Chairmans Report AGM 2026

Firstly thank you all for attending, it is a long time, since we last had all of the clubs present at a meeting. You will see we have three new faces from the clubs and it is good to see Andy, who has replaced Stephen Hill as chair of the Bowls Club, Nathan Stewart who represents the Football Club and has been the catalyst for the upgrades to the Clubhouse and the offering it has for supporters and Ben from the Cricket Club, who I think is an ambassador for them and plays in the first team.

Secondly you will see from the Agenda a couple of updates from the KPFA to, firstly after many years, in fact decades as a Trustee Jim has stepped back slightly and is now an Honorary Trustee, allowing us to still draw on his experience, but simplified the legal processes required to purchase the rented land last year. I am grateful for Jim agreeing to help us her.

Finally Sami has asked to defer the decision to make her a trustee last year, this was her request and she remains a key part of the team, bringing a different way of thinking and challenge to the Trustees as well as her ability to communicate with the village. We will discuss it later, but I would like to leave the invite to join the Trustees open.

Looking back at 2025, I think the highlight of the year was to *(finally) purchase the two parcels of land we rented from the family of the original land owner. This was a protracted process, but eventually we got it completed in December after agreeing not to use the land purchased only for recreational related purposes. And to do our best to register the land with Fields in Trust. We thank the Towns and Estates Charity for funding the purchase of the land, though we paid the legal costs from the funds raised as owning the land means the new playground investment will benefit the village for a long time and not be at risk of the land being sold.

Sadly the lowlight of the year was the decision by the lottery not to fund the project, this was hugely disappointing as much for the time, 9 months it took to get to the decision and we had supplied all of the information requested and had raised nearly 50% of the project cost. Sadly due to the delay in purchasing the land, which was needed to give any funding security, the lottery's focus had moved more towards national projects that support deprived areas.

We are looking for other funding and of the roughly £96k we were short we have had a wonderful donation the with corporate charity matching and Gift Aid has filled nearly £23k of the gap and John "sniffer" Saynor has found over £16k in s106 (housing) funds allocated to a playground in Kislingbury and West Northants have indicated we can access that money and it is shown as a pledge. The good news is offset by an increase in the cost of the equipment, but it still means we have one third of the gap bridged.

We will apply to a smaller lottery fund for £20k in the next few weeks, that the other lottery fund advised us to approach and once we hear from them, we have a larger charity in mind to apply for the final balance, hopefully with an even better funding story.

I did mention Gift aid early and we can now claim this for qualifying donations from individuals, though anything over £30 needs a form completing. We can go back to 2023 and are approaching people. Thanks to Dave for setting this up and to John and Sami for

what they do too, in Sami's case we raised over £10k in a month last year ahead of the lottery bid.

I always like to remember that the Playing Fields were bought by the people of Kislingbury in the 1960's and it is great to see village events held here. With the third annual food festival last year and evening event and the same again on 24th May this year.

Looking at other areas on 2025, we have made some progress on security, but I need to speed this up, we are working to put cameras on the football club, we have a better lock and I need to discuss later on the agenda. We are also looking to purchase a more secure barrier onto the football pitch. Thanks to the Parish Council whose grants fund this work.

The cameras may deter some of the drug issues that I hear about and sadly these made the press local last year. As a result I met with Jonathan, Janet and the Police to discuss this,

I need to remind us all about a couple of recurring topics, that is to ensure areas are kept clean and litter is picked up after matches / events. The Playing Fields can look great, but litter spoils this.

I also need to remind people that we have a 10 mph speed limit on site, our roads are shared with pedestrians and the fences will not stop cars.

Rather than write a second report for the later General meeting and as a lot of the report would repeat the earlier report, I will mention the main event since the new year. This was the tree that came down on the entrance road earlier this month, this got cleared at our expense, just over £1k and we need to understand the risks with all the trees.
