dated 18 November 1992 and deed of amendment dated 26 July 2018.

##### **b. Methods of appointment or election of Trustees**

New Trustees are appointed on a unanimous decision of the existing Managing Trustees. The number of Trustees should not be fewer than 3 or more than 7.

The recruitment of potential new Trustees is discussed at the Trustee meetings and once a suitable candidate has been identified, he/she is invited to meet the Chairman. Once all of the Trustees are satisfied, the appointment as Trustee is confirmed in writing. The new Trustee is given documentation relating to their responsibilities under Charity Law, a copy of the Governing Document and most recent Trustees' Report and Annual Financial Statements. There is no formal induction programme for new Trustees. Periodic assessments by the Trustees of their duties has led to further training or meetings with advisors if necessary.

##### **c. Risk management and internal control**

The Trustees have a risk management strategy which includes an ongoing review of the major risks the Trust may face and the establishment of systems and procedures to mitigate those risks identified.

The key controls used by the Trustees include formal reporting of all operations and activities affecting the Trust, including formal agendas and minutes of meetings held. The Trust also engages external professional advisors to assist as and when necessary.

Approved by order of the members of the board of Trustees and signed on their behalf by:

## **THE BLAVATSKY TRUST**

### **INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 5 APRIL 2022**

#### **Independent Examiner's Report to the Trustees of The Blavatsky Trust ('the Charity')**

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 5 April 2022.

#### **Responsibilities and Basis of Report**

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent Examiner's Statement**

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Dated: 9 December 2022

## THE BLAVATSKY TRUST

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2022

#### 1. Accounting policies

##### 1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Blavatsky Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

No statement of cash flows has been provided as the charity is small under the Charities SORP (FRS 102).

The financial statements are presented in sterling and rounded to the nearest £1.

##### 1.2 Going concern

The financial statements are prepared on a going concern basis as the Trustees consider that the Trust has adequate funds to meet its requirements. The Trustees have also considered the effects of COVID-19 and Brexit and have a reasonable expectation the Trust will continue in operational existence for the foreseeable future.

##### 1.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

##### 1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Charitable activities and Governance costs are costs incurred on the Charity's educational operations, including support costs and costs relating to the governance of the Charity apportioned to charitable activities.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 5 APRIL 2022**

**1. Accounting policies (continued)**

**1.4 Expenditure (continued)**

All expenditure is inclusive of irrecoverable VAT.

**1.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the Bank.

**1.6 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

**1.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

**1.9 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1.10 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

All income and expenditure relates to unrestricted funds.
