### Trustees' Report

The Trustees present their report and the financial statements for the year ended 31 December 2021. The Trustees who served during the year and up to the date of this report are set out on page 1.

The Trustees checked the receipts, payments, accounting records and bank statements of the Islamic Universal Association Limited. As far as these are concerned I can confirm that these accounts represent an accurate and true record of the Refugee Aid Trust financial situation at the end of that financial year ending 31 December 2022.

### Structure, governance and management

The charity was formed by way of constitution which was adopted on 7 October 2003 and amended on 7 July 2003. There are three trustees.

### Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and the United Kingdom Generally Accepted Accounting Practice.

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
