ROYAL NATIONAL THEATRE FOUNDATION

TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

REPORT OF CHAIR

It has been another busy and productive year for the Foundation, and it is such a pleasure to work with my fellow Trustees and with the National Theatre to continue to find new opportunities to support the NT's work and workforce. By extension we also look to influence the wider sector, which we wish to see not only surviving but actively thriving. We also continue to review and refine the guidance for benevolence, welfare support and financial advice, working to ensure we reach as many individuals as possible in the most accessible ways.

Lesley Manville retires from the Board of Trustees this autumn. The Trustees and I are indebted to her for the contribution she has made to both the Foundation and the NT during her tenure and are fortunate to know that she will continue to advocate for and support the work we do. The Board and Nominations Committee continue to consider the size, shape, diversity and skills needed on the governing body. Following a robust and open search supported by Nurole, we are in the final stages of the process to make new appointments to the Trustee body. The Board of Trustees and I are especially grateful to the Deputy Chair of the Foundation, Ursula Brennan, for her invaluable assistance in the search process.

The Foundation is only able to continue its work through the extraordinary generosity of those who have left legacies to the National Theatre. We are immensely grateful to those donors and their families for their bequests. Those legacies make a profound difference. In 2023/24 we received a total of £235k in legacies. This year's annual National Treasures' event, dedicated to thanking those who have remembered the National Theatre in their Wills, will be a lunch and special performance of *Coriolanus*. We are indebted to those individuals and their families, and I and the Trustees are grateful to have the opportunity to mark and celebrate their contribution.

The Foundation has continued to actively support the NT and has awarded year 2 of a 3-year grant of £500k per annum 2022/23 – 2024/25 to support urgent capital and other projects. Additionally, in 2023/24 the Foundation awarded the final payment of a 2-year grant of £50k per annum to support the pilot phase of the Genesis Theatre Design course. This is a sector-changing course which will help make a meaningful change to access to the design profession and chimes with the Foundation's ambition to support education, the NT and the wider sector and to help remove barriers for those who were disadvantaged.

In order to promote the profound difference that legacies make both to the NT and the wider sector, the Foundation has been happy to contribute £31k to the costs of the excellent work carried out by the NT's Development Department. The Trustees and I are extremely grateful to Lesley Manville who has recorded a superb short promotional video for the legacy fundraising campaign which is a model of its kind.

The Trustees and I are grateful to the Head of Wellbeing and the Welfare team for their dedicated work. We are delighted to welcome Jessica Dickens, Head of Welfare and Wellbeing back from maternity leave and would like to record our thanks to Sarah Dean for her excellent work covering that role. We are particularly proud and pleased to report that during the 2023/24 financial year the Foundation awarded benevolent grants totaling £78k in total to 28 individuals. That represents both a significant increase on the previous year's benevolent giving and is the highest level of benevolent grants ever made in a single year. In addition, in 2023/24, the Foundation has helped to support additional welfare and counselling provision at the NT through a £50k grant to the NT. Another key area of support which has been put in place is the provision of grants for individual financial advice sessions with the Wealth Coach, Sara Maxwell. The take up for and feedback from those sessions has been immensely positive. Donna Parker, the Board Secretary, goes above and beyond to support everything that the Foundation does, and the Trustees and I wish to pay a heart-felt tribute to her.

The value of the Portfolio on 31 March 2024 was £6,756,858 compared to £6,284,500 the prior year. Within the context of a challenging and turbulent economic environment, the Foundation's investment portfolio generated an absolute investment gain of £522,149 an improvement on the loss of £269,142 last year. The Foundation's funds are invested for the longer-term and are actively managed by Rathbones in close consultation with the Trustees. In addition to receiving investment updates at all Trustees' meetings, the Foundation has established a Finance Sub-Committee, which meets with Rathbones to monitor performance and consider the investment strategy in detail. The Trustees also regularly review a rolling five-year budget forecast. The Trustees are confident, going forward, that the Foundation will continue to have sufficient funds to enable it to continue with its core remit. The Board actively supports the new legacy campaign which will be key in maintaining and growing its funds through increased levels of legacies.

ROYAL NATIONAL THEATRE FOUNDATION

TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT

ORGANISATIONAL STRUCTURE

The governing document of the Foundation is a Declaration of Trust, dated 6 July 1976. The Foundation applies the principles of the Charity Governance Code. The Foundation's Trustees generally meet three times a year. Business at Trustees' meetings usually includes consideration of grants to beneficiaries, grants to the National Theatre, reports on previous awards, a review of the financial position and of investment policy and performance, and approval of the annual Trustees' Report and Accounts.

MEMBERSHIP OF THE TRUSTEE BODY

The Trustees keep under review the membership of the Trustee body and are mindful of the need to ensure that, as a group, they have the skills and experience to enable them to fulfil their responsibilities as Trustees of the Foundation. A sub-committee of the Board, makes recommendations to the Board on appointment of Trustees and reviews the composition and effectiveness of the Board.

Trustees are appointed by existing Trustees. All Trustees are appointed for an initial term of three years; after which they may be reappointed for a maximum of a further two three-year terms.

The Secretary arranges the induction of new Trustees to provide them with information about, and an understanding of, the objects of the Foundation, and their responsibilities as charity Trustees.

DECISIONS

The Foundation's Trustees generally meet three times a year. Business usually includes consideration of applications for grants, reports on previous grant awards, a review of the financial position and of the investment policy. To deal with emergency benevolent applications, the Chair has discretion to make benevolent grants within prescribed limits. The Chair discusses such applications with another Trustee on a rolling rota of Trustees. Grants made under this authority by the Chair must be ratified by the Trustees in a full meeting.

The Trustees are independent of the National and operate at their own discretion, however in the interests of maintaining an up to date knowledge of National activities, two Trustees also serve on the National's Board. The Trustees have procedures in place for handling any conflict of interest to which that situation might lead.

INVESTMENT AND FINANCE

The Board's responsibilities include reviewing the investment policy and performance; monitoring and reviewing financial performance and management; reviewing the preparation of the annual financial statements; relationships with the External Auditors and reviewing the risk register.

The Board have regular meetings and discussions with Rathbone Investment Management Limited (Investment Managers) to monitor investment performance and review the investment strategy. A Finance Sub-Committee of the Board meets at least annually to consider investment performance and strategy and the indicative 5-year financial plan.

PUBLIC BENEFIT DISCLOSURE

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's published guidance on public benefit when reviewing the Foundation's aims, objectives and grant making policy and in planning future activities. The Foundation carries out these objectives and seeks to achieve public benefit through the following grant giving policy:

Grants to the National Theatre are made primarily to fund initiatives which are outside of the National's financial capabilities in any particular year but are relevant to its current policy. The National Theatre is itself a charity with a comprehensive public reach achieved through accessible ticket pricing, an education arm and a growing internet and digital presence to members of the public.

ROYAL NATIONAL THEATRE FOUNDATION

TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

Benevolent grants are made to individuals who work, have worked or who have a close association with the National and who are in need.

Grants to other individuals and organisations are generally made for charitable purposes linked to the National Theatre.

OBJECTIVES AND ACTIVITIES

AIMS AND OBJECTIVES OF THE FOUNDATION

The objects of the Foundation shall be in the United Kingdom or any other part of the world:

ROYAL NATIONAL THEATRE FOUNDATION

TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

INVESTMENTS

The Trustees' overarching goal is an investment strategy designed to produce a balance of capital and income growth to enable them to continue the Foundation's grant support to the National and to meet its other charitable objects in a manner and scale broadly similar to that provided in the past.

The Foundation has a total return strategy with a goal of achieving an average annual return of inflation plus 3% such as to preserve and increase its capital over the long term. Risk is minimised by appropriate diversification across global equities, fixed income, property and cash with consideration being given from time to time to investments in hedge funds, emerging markets and convertible bonds. Liquidity is an important consideration, and all investments are required to be of a reasonably liquid nature. It is intended that a minimum annual income from interest and dividends and, if necessary, liquidation of capital gains, of £200,000 should be generated to fund benevolent grants, other grants and expenses.

Performance is reviewed at least twice a year by the Investment and Finance Committee. Investment policy and strategy is reviewed at least annually by the same Committee and followed by a report made to the full Trustee body.

KEY RISKS AND UNCERTAINTIES DISCLOSURE

The Trustees have considered the major strategic, business and operational risks which the Foundation faces. The fundamental one is uncertainty of income. Procedures, which include regular reporting on risk management to the Trustees, have been established to manage these risks.

PLANS FOR FUTURE PERIODS

The Foundation will continue its essential remit of benevolence by making grants to NT employees and past staff members suffering financial hardship. Working closely with the National Theatre, the Foundation will continue to support and develop the Fundraising campaign to encourage supporters of the National Theatre to remember the Theatre in their Wills.

RESERVES

UNRESTRICTED FUNDS

In setting a target level of reserves for the Foundation, the Trustees have taken into account that the scale and number of applications to the Foundation are variable; that income from returns on the investment portfolio are unpredictable and that in the event of a major, exceptional financial crisis afflicting the National, the Foundation would wish to provide significant support of a general nature to it. In doing so, the Trustees thus recognise the moral commitment given to the then Trustees of the Royal National Theatre Endowment Fund, on its winding up, that funds transferred to the Foundation from the Endowment Fund would be retained to be able to assist the National in such circumstances.

The Trustees consider the level of reserves in the General Fund, which stood at £2.9m at the year-end [2022/23: £2.75m], together with the designated funds held in the Foundation General Purpose fund £0.52m (2022/23: £0.53m) and the NT General Purpose Fund £1.1m (2021/22: £1.35m) to be adequate to enable them to respond to the potential value of grant applications in the foreseeable future.

DESIGNATED FUNDS

i. Benevolent Fund

The purpose of this Fund is to provide protection for a proportion of the Foundation's assets for the future so as to enable the Trustees to continue to fulfil the Foundation's second charitable objective, to provide support to the staff and former members of staff of the National and of the acting company who are in necessitous circumstances. Trustees consider that a fund of £1,000,000 is needed to meet likely on-going applications. The Trustees keep this policy under review. An amount equivalent to that paid out in grants is transferred from the Foundation General Purpose Fund each year.

Since April 2023 the Foundation has awarded benevolent grants to 28 individuals, totaling £77,549.

ROYAL NATIONAL THEATRE FOUNDATION

TRUSTEES' ANNUAL REPORT

For the year ended 31 March 2024

In prior years the Trustees have offered support to the NT's Apprenticeship scheme through its allocation of funds, assisting individual apprentices who might themselves be in hardship because of travel costs or living expenses, to the extent that it would jeopardise their ability to complete the apprenticeship. Whilst the Trustees did not receive any applications this year, they feel that there is still a real need in this area, and given their commitment to the NT's apprenticeship scheme, have agreed to continue to support it in future years.

ii. Foundation General Purpose Fund

The Legacies Agreement with National Theatre (effective 17 February 2016) states that all unrestricted legacies received directly by the Foundation are to be allocated to the Foundation General Purpose Fund.

RESTRICTED FUNDS

The Legacies Agreement with National Theatre (effective 17 February 2016) states that all restricted legacies received by either the National Theatre or the Foundation are to be allocated to the Funds, which is one of the five restricted National Theatre sub-funds (NT Learning, NT Productions, NT Premises, NT Studio/New Work and NT General Purposes).

i. NT Learning sub fund

This fund, previously known as Learning Fund, was established to reflect the former Legacies Agreement (dated 22 March 2012) between the National Theatre and the Foundation to provide a long term and significant source of grants for learning activities at the National and through the Foundation. Monies equivalent to amounts received as unrestricted legacies by the National Theatre were given to the Foundation for investment in this Fund. The current Legacy Agreement stipulated that the balance on the Learning Fund to be credited to the NT Learning sub-fund.

The balance on the NT Learning sub-fund represents the brought forward balance and an allocation of the net gains on investment in year.

ii. NT Productions, NT Premises, NT Studio/New Work and NT General Purpose

These funds represent legacy gifts received in year and an allocation of the net gains on investment in year.

CONNECTED CHARITIES

The Foundation has objectives related to those of the National but fulfills these independently.

LEGACIES

The NT General Purpose Fund received £234,944 from the National representing legacies left to it.

CHARITABLE ACTIVITIES

During the year a £50,000 grant was paid to the National to support the Welfare Department.

A payment of £30,000 was also made to the National for the Peter Hall Director's Award. In addition, year 2 payment of a 3-year £500,000 per year commitment was agreed. The Foundation also contributed £30,600 towards the costs of Legacy work carried out by the National Theatre's Development Department. Plus £10,000 for the Rayne Award.

There have been 28 Benevolent Grants awarded this year totaling £77,549 [2022/23: £76,100].

Administrative support is provided by the National Theatre and a fee of £18,000 [2022/23: £18,000] is charged to the Foundation for these services.

STATEMENT OF RECOMMENDED PRACTICE

The financial statements have been prepared in accordance with the accounting policies set out on pages 15-17 and comply with the Statement of Recommended Practice "Accounting and Reporting by Charities" and relevant statutory requirements.

STATEMENT ON DISCLOSURE OF INFORMATION TO THE AUDITORS

In so far as the Trustees are aware:

- there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions, disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT

For the year ended 31 March 2024

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE ROYAL NATIONAL THEATRE FOUNDATION

OPINION

We have audited the accounts of The Royal National Theatre Foundation (the 'charity') for the year ended 31 March 2024 which comprise the statement of financial activities, the balance sheet, the statements of cash flows, principal accounting policies and the notes to the accounts. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the accounts:

- give a true and fair view of the state of the charity's affairs as at 31 March 2024 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the accounts section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the accounts, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the accounts is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the accounts are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The other information comprises the information included in the annual report, including the trustees' annual report, other than the accounts and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the accounts does not cover the other information and we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the accounts themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

ROYAL NATIONAL THEATRE FOUNDATION

INDEPENDENT AUDITOR'S REPORT

For the year ended 31 March 2024

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the trustees' report is inconsistent in any material respect with the accounts; or
- sufficient accounting records have not been kept; or
- the accounts are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE ACCOUNTS

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- The engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- We identified the laws and regulations applicable to the charity through discussions with management and trustees and from our knowledge and experience of the charity sector;
- We focused on specific laws and regulations which we considered may have a direct material effect on the accounts or the activities of the charity. These included but were not limited to the Charities Act 2011; Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the United Kingdom and Republic of Ireland (FRS 102) (effective 1 January 2019), and
- We assess the extent of compliance with laws and regulations identified above by making enquiries of management and representatives of the trustees and review of the minutes of trustee meetings.

ROYAL NATIONAL THEATRE FOUNDATION

INDEPENDENT AUDITOR'S REPORT

For the year ended 31 March 2024

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE ACCOUNTS (CONTINUED)

We assessed the susceptibility of the charity's accounts to material misstatement, including how fraud might occur by:

- Making enquiries of management and representatives of the trustees as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- Considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- Performed analytical procedures to identify any unusual or unexpected relationships;
- Tested the authorisation of expenditure;
- Tested the implementation of financial controls; and
- Investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- Agreeing financial statement disclosures to underlying supporting documentation;
- Reading the minutes of meetings of the trustees; and
- Enquiring of as to actual and potential litigation and claims.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

ROYAL NATIONAL THEATRE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 March 2024

1 GENERAL INFORMATION

The Foundation was established as an unincorporated charity under a Trust Deed dated 6 July 1976. The Foundation was registered with the Charity Commission (number 271706) on 10 August 1976 for the education of the public in the art of drama and the promotion of their appreciation of classical and modern drama in all its artistic forms at the National Theatre; the relief of past or present employees of the National Theatre who are in necessitous circumstances; as ancillary to the above objects, to support the National Theatre in its aims to further the appreciation of classical and modern drama. The Foundation's registered office is The Royal National Theatre, Upper Ground, London, SE1 9PX.

These objects are set out in the governing document, which is a Declaration of Trust, and have been developed into a set of aims and objectives as described within this report on page 4.

2 STATEMENT OF COMPLIANCE

The Foundation meets the definition of a public benefit entity under FRS 102. The financial statements have been prepared in accordance with applicable United Kingdom Accounting Standards, the Companies Act 2006, the Charities Act 2011, and the recommendations of the Statement of Recommended Practice "Accounting and Reporting by Charities, in accordance with the Financial Reporting Standards applicable in the UK and the Republic of Ireland (FRS 102) effective 1 January 2019 ("Charities SORP (FRS102)").

3 PRINCIPAL ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

A BASIS OF PREPARATION

The financial statements have been prepared on a going concern basis, under the historical cost convention. After making enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue its activities for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements as outlined in the Statement of Trustees Responsibilities on page 7.

B GOING CONCERN

The trustees have assessed whether the use of the going concern assumption is appropriate in preparing these accounts. The trustees have made this assessment in respect to a period of one year from the date of approval of these accounts.

The trustees of the charity have concluded that there are no material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees are of the opinion that the charity will have sufficient resources to meet its liabilities as they fall due and will draw down from the investment portfolio to fulfil the net liabilities position on the balance sheet.

The Foundation has sufficient cash and investments to cover the grants committed to at the year end and trustees are able to control the costs and level of grants made and as such conclude that the Foundation remains a going concern for at least 12 months from the date of approval of these financial statements.

C INCOME

All income is included in the Statement of Financial Activities when the Foundation has legal entitlement, there is reasonable probability over receipt and the amount of income can be quantified with reasonable accuracy.

- Donations and legacies are recognised when there is evidence of entitlement, receipt is probable and its amount can be measured reliably; furthermore, entitlement to legacy income is when estate accounts are settled or there is notification of a distribution.
- Charitable activities are recognised when there is evidence of entitlement, receipt is probable, and its amount can be measured reliably.
- Investment income and interest receivable are recognised on an accruals basis.

3 PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

D EXPENDITURE

All expenditure is accounted for on an accruals basis and is classified under the relevant activity within the Statement of Financial Activities.

- Grants for specific projects are accounted for when approved by the Trustees and notified to the beneficiaries.
- Excess grants are written back on receipt of final claims from beneficiaries.
- Benevolent grants are made to current and former employees of the National and its acting company; these grants are accounted for when the beneficiary is notified.
- Raising donations & legacies – expenditure on raising donations and legacies represent the cost of securing donations and legacies, including marketing costs.
- Charitable activities – expenditure directly incurred relating to the charitable objectives, including awards and grants to National Theatre and individuals.
- Support costs are apportioned across charitable activities in proportion to the value of grants and awards made as set out in Note 8, including expenditure on audit fees, National Theatre management and bank charges. The Foundation uses the services of staff employed and paid by National Theatre and a management charge of £18,000 [2022/23: £18,000] is paid in this respect.

E FINANCIAL INSTRUMENTS

The Foundation has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic instruments are initially recognised at transaction value and subsequently measured at amortised cost. Financial assets are held at amortised cost and comprise cash at bank and in hand, and debtors. Financial liabilities are held at amortised cost and comprise of creditors.

At the Balance Sheet date, the Foundation held financial assets at amortised cost of £19,916 [2022/23: £193,838] and financial liabilities at amortised cost of £609,844 [2022/23: £251,697].

F INVESTMENTS

Investments, including bonds held as part of an investment portfolio, are stated at market value as at the balance sheet date. Investments are revalued to market value as at the balance sheet date and the surplus or deficit of this revaluation is shown as unrealised gains or losses on the face of the Statement of Financial Activities. Realised gains and losses represent the difference between the sale proceeds and the opening market value of an investment or cost if purchased during the year.

At the Balance Sheet date, the Foundation held financial assets at market value of £6,756,858 [2022/23: £6,284,500].

G DEBTORS

Debtors include amounts owed to the Foundation for the provision of goods and services, or the amounts the charity has paid in advance for the goods and services it will receive. Debtors also include amounts receivable on grant funding to which the charity is entitled. Debtors are measured at their recoverable amount.

H CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash in hand, deposits held at call with banks, and other highly liquid investments.

I CREDITORS

Creditors are measured at their settlement amount and is recognised for the amount that the Foundation anticipates it will pay to settle the debt or the amount it has received as an advance payment for goods or services it must provide.

J RESTRICTED FUNDS

These are monies which have legal restrictions on their use where donors have specified the funds can only be spent on certain of the charity's activities. These represent restricted grant funding, and legacies covered by the agreement between the National Theatre and the Foundation effective 17 February 2016.

ROYAL NATIONAL THEATRE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 March 2024

3 PRINCIPAL ACCOUNTING POLICIES (CONTINUED)

K UNRESTRICTED FUNDS

These general funds are available for use at the discretion of the Trustees in furtherance of the charity's general objectives.

L DESIGNATED FUNDS

These are funds set aside out of general funds by the Trustees, for particular purposes. The purpose of this Fund is to provide protection for a proportion of the Foundation's assets for the future so as to enable the Trustees to continue to fulfill the Foundation's second charitable objective, to provide support to the staff and former members of staff of the National and of the acting company who are in necessitous circumstances. Trustees consider that a fund of £1,000,000 is sufficient to meet likely on-going applications. The Trustees keep this policy under review. An amount equivalent to that paid out in grants is transferred from the Foundation General Purpose Fund each year.

M TAXATION

The Foundation is a registered charity and can take advantage of the exemptions from income tax under the provisions of the Income Taxes Act 2007.

Tax recoverable relates to tax due to be reclaimed from HMRC on investment income where tax was deducted at source.

N CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Foundation's accounting policies, trustees are required to make judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects the current and future periods.

In the view of the trustees, no assumptions concerning the future or estimation uncertainty affecting assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.
