Little Acorns:

Clean up and work at Rainbow centre

Inter-Action MK (www.interactionmk.org.uk) is an arts charity that has been improving the life chances and choices of people who face challenges across Milton Keynes since 1975. Risk

The Board of Trustees carry out a Risk Assessment on a quarterly basis through monitoring Management Accounts and regularly review operational policies including the Business Plan, Health and Safety Policy, Equal Opportunities Policy, Education Policy, Artistic Policy, Safeguarding policy, and Disciplinary Procedures.

The 4-year business plan identifies the following key risks for the organisation along with the mitigating actions to be undertaken:

Risk	Mitigating Action
Loss of earned income. Need to gain Core Income	We are working to increase our potential for earned income with a new digital project pilot which will offer medium term opportunities for earned income We have diversified our fundraising to include small 'asks' to small Trusts for general costs. Our new 4 year plan contains financial targets for medium to long term funding (2-3 year funding) to include an uplift in core funding. We build a percentage towards core funding into each funding bid. We have fewer targeted strands of work, with an accompanying fundraising schedule which targets particular trusts and foundations.
Failure to achieve financial stability.	The Board will keep a firm hold on finances and funding by continuing with bimonthly meetings. We have to recognise that the charitable sector is more precarious than ever. Over the last 12 months charitable grant givers have reported a 70% increase in bids for funding. We continue to work alongside an independent financial partner who regularly conducts an overview of actual expenditure and income against projections, and this is fed back to the trustees, so that potential issues can be seen early and any consequent actions can be taken.

Risk	Mitigating Action
Board Development	In order to be credible to funders and partners and to be able to provide the Interim Director and incoming team with sufficient support, resource and challenge, the Board continues to support the organisation through scrutiny of annual polies and through working groups on particular areas for example succession planning for key staff members.
Competition	Our work over the last 5 years has consolidated Inter-Action MK as a leader and strong partner within our sector locally. The work proposed requires specialist skills and clear commitment to deliver to a high standard that are not necessarily held by the most likely competitors. Other artists and organisations developing programmes with shared objectives can help to build visibility, audiences and demand for such work. Collaboration is encouraged. Inter-Action have a rolling 4-year plan which will include actions towards the objective of becoming the 'GoTo' organisation within our sector.

Financial Review

The deficit on the ordinary activities of the company during the year amounted to £5,023 (2023: surplus of £10,033).

The principal funders of the organisation during the year were Milton Keynes Council, National Lottery Community Fund and Milton Keynes Community Foundation.

Total funds held by Inter-Action MK as at 31 March 2024 were £18,144 (2023: £23,167), consisting of unrestricted funds of £154 (2023: £5,467) and restricted funds of £17,990 (2023: £17,700).

The trustees are confident that Inter-Action MK is able to continue to meet its liabilities as they fall due for the foreseeable future and that the accounts should be prepared on a going concern basis.

Reserves Policy

The trustees aim to keep enough in unrestricted reserves to ensure sufficient resources are available to cover all notice and redundancy costs and future lease commitments in the event that they are required. In addition, the trustees aim to have sufficient unrestricted funds available to cover on-going projects should funding fail.

Funding

Inter-Action MK approaches fundraising as a team activity with the Director leading, and a range of approaches are taken to raise funds from the Arts Sector, Community Sector, Corporate Sector and Trusts. Inter-Action MK does not use the services of professional fundraisers or commercial participators to assist with its fund development. No complaints have been received regarding its fund development activities.

TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees (who are also the directors of Inter-Action (Milton Keynes) Limited for the purposes of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

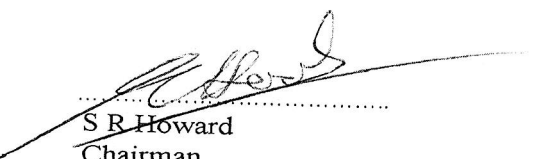

- there is no relevant information of which the charitable company's independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the independent examiner is aware of that information.

The charitable company's trustees consider that an audit is not required for this year (under section 144(2) of the Act) and that an independent examination is required.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

**INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF
INTER-ACTION (MILTON KEYNES) LIMITED**

YEAR ENDED 31 MARCH 2024

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2024 which are set out on pages ten to eighteen.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I confirm that I am qualified to undertake the examination because I am a member of The Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MARCH 2024

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) – (charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. Inter-Action (Milton Keynes) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

The trustees are confident that Inter-Action MK is able to continue to meet its liabilities as they fall due for at least, but not limited to, 12 months from the date the accounts are approved.

Cash flow statement

The trustees have taken advantage of the exemption in SORP Bulletin 1, published in February 2016, which exempts small charities from preparing a cash flow statement.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in the furtherance of the general objectives of the charity and which have not been designated for other purposes. Restricted funds are funds which are used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributable to particular headings they have been allocated on a basis consistent with use of resources. Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management carried out on the premises.

Pension costs

The company operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the statement of financial activities.

Income

All incoming resources are included in the Statement of Financial Activities (SOFA) when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.
