

The Hadrian Trust

**Trustees' Annual Report and Financial Statements
for the year ended 30 September 2025**

Charity Number: 272161

THE HADRIAN TRUST

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2025

The trustees are pleased to present their report together with the financial statements of the charity for the year ended 30 September 2025 which are also prepared to meet the requirements for the Charities Act 2011.

The financial statements comply with the Charities Act 2011, the Trust Deed and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The organisation is a Public Benefit Entity within the definitions of s34 FRS 102.

REFERENCE AND ADMINISTRATIVE DETAILS

CONSTITUTION

The Hadrian Trust is a charitable trust governed by its trust deed dated 23 September 1976.
It is a registered charity; charity number 272161.

TRUSTEES

The trustees who served during the year and up to the date of approval of the financial statements were:

C.M. Wood Chair
I. Brown
J. C. Fitzpatrick
G. Rolt
A. Maskery

KEY MANAGEMENT PERSONNEL

The key management personnel of The Hadrian Trust is deemed to be the trustees as identified above.

THE HADRIAN TRUST

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2025 (continued)

HISTORY OF THE TRUST

The Hadrian Trust was established by a trust deed dated 23 September 1976, following an initial gift by Mrs Linda Kathleen Armstrong. The initial capital was supplemented by subsequent gifts made by Mrs Armstrong during her lifetime and ultimately by a substantial legacy following her death in 1988.

OBJECTIVES AND ACTIVITIES OF THE TRUST

The trustees are directed by the trust deed to apply the capital and income of the trust for such charitable object or objects or for such charitable purpose or purposes as they might in their absolute discretion select. The Trust's main activities are to safeguard the investment portfolio, and generate income to allow for grant making. The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Trust's aims and objectives, in planning future activities, and setting the grant making policy for the year.

STRUCTURE GOVERNANCE AND MANAGEMENT

The Trust is administered by the board of trustees. The trust deed provides that the surviving or continuing trustees should have the power to appoint new trustees and that the number of trustees should be three at least. New trustees are appointed on invitation and by confirmation by ordinary resolution at a quarterly meeting. The chair-person is appointed by the trustees.

New trustees are briefed on the powers and responsibilities of the trustees, the grant sub-committee, the grant making process, investments and the recent financial performance of the trust. Where appropriate the trust supports the training of trustees including, for example, the attendance at seminars organised by the Association of Charitable Foundations.

The trust does not employ any staff and is entirely managed by the trustees. The trustees make all decisions concerning the trust. One of the trustees acts as correspondent to deal with grant administration and routine correspondence. All eligible applications are acknowledged, listed, summarised and considered by a grants sub-committee before recommendations are submitted to the next meeting of the full board of trustees. The trustees meet quarterly to consider these recommendations and then make final decisions on the awarding of grants. Emergency applications can be dealt with between meetings.

The trustees receive a detailed report from its Investment Managers once a quarter and also meet representatives from the Investment Managers at least every six months who present their report and valuation of the trust's investment portfolio. This is then discussed and any necessary changes to the investment strategy decided upon.

RISK MANAGEMENT

The trustees have considered the major risks to which the charity is exposed, both as to the Investment Portfolio and their Grant Making, and have established procedures to manage them:

Investment Portfolio: The investment managers, who have discretionary powers, are under a duty to report to each of the trustees, all changes in the portfolio and to present a report and valuation, which is studied and discussed in detail by the trustees as stated above.

Grant Making: Recipients of grants are required to report how the grant has been spent and how it has helped the project. A trustee attends the bi-monthly meetings of the North East Trust Secretaries' Group and takes part in the 'information exchange' there. However, the trustees consider that an element of risk is inherent in good grant-making; particularly as it is the policy of the trustees to try to help charitable projects which may have difficulty in securing funding elsewhere and also, where appropriate, to contribute to start-up funding for charitable projects which may not yet be registered charities.

THE HADRIAN TRUST

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2025 (continued)

GRANT MAKING POLICY

The trustees are aware of the public benefit requirement of section 4 of the Charities Act 2011 and having reviewed the grants made during the year are satisfied that they have complied with the requirements of the Act.

The published policy of the trustees is to help social welfare and other charitable organisations and individuals in need within the Beneficial Area. Although the founder, Kathleen Armstrong, would not give any instructions as to aims and objectives, the trustees have always tried to follow her philanthropic example, her love of the countryside and music.

The main headings under which applications are considered are: Social Welfare, Youth, Women, the Disabled, the Elderly, BAME, Education, the Environment and the Arts.

Applications from individuals in need are referred to the Greggs Trust which administers a Joint Hardship Fund in conjunction with other trusts and to which the trust makes a quarterly grant.

The Beneficial Area is defined by the boundaries of the old counties of Northumberland and Durham. This includes Tyne and Wear and Cleveland (North of the Tees).

GRANT APPLICATION PROCESS

The trust is listed in all the main directories and particularly in the local Grant Seekers' Guide. An Information Sheet is available on request. Historically application has been by letter with a copy of the annual report and accounts and list of other applications being made. Before submitting an application, applicants are recommended to consult the trust's website (www.hadriantrust.co.uk) where they will find a list of items that the letter of application should include. All eligible applications are acknowledged and the acknowledgement gives the date when the application will be considered and may request further information. Payments are made by Bank transfer to successful applicants within fourteen days of the meeting but no further correspondence is sent to unsuccessful applicants.

The Trust introduced an on-line application process for organisations during the year to September 2017. It is a simple form with the facility to attach reports and accounts. An automated reply is sent to the applicant informing them the form has been received and will be processed. This is then followed up by the administrator who confirms the date of the meeting when the application will be considered. Currently circa 90% of applications are received online.

ACHIEVEMENTS AND PERFORMANCE

The Trust generated £268,032 (2024: £261,918) during the financial year. The trustees met quarterly and made 259 grants totalling £245,840 (2024: £244,140). Grant categories necessarily overlap, but the grant total was divided as follows: Social Welfare £63,910 (26.0%), Youth £34,350 (14.0%), Women £9,500 (3.9%), Disabled/Elderly £76,000 (30.9%), BAME £10,580 (4.3%), Arts £18,000 (7.3%), Education £8,000 (3.3%), Environment £5,500 (2.2%), Individuals (through Greggs Foundation) £20,000 (8.1%).

PERFORMANCE MONITORING AND REVIEW

All recipients of grants are asked to report how the grant has been spent and how it has helped the project.

FINANCIAL REVIEW

The income of the trust consisted of income from the COIF Investment Fund and interest on deposits. The Gross income for the year was slightly higher at £268,032 (2024: £261,918). The distributions received by the Trust are net of CCLA charges.

As at 30 September 2025 the value of the Investment Portfolio was £9,193,971, based on the mid-market value of the Units at that date (2024: £9,608,543). This represents an increase of 56.6% over cost (2024: 63.7%). Total funds held by the Trust as at 30 September 2025 was £9,267,658 (2024: £9,677,152). Total funds for the Trust are unrestricted. No restricted or designated funds are held.

THE HADRIAN TRUST

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2025 (continued)

PAY POLICY FOR KEY MANAGEMENT PERSONNEL

The Hadrian Trust has identified the Key Management Personnel within the Legal and Administrative Information section and is deemed to consist of the trustees. One of the trustees, G. Rolt, was remunerated in recognition of her work as correspondent to the trust. Mrs Rolt was appointed to this role on 23rd October 2023, taking over from Mrs P. Dodgson who was remunerated during the period of handover. Full details are contained in Note 7 to the Financial Statements. None of the other trustees are remunerated in their capacity as trustee. The remunerated trustees are not involved in the decision making arrangements for setting the remuneration.

INVESTMENT OBJECTIVES

The trustees' investment objectives are as follows:

To maintain, and over the longer term to increase, the purchasing power of the trust capital and the real value of the income derived from it.

To limit the risk of the trust capital diminishing in value over the longer term.

To ensure that the trust's investment managers act in accordance with the principles of good practice.

INVESTMENT POLICY AND PERFORMANCE

The trust deed gives the trustees an absolute discretion as to the investment of trust monies. The investment strategy, including asset mix, the target income level and the acceptable level of risk is agreed with the investment managers. From January 2006 the portfolio has been managed on a discretionary basis and as the trust deed gives the trustees power to distribute capital as well as income, investment performance is to be measured by total return on a rolling three-year basis.

RESERVES POLICY

The trustees do not consider it necessary to maintain reserves as they have the power to resort to capital and the trust has no ongoing commitments.

REVIEWS

The trustees carry out periodical reviews of their investment management arrangements and as reported in previous years' Financial Statements, appointed CCLA Investment Management Limited to manage the Trust Investments with effect from 1 October 2015.

FUTURE PLANS

The trustees intend to continue with their present system for assessing grant applications and awarding grants within the Beneficial Area.

The Trustees regularly review the make up of the Board of Trustees.

GOING CONCERN

The trustees have reviewed activities and prepared an assessment to enable them to consider the financial position. On conclusion of this work the trustees, having considered both the significant level of cash and investments held by the charity, consider that there are no material uncertainties regarding the charity's ability to continue as a going concern for the next 12 months.

PUBLIC BENEFIT

The trustees have referred to the guidance in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning future activities. The charitable objectives are set in order to provide a clear and demonstrable public benefit.

THE HADRIAN TRUST

TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2025 (continued)

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity's trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities Statement of Recommended Practice;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Board of Trustees is aware:

- There is no relevant audit information of which the charity's auditors are unaware; and
- The Board of Trustees has taken all the steps that it ought to have taken to make itself aware of any relevant audit information and to establish that the auditors are aware of that information.

Signed on behalf of the trustees

C.M. Wood

THE HADRIAN TRUST

Independent auditor's report to the Trustees' of The Hadrian Trust YEAR ENDED 30 SEPTEMBER 2025

Opinion

We have audited the financial statements of The Hadrian Trust ('the charity'), for the year ended 30 September 2025 which comprises the statement of financial activities, the balance sheet, and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 September 2025 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of The Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to Going Concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

THE HADRIAN TRUST

Independent auditor's report to the Trustees of The Hadrian Trust YEAR ENDED 30 SEPTEMBER 2025 (continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 5, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The risk of material misstatement due to error or fraud has been assessed in conjunction with how internal controls may mitigate any such risk. These controls are reviewed as part of the audit by performing systems walkthroughs to ensure they are operating effectively. Analytical review and substantive testing is also performed on all material balances and therefore any instances of non-compliance should be identified or considered as insignificant. In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the audit engagement team;

- obtained an understanding of the nature of the industry and sector, including the legal and regulatory framework, in which the charity operates and how the charity complies with that legal and regulatory framework
- inquired with management and those charged with governance about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud
- discussed with management and those charged with governance any non-compliance with laws and regulations and how fraud might occur including assessments of how and where the financial statements may be susceptible to fraud.

THE HADRIAN TRUST

Independent auditor's report to the Trustees' of The Hadrian Trust YEAR ENDED 30 SEPTEMBER 2025 (continued)

The risk of management override of controls was also considered an area of potential misstatement due to fraud. Audit procedures performed included testing of cashbook entries and other adjustments and evaluating the business rationale in relation to significant, unusual transactions and transactions entered into outside the normal course of business. There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities is available on the Financial Reporting Councils website at <https://www.frc.org.uk/auditresponsibilities>. This description forms part of our audit report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with The Charities Act 2011. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Nicholas Cunningham Msc Bsc FCCA (Senior Statutory Auditor)
For and on behalf of Robson Laidler Accountants Limited, Statutory Auditor
Fernwood House, 17 Fernwood Road, Jesmond
Newcastle upon Tyne, Tyne and Wear

THE HADRIAN TRUST

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30 SEPTEMBER 2025

GENERAL INFORMATION

The charity is a registered charity in England and Wales and is unincorporated. The address of the principal office is The Hadrian Trust, 19 Windmill Way, Morpeth, Northumberland, NE61 1XQ.

1 ACCOUNTING POLICIES

Statement of Compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and Charities Act 2011.

Basis of Preparation

The financial statements have been prepared on the historical cost basis with the exception of fixed asset investments which are held at fair value.

The financial statements are prepared in sterling, which is the functional currency of the entity.

The most significant areas of adjustment and key assumptions that affect items in the accounts are to do with the valuation of the investments. With respect to the next reporting period, the most significant areas of uncertainty that affect the carrying value of assets held by the Trust are the level of investment return and the performance of investment markets (see the investment policy and performance and risk management sections of the trustees' annual report for more information).

The trustees do not consider there to be any other areas of significant judgement or estimation uncertainty to the accounts.

Going Concern

The trustees have reviewed activities and prepared an assessment to enable them to consider the financial position of the organisation. On conclusion of this work the trustees, having considered both the significant level of cash and investments held by the charity, consider that there are no material uncertainties regarding the charity's ability to continue as a going concern for the next 12 months.

Disclosure Exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS102, in accordance with FRS102 Public Benefit Entity 3.3A the trustees confirm that this charity is a Public Benefit Entity (PBE).

The entity has taken advantage of FRS102 Section 1A available to small entities and therefore no cash flow statement is required.

Donations

Donations are of a general nature and are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Investment income and interest receivable

Interest is included when receivable by the charity.

Income from investments is included in incoming resources when the charity is entitled to receipt.

Fund accounting

All funds are classed as unrestricted funds, which the trustees are free to use for any purpose in furtherance of the charitable objects.

THE HADRIAN TRUST

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 30 SEPTEMBER 2025 (continued)

Investment assets

Investments are a form of basic financial instrument and are initially recognised at their cost and subsequently measured at fair value as at the balance sheet date using the mid market value. The Statement of Financial Activities includes the unrealised gains and losses arising on revaluation of investments held at the year end.

Cash

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. All expenses, including support costs and governance costs, are allocated or apportioned to the applicable expenditure headings in the statement of financial activities. All expenditure is inclusive of VAT.

Grants payable are payments made to third parties in the furtherance of the charitable objects. Grants payable are: agreed grants paid during the year; and agreed grants which have not been paid but which are payable on the satisfaction of a condition on the part of the grantee which has not yet been satisfied.

Support costs have been differentiated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the audit of the financial statements and other costs with an apportionment of overhead and support costs.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provision are normally recognised at their settlement amount after allowing for any trade discounts due.

Taxation

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.

Financial Instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

4 INVESTMENT MANAGEMENT FEES

The Investments of the Hadrian Trust is held in the COIF Charities Investment Fund which is an entity in its own right and therefore no charges are directly levied on the Hadrian Trust. The Management fees of CCLA Investment Managers Limited are charged to the COIF Charities Investment Fund. The Annual Management Charge of CCLA Investment Management is 0.6% of the value of assets which is charged to the Fund monthly. This figure is included in the ongoing charges figure which is 0.88%. During the current year because the value of the Trust's Assets under management at one stage exceeded £10 million, the Trust has received a rebate of charges from CCLA which is disclosed in Note 5 to the Financial Statements.

This is stated after charging:		
	£	£
Auditor's fee	4,320	3,150

7 KEY MANAGEMENT PERSONNEL AND TRUSTEE REMUNERATION AND EXPENSES

The key management personnel of the charity comprises solely of the trustees. A fee of £1,584 per month was paid to Gillian Rolt, one of the trustees, in recognition of her work as correspondent to the trust. Ms Dodgson, Mrs Rolt's predecessor retired from the trust on 23 October 2023 and Mrs Gillian Rolt took over the position. There was a short handover period whilst a smooth transition took place.

Payment of such fees are allowed under the terms of the governing document of the Trust.

Trustee remuneration in respect of these services rendered for the year end 30 September 2025 was £19,008 (2024: £21,432). At 30 September 2025, no amounts were owing in respect of this work (2024: £Nil).

No other trustees were remunerated during the year (2024: None).

No expenses were paid to any of the trustees during the year (2024: £Nil).

The charity did not have any employees during the year (2024: None).
