ANNUAL REPORT OF THE TRUSTEES

ACCOUNTS FOR THE YEAR ENDED 31st MARCH 2025.

The Trustees present their general and financial report for the year ending 31st March 2025.

Background

Newham North Islamic Association hereafter known as NNIA was established in May' 1974 mainly to cater for religious, social and cultural needs of the growing Muslim community in the area. It started its activities by congregating in a house, for prayers and main religious events. However, the accommodation was too small for the large number of Muslims and subsequently moved into Durning Hall, Forest Gate, London E7. The elders of the local community embarked into fund raising and managed to buy the present site known as: 88 Green Street, E7 8JG, through donations from the local community.

These premises were later developed into a large Mosque and Community Centre in phases since early 1990s. Later in continuation of the development of this Community Centre, 140 Whyteville Road, E7, was purchased which was designed to enable separate facilities for women's use and has been extremely successful.

The current premises are being continually upgraded to maximise its use, increase facilities and amenities to reflect the changing needs. A number of improvements have been undertaken to improve accessibility, safety and security for the users.

Governing Document

The Charity is governed by the constitution of Newham North Islamic Association.

Induction and training of new Trustees

All trustees are given, in the view of the board, sufficient training as knowledge to understand the nature of the Charity so that they can fully comply with the Charity's current view of its progression. They are required to participate in an orientation day to ensure they are aware of both their legal and professional responsibilities under Charity and Company Law.

Organisational Structure

The Charity has 13 elected Executive Committee Members plus two reserved 'seats' for women. The Executive Committee is responsible for the general running and management of the Charity and its objectives. The Trustees and Executive Committee Members give their time free of charge and receive no remuneration or other financial benefits. Executive Members meet as a body, on monthly basis and are responsible for all decisions taken in relation to running the mosque, community facilities and activities by the charity. The Executive Committee has set-up a number of sub-committees for help, support, delegation and the transparency for the smooth running of the Charity while achieving its objectives.

Mr. Mohammed Abdul Naeem Sheikh, continued to act as Chair, responsible for day to day business of the Mosque & Centre.

Risk Management

The Trustees and the Executive Committee have a duty to identify and review the risk to which the Charity is exposed to and ensure appropriate controls are in place to provide reasonable measures against fraud and error. The Trustees and Executive Committee are satisfied that systems are working, and where necessary adequate arrangements are in hand, to manage the risks that have been identified. In particular, insurance cover is available, and finances of the mosque are kept under view. Appropriate Disclosure and Barring Service (DBS) checks, supported by regular training and review of the policies, are made for all those who work with children or other vulnerable groups within the Mosque or community Centre.

Objectives, Aims and Activities

The objectives of the Charity are set in its constitution and summarised as follows:

To provide place of worship, bring about harmony amongst community and enhance the Islamic Faith for the benefit of the local public through regular prayer gatherings, cultural, religious, education and community activities. The Centre opens seven days a week for prayers, as well as evening and weekend Madrassah and is mainly used by the local community.

The Centre also fulfils a function in catering for non-religious and inter-faith activities, such as hold meetings of various Faith Leaders known as "Faithful Friends", Local School children visit for R.E. lessons, Crime Prevention, Research, Community Cohesion, Law & Order issues. Women groups, Muslimah and Sister Circle, continuously use ladies' section of the premises for various activities including prayers, girl's classes, teachings of Islam, community meetings and elderly women gatherings. "VisitMyMosque" and visits to worship places. The trust continues to participate in relief of war-torn areas for rehabilitation and famine struck areas by raising funds to help those who suffer in natural disasters in different parts of the world.
