Trustees' annual report

Year ended 31 March 2022

The trustees present their report and the unaudited financial statements of the charity for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Chair's report

Unfortunately due to continuing covid restrictions, the Centre had to remain closed from the 1 April 2021 until mid May 2021 and even then the number of people allowed in the centre was restricted until June 2021.

Things slowly started to get back to normal with certain precautions still in place. Several lunch clubs within the centre started proving very popular again and many other activities resumed.

The events in 2021 began with a 'Beach Day' held in the centre where there were fun and games for all and a fish and chip lunch and entertainment.

On 11 September 2021 a boat trip was arranged from Horning and this was a great success, and in late November a shopping trip was booked for Wroxham.

Service users enjoyed the first Christmas dinner ever to be held at the centre and all 100 spaces filled quickly and a fantastic time was had by all with festive fun and entertainment.

Over the course of the year we said goodbye to one trustee, namely Becky Demmen. She was thanked for the support she had given us.

The centre is going from strength to strength with the footfall increasing to over 300 attendees each week and we are supporting many people in more ways than just activities and companionship, and long may it continue!

Year ended 31 March 2022

Objectives and activities

The primary objective of the charity is, as always, working for the well-being of older people living in the borough of Great Yarmouth. The Charity does this by actively supporting people aged 50 years and over, by developing services and activities helping reduce loneliness and isolation, encouraging active participation, helping to improve mental health and well-being, promoting active healthier lifestyles and positive ageing, giving opportunities to try new things, meet new people, make new friends in a safe and supported environment. We believe older people should feel valued in their community as people with a contribution to make, helping build stronger communities.

The Trustees have taken due regard to the information published by the Charity Commission regarding public benefit. It is considered the charity provides a public benefit through:

- Actively supporting people aged over 50 years regardless of background, gender and faith, fully embracing equality and diversity and being fully inclusive.
- Ensuring older people are at the centre of all we do.
- Develop new services and activities to better support older people and to engage with as many older people as possible.
- Establishing new lunch groups and supporting existing Age Connected lunch groups across the borough, bringing older people together to enjoy a light lunch and an afternoon of fun and activities in a safe and supported environment. Helping to reduce loneliness and isolation.
- Develop new services to better support older people and new activities to engage with as many older people as possible.
- Establishing a strong working ethos with local and regional organisations bringing together joint working to promote social and emotional well-being by providing help and support to older people.
- Encourage volunteering in all ages, explaining the physical, mental and social benefits to both the supporter and supported. Working with schools, colleges and other agencies offering placements and volunteering opportunities.
- Provide appropriate training for volunteers, staff, and trustees for their individual roles, to improve their own skills, to share skills, developing happier, healthier active lives for themselves and our services users

Achievements and performance

See comments within the Chair's report.

Financial review

The results for the year are shown on pages 7 to 18. The charity has reported a deficit of £50,149 for the year (2021: surplus of £21,229).

Reserves policy

The Trustees have decided to hold a minimum of three months running costs within the reserves to ensure the continuation of services. The free reserves, represented by unrestricted net current assets, as at the 31 March 2022 were £45,979 (2021: £81,901).

Restricted funds being carried forward, as shown in note 17 of the accounts, amounted to £12,660 (2021: £17,213). The amounts carried forward represent funds to be used in future periods.

Structure, governance and management

Governing document

The charity is controlled by its governing document and constitutes an unincorporated charity.

Recruitment, appointment and training of Trustees

Trustees shall be persons who through residence, occupation, employment or otherwise have special knowledge of the area of benefit or who are otherwise able by virtue of their personal or professional qualifications to make a contribution to the pursuit of the objects of the charity.

On appointment, Trustees are provided with:

- a) A copy of the constitution;
- b) The Charity Commission guidance CC3 - "The Essential Trustee: what you need to know, what you need to do.";
- c) A copy of the latest independently examined accounts.

In addition, the Trustees are encouraged to read Charity Commission and other newsletters and to attend courses designed to keep them abreast of their duties and responsibilities.

Risk management

The Trustees have a duty to identify and review the risks to which the charity is exposed and to ensure that appropriate controls are in place to provide reasonable assurance against fraud and error.

Organisational structure

The Trustees meet on a regular basis to discuss the plans for the charity and to monitor outcomes and ensure targets are met in accordance to funding requirements. The day to day management of the charity is delegated to the Services Manager who coordinates the development and activities of the charity along with the large group of volunteers.

True and fair override

The financial statements have been prepared to give a "true and fair" view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a "true and fair" view. This departure has involved following Accounting and Reporting by Charities by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Independent examiner

Mark Proctor FCA DChA of Lovewell Blake LLP will be reappointed as independent examiner for the ensuing year.

Age Connected

Trustees' annual report *(continued)*

The trustees' annual report was approved on 30 January 2023 and signed on behalf of the board of trustees by:

A handwritten signature in black ink, appearing to read 'A. Wyer'.

Mrs A Wyer
Trustee

Age Connected

Independent examiner's report to the trustees of Age Connected

Year ended 31 March 2022

I report to the charity trustees on my examination of the financial statements of the charity for the year ended 31 March 2022 which are set out on pages 7 to 18.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Your attention is drawn to the fact that the Charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Age Connected

Notes to the financial statements

Year ended 31 March 2022

1. General information

The charity is a registered charity in England and Wales and is unincorporated. The address of the principal office is 8-9 Regent Street, Great Yarmouth, NR30 1RN, Norfolk. The principal activity of the charity is discussed in the trustees report.

2. Statement of compliance

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

3. Accounting policies

(a) Basis of preparation

The financial statements have been prepared on the historical cost basis.

(b) Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist.

The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months

With the positive growth of Age Connected and a strong future development strategy, the charity, in the most difficult of times due to the Covid-19 Pandemic has worked with passion and dedication responding to the increasing need for its support and services as a recognised priority service for older people in the Borough of Great Yarmouth, the Trustees are confident and supportive in the continuation as an independent local charity.

They are also satisfied that the income and expenditure and reserves are sufficient for the charity to be able to continue as a going concern.

(c) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal.

Age Connected

Notes to the financial statements *(continued)*

Year ended 31 March 2022

3. Accounting policies *(continued)*

(d) Income

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Income from donations and legacies is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.
- Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.
- Investment income is included when receivable.
- Income from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

(e) Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- Charitable activities comprise those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the independent examiner fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

(f) Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight line basis over the period of the lease.

(g) Pension costs

The charity operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the charity. The annual contributions payable are charged to the statement of financial activities.

(h) Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

Age Connected

Notes to the financial statements *(continued)*

Year ended 31 March 2022

3. Accounting policies *(continued)*

(i) Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures & fittings	-	33% straight line
Computer equipment	-	33% straight line
Equipment	-	33% straight line

(j) Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Big Lottery Reaching Communities Fund - 2015-2020 - relates to funds received for the provision of a Services Manager, Older Peoples Development Worker and Admin/Finance Officer to develop services that deliver the following outcomes:

Outcome 1 - Each year one new lunch group will open supported by three volunteers supporting 25 older people to reduce loneliness and isolation.

Outcome 2 - The project will reach 7500 older people giving opportunity for improving health and wellbeing to make life a more enjoyable and fulfilling experience.

Age Connected

Notes to the financial statements *(continued)*

Year ended 31 March 2022

Outcome 3 - Recruit 25 volunteers to support the project developing healthier active lives for themselves and older people.

Outcome 4 - Information packs, outreach sessions and ORCHIDS will ensure older people are better informed allowing for choices meeting their individual needs.

This project was extended and actually ended in June 2022.

NCC Strong and Well - represents funding received from Norfolk County Council in connection with the Great Yarmouth Dementia Friendly Safer Town initiative. The charity's part in the initiative was to lead the planning of and co-ordinate outreach activities.

Big Knit - represents funding received toward the Big Knit.

Little Acorns Community Fund - represents funding received for the cinema group at the ACORN Centre.

Lift Fund - represents funding received for lift repairs.

Fuller Revenue Fund - represents funding received towards the cost of providing a Christmas lunch and small gift to attendees at the lunch groups and a Christmas party at the ACORN Centre.

Active Norfolk - represents funding received towards core costs.

Digital Inclusion Project - represents funding received towards costs associated with a project to provide older people living the Great Yarmouth the opportunity to learn how to use a variety of technological devices.

Groundwork UK - represents funding received towards costs associated with a members outing.

GYBC Foodcom - represents funding received towards costs associated with food costs for the centre.

Transfers -

There has been a transfer of £3,384 from general unrestricted funds to the lottery restricted fund to cover costs associated with this project which exceeded funding.

£1,693 has been transferred from the Digital Inclusion Project fund to general unrestricted funds for the capitalised IT equipment.

The designated lift fund was transferred to general unrestricted funds in the year, with the exception of a £5,000 restricted donation which was included in this designated fund, and is now transferred to the restricted lift fund.
