MIRIAM DEAN REFUGEE TRUST FUND

REPORT OF THE TRUSTEES

For The Year Ended 31 December 2022

The Trustees of the Miriam Dean Refugee Trust Fund (Miriam Dean Fund or the Fund) present their report with the Unaudited Financial Statements of the charity for the year ended 31 December 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Mission Statement

The Trustees feel that the Fund's guiding principle is well expressed in our strap-line '**Reaching out to the world's poorest**' which we believe, effectively encapsulates our mission statement. We aim to do what we can to benefit some of the poorest people and communities in the world, wherever we find them.

Given that we are only a comparatively small charity, we accept the limited difference that we can make to such a broadly defined group of potential beneficiaries. Nevertheless, the partners and projects that we support are selected because we believe that the beneficiaries are indeed among the world's poorest - and that the money we send will make a real difference to the well-being of the few that we are able to reach. We feel this echoes Miriam's response when visiting Germany in 1947: she later wrote that she had felt moved "to lift just a tiny corner in this vast weight of suffering".

Public benefit

In deciding on grants to be made each year, both for annual maintenance and for one-off items, the Trustees have regard to the Charity Commission's general guidance on public benefit and the prevention and relief of poverty. We also ensure that all grants made are in line with our charitable objects and the provisions of our Trust Deed. Whilst some of our partners are Christian organisations, we assure ourselves that they serve the poor and disadvantaged in their areas irrespective of race, sexual orientation, religion, creed, age or gender and avoid evangelisation or attempted conversion.

OBJECTIVES AND ACTIVITIES

Grantmaking

Our regular policies and commitments in respect of grant-making are described below. Applying those in the early part of the year (grants are generally made in April), brought the planning figure for grants in 2022 to a little under £140k. We also planned a second tranches of special grants in respect of recovery from the COVID-19 Pandemic (£34.5k) which had been made possible as we were a terminating beneficiary of a family trust. Ultimately, the total we sent overseas was slightly more at £179.8k, but we feel that this total met the needs expressed and was affordable.

In 2022 we supported the following partners with Annual Maintenance Grants (AMG):

- o AHM TRUST in Dharmathupatti, near Bodinayakanur, Tamil Nadu: its medical clinic provides primary health care for the poor and its work has expanded to include outreach programmes in their area, aimed at raising awareness of HIV/AIDs and promoting prevention techniques; providing training opportunities for young people; care for both male and female elderly and a home for abandoned and orphaned children.
- o JEEVAN JYOTHI HOSPICE at Peryakulam, near Theni, Tamil Nadu: a 40-bed facility with ancillary out-patient provision, including training and outreach programmes focussed particularly on HIV/AIDs treatment.
- o HOLY CROSS SPECIAL SCHOOL in Mannackanad, near Pala, in Kerala: provides education for physically and mentally handicapped pupils and training opportunities for young people as they come to the end of their schooling provision.
- o RURAL AREA DEVELOPMENT TRUST (RUADT): provides education and physiotherapy for mentally handicapped children and young people as well as accommodation and support for physically handicapped youngsters in Dharmathupatti near Bodinayakanur, Tamil Nadu. In addition, we support their work with the elderly.
- o LOAVES AND FISHES NETWORK (L&FN): operates extensively in and around East London in South Africa, supporting pre-schools for poor and disadvantaged children.
- o The COMMUNITY ORGANISATION DEVELOPMENT INITIATIVE (CODI): provides educational support and vocational training for young men in the Kawangware area in Nairobi, Kenya.

AMG are made in support of known programmes which have been seen on visits by the trustees and change little from year to year. As in the previous year we gave agreement to several partners to vary the delivery of their main programmes in countering the effects of COVID-19.

One-off grants were also planned as follows:

- o Photovoltaic generation equipment for the AHM Trust.
- o Support to a Life-coping Skills programme and some laptop computers for the DEEPAM organisation which aims to improve educational outcomes for Dalit children in poor rural villages and urban communities around Vathalagundu, near Dindigul, Tamil Nadu.
- o Redecoration of buildings at JEEVAN JYOTHI.
- o A new playground for the HOLY CROSS SPECIAL SCHOOL, Mannackanad.
- o Fencing of the campus at RUADT.
- o Books for 22 Early Childhood Development Centres via L&FN.
- o Setting up 2 new barber businesses and some textbooks for CODI.
- o Sponsorship for 'Elderlies' at the Tibetan Homes Foundation, northern India.

ACHIEVEMENT AND PERFORMANCE

As in the previous two years, we held video-call sessions with each partner: one in the spring to discuss grants and a catch up in the autumn. We are also in regular contact by e-mail. As previously noted, this provides a greater frequency of contact than before the pandemic, but towards the end of the year we made plans to resume visits to partners in southern India (which took place in February 2023).

We sense that supporters' groups, which have previously requested visits which the Trustees are keen to accept, have not resumed their meetings after the pandemic. The website, newsletters and occasional e-mails have continued as the mainstay of our contact, and we held the annual coffee morning at St Nicolas, Newbury.

FINANCIAL REVIEW

Within our overall arrangements, the Trustees operate a single restricted fund; Christopher's Fund was established to support annual maintenance at the Holy Cross Special School, Mannackanad which it continues to do.

The Trustees aim to ensure that adequate funds are held to ensure that the charitable activities of the Fund can continue for the future. Notwithstanding last year's outturn (see below), we believe the reserves to be sufficient to enable the Fund to continue sending grants to our partners and others, at about the level achieved in recent years, for the next twelve months and for a couple of years ahead.

We operate two formal policies regarding our funds. Firstly, all legacies received are credited to a Reserve (LR) which is to be spent within an approximately 7-year period; ie. ~15% of the LR will be spent each year. Secondly, many of our partners need annual grants principally to pay loyal staff who deliver services to their communities. Our policy is that an AMG, once made to a partner, is guaranteed at the same cash level for two further years (1+2); we believe this offers the partner the necessary stability to plan activities.

The year produced a significant downturn in the fortunes of the Fund. Continuing the post-pandemic trend, after generous responses to that in 2021, our regular income declined by a further 25%, nearly 20% of which was from a single donation which a strong supporter had bid for from their company's CSR funds. Whilst investment income held up, the capital value of our CAF Investment Fund had declined markedly at year-end. The Trustees approached grant-making in 2023 with caution.

Summary

Income		Expenditure	
Donations (inc. Gift Aid)	£50.5k	Routine grants to partners	£145.3k
		COVID recovery grants to partners	£ 34.5k
Legacies	£11.5k		
Investment income	£18.6k	Expenses	£ 6.7k
Total	£80.6k	Total	£186.5k

(The summary above is presented in rounded cash terms and may not align completely with the formal accounts which follow.)

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Fund is controlled by its governing document, a deed of trust, and is an unincorporated charity.

Recruitment and appointment of new trustees

Current Trustees are permitted to recruit and appoint like-minded individuals to become trustees of the Charity. The decision to appoint is at the discretion of the current Trustees.

Management

The Fund has no paid staff, no accommodation and no fixed outgoings.

Whilst all expenses are reimbursed and the cost of travelling is paid by the Fund, all of the work involved in administering the Fund is undertaken by the five Trustees without remuneration. All of the Fund's expenses are more than covered by income from funds retained in accordance with the policies described above. The Trustees feel that this enables us to justifiably claim that we send overseas everything given by supporters ('every penny given goes').

Risk management

All Trustees acknowledge that we have a duty to identify and review the risks to which the Fund is exposed, and we ensure appropriate controls are in place to provide reasonable assurance against fraud and error. We take out suitable insurance to provide further protection against such risks. It is a guiding principle that trustees visit our partners (except those in receipt of small amounts) every couple of years.

I report to the charity trustees on my examination of the accounts of Miriam Dean Refugee Trust Fund (the Trust) for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 December 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Overall risk to operations

In common with many other charities, the outbreak of COVID-19 in the UK and the measures being taken to control its spread, have had an impact on our organisation. The impact is not considered to have been significant and the Charity has still managed to remain in surplus.

Following the year end, there have been no substantial developments that would affect the Charity's ability to continue its activities. The Charity has therefore determined that there are no post balance sheet events and accordingly, the financial position as at, and results of the operations for, the year ended 31 December 2021 have not been adjusted to reflect their impact.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Assets are recognised as soon as it is probable that future economic benefit associated with the item will flow to the Trust and the item has a cost value that can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grant commitments in respect of subsequent years, that have been agreed by trustees and advised to the recipients, are accrued using the sterling equivalent of the grant committed in local currency, using the rate in force at the year end.

Any change to the rate at the time of the payment of the grant is recognised and reported as a realised gain or loss in the year of payment.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Foreign currencies

Grants committed are accrued at the sterling equivalent, translated using the applicable exchange rate. Any variance between the rate of translation on the date of commitment and the date of payment, is considered to be part of the grant and expensed as such.
