Section B – Structure, Governance and Management

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

The Group is a trust established under its rules which are common to all Scouts.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

The Group is managed by the trustee board, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

This trustee board exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

- The maintenance of Group property;
- The raising of funds and the administration of Group finance;
- The insurance of persons, property and equipment;
- Group public occasions;
- Assisting in the recruitment of leaders and other adult support;
- Appointing any sub committees that may be required;
- Appointing Group Administrators and Advisors other than those who are elected.

The trustee board has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church, community centre and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The Group through the membership fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

Reduced income from fund raising. The Group is primarily reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The trustee board could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and insurance policies to ensure that insurable risks are covered.

Section C – Objectives and Activities

The objectives of the group are those of the Scout Association

The aim of the Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potential, as individuals, as responsible citizens and as members of their local national and international communities.

The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on Scout Promise and law and guided by adult leadership.

Section D – Achievements and Performances

Eighth Letchworth Scout Groups membership has levelled out in numbers over the last 12 months with the Scout section running at maximum capacity and the Beaver and Cub sections slowly growing which is encouraging. The leader team were able to run a full program once again which has enabled the group to get back on track for Bronze, Silver and Gold awards. Please refer to the separate section reports detailing these activities.

The Beaver and Scout section both have new team members to assist in running the program.

Section E – Financial Review

At the end of the year group funds have increased by £261.79 to £68965.68. It doesn't seem much but the group is paying substantially more rent so staying in the green over the 12 months is a good result - fund raising and gift aid claims have been a major factor in this. If you haven't signed up for gift aid please do as it's a massive financial benefit to the group. If you're not sure if you qualify please speak to Mike.

The Group's policy on reserves is to hold an amount to enable it to meet immediate needs and contingencies to operate for a period with minimum income for 12 months. Liabilities due quarter one 2025 stand at £5550.00

Fundraising is gaining momentum for the group with the Greenway sponsored walk, a barbuce and the Christmas raffle bringing in just over £1550.00, that's nearly £600.00 up on last year - a massive thank you to all those who supported the group

Membership fees stayed at £35.00 / term for 2024 but will have to increase to £40.00 / term for 2025 to offset the increase in rent payable to Herts County Council.

Section F – Plans for the Future

In the forthcoming year the group plans to:

Implement additional fundraising activities to subsidise camps and ongoing rent increases for 2025 onwards.

Agree a constitution for the group.

Assist district with creating individual group squirrel sections for 2026 onwards.

Find cheaper premises.

Section G – Declaration

The trustees declare that they have approved the trustees' report above
