THE AMY LOUISA ROBINSON CHARITY

ANNUAL REPORT 2023

Constitution and Governing Document

The charity is regulated by a Declaration of Trust on 18 September 1975 and is constituted as a Trust. The registration number is 270252, and the Trust was registered as a charity on 5 November 1975.

Trustees

New trustees are appointed by existing trustees. The trustees are responsible for the day to day management of the Charity.

New trustees are provided with documentation to enable them to appreciate the Trust's objectives, organisation, method of operation and their responsibilities under the law. In addition existing trustees assist them in becoming fully conversant with their role.

The trustees who served the Trust during the period were as follows:

Norman Mole
Christopher Robert Penn
Barrie Lloyd
Gurjit Singh Bhandal

Objects and activities

The objects of the Charity are to provide housing accommodation either free of rent or at nominal rents for needy men and women of the age of sixty five years and over and being normally resident in the City of St Albans of having family or other associations therewith and with preference being given to persons who are habitual members of Dagnall Street Baptist Church St Albans or failing any such persons of the Baptist Church generally or failing such to needy and aged persons generally.

Applications for accommodation, from those currently or formerly living in St Albans, and from friends and relatives of local residents who wish to move to live near their families, have to be in writing. Full details of the information required by the trustees, including a financial statement, is set out in the application form which can be obtained from their solicitors whose address is given above.

The Trust's aims and objectives, as stated in its objects clause set out in the preceding paragraph, limit both the number of persons eligible to benefit and the geographical area in which the Trust can function. Taking these factors into account the trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing present and planning future activities.

The Trustees have not obtained any professional valuation of the freehold properties owned by the Trust since they are solely used for its charitable purposes.

The Trust measures its success based upon occupancy levels of properties held during the year. Aside from brief vacant periods in respect of refurbishments, optimal levels of occupancy were achieved during the year.

The Trust Deed authorises the Trustees to hold all of the existing investments but stipulates that any proceeds of sale thereof and any other funds must be invested in such investments as are from time to time authorised by law for the investments of Trust funds. They have power to apply both capital and income to the furtherance of the objects of the Charity. Periodic reports are received from the Fund managers and these are reviewed by the Trustees at their meetings, which are usually held at least twice a year.

Reserves policy and financial review

The trustees' policy is to have an average six months' income from all sources available to ensure that the Charity's day to day expenditure is properly funded, and that resources are available to keep the Charity's properties in good repair, so that their value is maintained or enhanced. At the year end the unrestricted funds balance was £1,832,763, which is more than sufficient to maintain the Charity's activities for the foreseeable future. The Charity has no immediate plans to acquire further properties.

ANNUAL REPORT 2023 (CONTINUED)

Risk review

During the period the trustees have reviewed the risk in relation to the properties owned by the Charity and in particular the Charity's role and reputation as a landlord.

- The trustees have taken steps to ensure that letting activities are compliant with the law.
- Provision has been made to ensure that all appropriate safety checks are carried out (gas and electricity safety checks and certificates, smoke alarms etc).
- The trustees employ a professional letting agent to ensure compliance with all relevant legislation.
- The trustees have made themselves available to respond to licensees' notification of any defects / essential repairs within a reasonable period.
- The Charity does not require licensees to pay deposits, but does require a maintenance contribution to be paid four-weekly in advance (as set out in the Licensees' Agreement).
- In addition the Charity undertakes to conduct regular maintenance work on the properties it owns.

Statement of Responsibilities of the Trustees

The trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including the net income or expenditure for the period. In preparing those financial statements the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state where applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

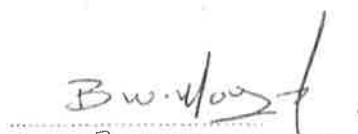

Disclosure of Information to Independent Examiner

In accordance with charity law, as the charity's trustees, we certify that:

- so far as we are aware, there is no relevant audit information of which the Charity's Independent Examiner is unaware of; and

THE AMY LOUISA ROBINSON TRUST

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 5 APRIL 2023

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) (second edition - October 2019) – Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Amy Louisa Robinson Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees have assessed whether the use of going concern is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of the approval of these financial statements. In particular, the trustees have considered the charity's forecasts and projections and have taken account of pressures on fee income. After making enquiries, the trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

Critical accounting judgements

There are no judgements, estimates or assumptions that affect the amounts recognised in the financial statements.

Incoming resources

All income is recognised in the Statement of Financial Activities when the conditions for receipt have been met and there is reasonable assurance of receipt. The following other accounting policies are applied to income:-

Interest receivable is calculated on an accruals basis.

Rental income from the charity's properties is included in the Statement of Financial Activities gross. All related expenditure, including interest payable, is shown in costs of charitable activities. Rental income relating to future periods is deferred.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Costs are allocated between categories on a direct basis.

Governance costs

Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Restricted funds

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is identified to the fund.
