Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Internal control risks are minimized by the implementation of procedures for authorisation of all transactions and projects. Policies and procedures are in place to minimize health and safety risks for staff, volunteers, clients and visitors to the operational centre and for staff, volunteers and clients during home visits.

The objective of CCC Chinese School is to provide for its students to have an opportunity to learn Chinese language and Chinese art & culture.

Responsibilities of the Board of Trustees

Company law requires the Board of Trustees to prepare financial statements each financial year which give a true and fair view of the state of the affairs of the charitable trust as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the trust will continue on that basis.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act. The Trustees are also responsible for safeguarding the assets of the charitable trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Board of Trustees, who served during the year and up to the date of this report are set out on page 2.

In accordance with company law, as trustees, we certify that:

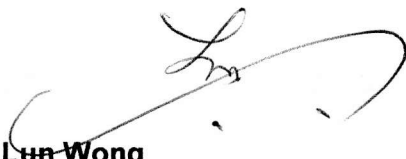

- so far as we are aware, there is no relevant audit information of which the trust's independent examiners are unaware; and
- as trustees, we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that the charity's independent examiners are aware of that information.

1. Accounting Policies

The principle accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

a) Basis of accounting

The financial statements have been prepared under the historical cost convention, in accordance with the Companies Act 2006 and the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005.

b) Tangible fixed assets

c) Fund accounting

Unrestricted funds are available for use at the discretion of trustees in furtherance of the general objectives of the charity.

d) Incoming resources

Incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy.

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable.

Donated services are included at the value where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

e) Resources expended

Expenditure is recognized on an accrual basis as a liability is incurred. Expenditure included any Vat which cannot be recovered, and is part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fund raising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs includes those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.

INDEPENDENT EXAMINER'S REPORT To the Trustees of CCC Chinese School Trust

We report on the accounts for the year to 31st August 2024 as set out on pages 2 to 10.

Respective responsibilities of Trustees and Examiner

The charity's Trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the Act) as amended by S.28 of the Charities Act 2006 and that an independent examination is needed.

It is our responsibility to

- examine the accounts (under Section 43 of the 1993 Act),
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 43(7)(b) of the 1993 Act), and
- to state whether particular matters have come to our attention.

Basis of Independent Examiner's Statement

Our examination was carried out in accordance with General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the accounts.

Independent Examiner's Statement

In connection of our examination, no matter has come to our attention

1. which gives us reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with Section 41 of the 1993 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Act have not been met; or
2. to which, in our opinion attention should be drawn in order to enable a proper understanding of the accounts to be reached.
