Accounts

CHILDREN'S SUMMER CLUB

Charity no: 270817

ANNUAL REPORT 2020

We are governed by our Constitution, adopted 14 January 1976. Our trustees are elected at our Annual General Meeting in May/June. They are: Pauline Hotson (chair), Christine Brennan (secretary and safe guarding), Philip Darke (treasurer), Savanna Brennan . We kept in mind the Charity Commission's guidance on public benefit at our trustee meetings. Our policies and procedures can be viewed at www.childrensummerclub.wordpress.com. We updated our Rules for Trips and published our Finance Manual this year. You can also follow us on www.facebook.com/pages/Childrens-Summer-Club/182262501823776

Children's Summer Club provides fun, social and informal educational activities for young people aged 8-16 who live in Barnstaple. We run during all school holidays and hold special events throughout the year - when we are not in the middle of a global pandemic.

Use of our hall during 2020:

We took over the North Devon Deaf Children's Society Hall at Charles Dart Crescent, now Children's Summer Club Hall, in 2015. Having a physical base has saved us money, helped us provide more activities for children and young people and provided a hub for other local groups.

COVID has impacted on how our hall is used. It was unused from March - June 2020.

The Electoral Commission postponed their booking for using our hall as a polling station for the local government and Police Crime Commissioner elections to 6 May 2021.

Bethel Pentecostal Church (Shalom Devon Ltd) and Barnstaple Morris Dancers cancelled all bookings from February 2020 onwards until further notice.

Narcotics Anonymous started using our hall for weekly support meetings from December 2020.

Inspire South West started using our hall as a base for their alternative education provision in September 2020, after ad hoc use for 121 work with young people earlier in the year. This will be on-going.

Devon County Council has used us as an overflow facility for their family contact centre.

No CSC activities at the hall since February 2020. Relaunch planned for Summer 2021.

No children's parties, Open Days etc this year due to COVID.

Maintenance and improvements to our building and facilities:

We got the NDDC COVID Business Support Grant and spent the money on making our hall COVID secure:

A comprehensive COVID risk assessment is in place.

The floors have been levelled and flooring replaced with heavy duty industrial lino in the Art Room, corridor and main room. The floor was levelled in the kitchen and the lino replaced following an insurance claim due to flooding.

We have installed infection control equipment including hand sanitiser dispensers. Devon Youth Service @Space gave us a box of COVID safety equipment.

We have installed additional storage cupboards in the main room and the cleaning cupboard off the toilet block has been fitted with shelving. We bought around 12 large plastic boxes to store art materials and have used these to tidy up the Art Room. We also purchased tarpaulins to cover equipment in the main room.

The hall was rewired and new emergency signs and lighting fitted after failing its 5 year Electrical test.

A Community Councillors' grant paid for fire door closures. These hold the internal fire doors open to allow ventilation, but will close automatically in case of fire.

We have a door bell and signage has been put up "Main Entrance".

Regular safety checks - fire alarm and equipment, intruder alarm, PAT testing were completed.

We donated our grey stacking chairs to Barnstaple Pannier Market. We also donated our folding pool table to a local family.

£3,000 has been put aside for a new gas boiler to be installed in 2021.

We have increased our cleaning regime. The hall is cleaned every Friday and between different hall users. It was deep cleaned during the first lockdown.

Equipment purchased in 2020 included a new shredder, pool cues, board games and replacement rounders kit. *(An Awards For All Grant in January 2021 paid for an IT Suite including 2 Smartboards, 4 laptops, a printer and a camcorder and tripod)*

Regular events:

On hold/cancelled from March 2020 due to COVID.

We were given a licence by NDDC to run 2 x rounders and 2 x cross-country runs in Yeo Valley Woods for up to 15 young people at each session during school summer holiday 2020. A full risk assessment was provided. We also hoped to paint a mural in the Art Room (outlines in place for future activity). Unfortunately, we did not get any takers. This was partly due to the weather and partly due to parents'/carers' concerns re COVID.

ND Homes cleaned and whitewashed the walls at the Gorwell Underpass opposite Concord Drive. We had planned to paint a mural. Alas, this was also postponed due to COVID restrictions and the walls have been graffitied again. Another possible project for 2021.

Community involvement and street based activities:

On hold/cancelled due to COVID

Information on on-line activities/meetings/information provided by other organisations posted on our Facebook Page.

On-line health and safety training purchased for one of our young people.

First aid, fire safety and health and safety training to be booked for 2021.

Out and about, day trips and visits:

On hold/cancelled due to COVID.

Swimming and cinema trips in February half term 2020.

Fund Raising:

We collect empty ink cartridges and send them off for recycling. Each cartridge earns us £1 towards our funds.

We have had numerous soft toys and raffle prizes donated to us over lockdown due to local people having a clear out. These will be used to raise money at future Open Days and stalls at public events.

Thank you to all the organisations that have helped to tide us over and keep our hall running this year, and customers of the Barnstaple branch of the Co-Op for their support. We would also like to thank Space for their input into our club.
