## **Charity Reference and Administrative Details**

The Trustees present their report and the financial statements of the charity for the year ended 31<sup>st</sup> December 2022. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the Charity.

### **Trustees of the Charity**

The trustees who have served during the year and since the year end are detailed in the section on Charitable Details above.

### **Governing Document**

The Charity was formed in 1975 by resolution of the Finance committee of the Provisional Grand Lodge of Devonshire of Ancient and Accepted Masons of England (The Provincial Grand Lodge). Its governing document is the declaration of trust dated 3<sup>rd</sup> March 1975 as amended on 5<sup>th</sup> February 2007 in agreement with the Charity Commissioners authority dated 26<sup>th</sup> October 2006.

### **Objectives and Activities**

The objectives of the Charity are the relief of poor and distressed Brother Masons, the relief of poor and distressed widows and children of Brother Masons, also to benefit such Masonic or other Non-Masonic Charities, and to provide local support for Community projects as directed by the Trustees.

The principal continuing activities of the Charity are the collection of charitable donations from Brother Masons the claiming of any available income tax refunds and the making of charitable grants in accordance with the wishes of the donor Brethren or as directed by the Trustees.

Due to the efficiency of the administrative systems and the time freely given by volunteers the administrative expenses are modest.

The grant objectives are aimed at distributing all of the income. The investment policy is to maintain a portfolio to create an annual income for distribution.

### **Public Benefit Statement**

During the year as in previous years various Charities were identified and with the gradual lifting of coronavirus restrictions, assistance was given via two functions, and Trustees visits. In all some 56 awards were made totalling £74,030 (2021 £46,430). Lodges have met during this year, but with much reduced attendance, so fund raising and assistance requests have been slow. However, amongst those benefiting this year were:-

Youth organisations and clubs. Cancer, Dementia, and other medical support Charities. Organisations for the support of the elderly and disadvantaged members of the community. The Ukrainian appeals. Small local organisations in contributing towards infrastructure projects.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives in planning future activities.

**Achievements, Performance and Financial Review**

The format of the financial statements complies with the accounting requirement of the Charities Act 2011 and with the Statement of Recommended Practice "Accounting and Reporting by Charities". The financial statements and the accounting policies thus comply with all of the current statutory requirements and with the governing document.

	<b>£</b>	<b>£</b>
The total Investment Income of the Charity (net of fund manager's fees) was:-	124,127	115,913
The continuing generosity of the Brethren of the Province is shown by the level of the donations (gifts) received, which was	2,410	3,690
Management and administrative expenses were:-	5,169	3,588
The market value of the investments held at the end of the year was:-	5,007,865	5,632,937

The principal assets of the fund comprise stock exchange securities and deposits. The drop in fund value is the result of the upheaval in the financial markets during this year. Significant cash is currently being held by our Brokers, who are paying particular attention to Market fluctuations following these fluctuations , and the after effects of the coronavirus outbreak.

Lodges have begun opening again but numbers attending are very low and estimated at 50% of pre-covid attendance. This has had the dual effect of lower income and less assistance requests. This was anticipated and the Trustees have reacted accordingly. They believe income will not increase from this year's levels, but assistance requests will increase. The Trustees are determined to maintain the fund's charitable grants policy, and they are keeping the situation constantly under review.

**Investment Policy Statement**

The Investment Policy Statement was submitted to Brewin Dolphin Securities Ltd in accordance with The Trustee Act 2000.

The Policy Statement was prepared and agreed by the Trustees of The Benevolent fund and provides guidance as to how the asset management functions delegate to Brewin Dolphin Securities Ltd by the Trustees should be exercised. The policy is reviewed on a regular basis.

**Investment Objective**

The Trustees intend that the real value of their assets and income be maintained and enhanced over the long term by investment in a portfolio comprised of equities, fixed income stocks, indirect property investment and cash.

**Investment Brief**

In order to meet these objectives the Trustees have appointed Brewin Dolphin Securities Ltd as their agent to manage a diversified portfolio of suitable investments on a discretionary basis. The Trustees have selected an investment objective of a balance between income and capital growth.

The proportions invested in different asset classes shall be reviewed with Brewin Dolphin from time to time to provide guidance on the ongoing suitability of that element of investment policy. The Trustees have no particular ethical considerations that they would wish Brewin Dolphin to take into account when deciding on whether a particular investment is suitable.

**Structure, Governance and Management**

**Appointment of Trustees and Officers**

The governing document of the 3<sup>rd</sup> March 1975 (as amended) confirmed it was the responsibility of the Provincial Finance Committee to appoint or remove Trustees. Any Trustee so appointed, must be a member of the Provincial Grand Lodge of Devonshire. The person or persons in whom the statutory power is vested shall then by deed, be appointed to act as a Trustee.

It is the responsibility of the Trustees to prudently manage the activities, investment risk and administration of the funds held by the Charity.

It is also the responsibility of the Trustees to stimulate, advise, influence and co-ordinate, but not to direct, the Charitable giving of all the Lodges in the Province of Devonshire.

It is the general policy of the Charity to keep administrative and management costs to the minimum level, consistent with efficient and accurate stewardship of the funds entrusted to the Charity.

**Trustee Induction and Training**

New Trustees undergo an orientation day to brief them on their legal obligations under Charity Law, the Trustee's role in stimulating, advising, influencing and co-ordinating, but not directing the charitable giving of all Lodges and Brethren in the Province.

Trustees are encouraged to attend appropriate external conferences and seminars where these will facilitate a greater understanding of their responsibilities and their duties to manage the Investments of the Benevolent Fund in conjunction with the appointed investment managers.

**Risk Management**

The Trustees have a risk management policy and have examined the major risks which the Charity faces and confirm that systems have been established to mitigate those risks.

The only major risk identified is that of investment returns on our income for the Fund which has been amply demonstrated by the extreme volatility in World stock markets, the Trustees feel that this was materially strengthened with the appointment of professional Investment Fund Managers and the Trustees stringent investment policy.

The nature of the Benevolent Fund is such that the Trustees do not see any need for a Reserves policy but this is constantly reviewed by the Trustees.

**Trustees Responsibilities Statement**

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to Charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period. In preparing these financial statements the Trustees are required to:

Select suitable accounting policies and then apply them consistently.

Observe the methods and principles in the Charities SORP 2019 (FRS 102).

Make judgements and estimates that are reasonable and prudent.

State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Independent Examiner's Report to the Trustees of Provincial Grand Lodge of Devonshire Benevolent Fund.**

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31<sup>st</sup> December 2022 which are set out on pages 9 to 19.

**Responsibilities and basis of report**

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Summary of significant accounting policies**

**A – General information and basis of preparation**

The Provincial Grand Lodge of Devonshire is a charitable trust in the United Kingdom. The address of the registered office is given in the charity information on page 2 of these financial statements. The nature of the charity's operations and principal activities are described in detail in the Trustees Report.

The charity constitutes a public benefit entity as defined by FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011. The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The trust constitutes a public benefit entity as defined by FRS 102.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

**B – Funds**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aims and use of each designated fund are set out in the notes to the financial statements.

Endowment funds represent those assets which must be held permanently by the charity, principally the WAKE fund. Income arising on the endowment fund can be used in accordance with the objects of the charity and is included as endowment income. Any capital gains or losses arising on the investments form part of the fund. Investment management charges and legal advice relating to the funds form part of the fund. Investment management charges and legal advice relating to the fund are charged against the fund.

**Provincial Grand Lodge of Devonshire Benevolent Fund**  
**Notes to the Financial Statements**  
**Year ended 31<sup>st</sup> December 2022**

**Page 12**

**C – Income recognition**

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement deal in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable. It can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the value of the gift to the charity. For example the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102). Further detail is given in the Trustee's Annual Report.

For legacies, the entitlement is the earlier of the charity being notified of an impending distribution of the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charity however it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends interest and rent. Where it is not practicable to recognise investment management costs incurred with in a scheme with reasonable accuracy the investment income is reported net of these costs. It is included when the amount can be measured reliably. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the charity's right to receive payment is established.

**D – Expenditure Recognition**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

Expenditure on charitable activities include grants awarded to institutions and individuals; and

Other expenditure represents those items not falling into the categories above including investment management fees.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose

Grants payable to third parties are within the chargeable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance the grant is only accrued when any unfulfilled conditions are outside of the control of the charity
