THE DORSET HEALTH TRUST LIMITED

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2025

The trustees present their report and the accounts of The Dorset Health Trust for the year ended 30 June 2025 which are prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and the relevant version of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland. In preparing this annual report the trustees confirm that due regard has been paid to the public benefit guidance published by the Charity Commission.

At the Trust's AGM in January, our President Captain Michael Fulford-Dobson announced his wish to retire. Very sadly, less than a month later he died very unexpectedly. The Trustees wish to express their sincere gratitude to him for his long and loyal support of this Trust. He will be greatly missed by all that knew him. We are, however, delighted to announce that Professor Michael Dooley, the current Lord Lieutenant of Dorset, has accepted our invitation to become our new President and we look forward to welcoming him to our forthcoming AGM in December 2025.

Objectives and activities for the public benefit

The Dorset Health Trust Limited is a registered charity which furthers its objectives of promoting the relief of sickness primarily by making grants to organisations and medical providers which it deems worthy of support within West, South and North Dorset.

The trustees meet regularly to review the financial position of the Trust and therefore determine the level of grants to be made to local medical and health related organisations in accordance with the Trust's objects and reserves policy.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year.

Grant-making policy

Trustees with medical qualifications contribute very materially to the process of considering grant applications.

Whilst the trustees aim to operate a flexible and open-minded policy in making grants to achieve the Trust's objectives for the public benefit, their criteria for grant-making include:

- (a) stimulating ideas and projects which will lead to better healthcare in Dorset;
- (b) supporting the introduction of advanced methods and practices which should confer long-term benefits; and
- (c) promoting a more human delivery of the NHS facilities than might otherwise be possible.

The trustees consider regularly the extent to which these objectives are realistic, and are being achieved.

Donations and grants payable agreed by the board during the year were:

Talk About Trust - core funding for West Dorset, and Weymouth & Portland area £10,000

Chesil Sailability - to cover annual rent of premises £3,600

Dorchester Trust for Counselling and Psychotherapy - core funding £3,000

Prout Bridge Project - core funding for methbal health targeted project for young people - £10,000

Lewis-Manning Hospice Care - funding specifically for Occupational Therapist and Breathlessness Physiotherapy for patients in Purbeck - £20,000

Weldmar Hospicecare - core funding specifically for Hospice at Home service £200,000

These are all listed in note 2 to the accounts.

In addition, the Trustees have made a grant offer to Weldmar Hospicecare for funding for a further four years. This is not recognised as a liability in the Accounts as the Trustees have the discretion to cease funding for future years.

From time to time trustees of The Dorset Health Trust are also trustees of organisations to which grants are made. On such occasions the relevant individuals declare their interest and play no part in the decision.

THE DORSET HEALTH TRUST LIMITED

REPORT OF THE TRUSTEES (CONTINUED) FOR THE YEAR ENDED 30 JUNE 2025

Achievements and performance

The Trustees met four times during the year to review the performance of the Trust's investments, to assess the risks facing the Trust, and to consider and respond to the applications for grant aid.

The Trust ensures, in accordance with its objectives, that the income is used to benefit the health of the people in Dorset. It supports many organisations by giving them financial support towards their running costs, purchase of equipment or the provision of facilities.

During the year the trustees approved grants totalling £246,600 to six charities in accordance with the grant-making policy.

Financial review

The Trust's income for the year was £186,960 (2024: £289,948), derived from investments.

During the year grants of £246,600 were committed (2024 - £15,100), donations were £Nil (2024 - £500), investment management costs were £18,779 (2024 £17,700) and other expenditure costs were £8,260 (2024: £4,867).

Net investment gains totalled £104,346 (2024: gains £256,395) resulting in a net surplus for the year of £17,667, compared with a net surplus of £508,176 in 2024.

The financial position of the Trust continues to be sound, with total assets of £5,915,090 (2024: £5,897,191) and liabilities of £113,911 (2024: £113,679); total funds standing at £5,801,179 at the balance sheet date (2024: £5,783,512). The trustees are therefore confident that there are sufficient funds to carry out the Trust's future charitable objectives.

The trustees' policy in general is to apply a proportion of available income after necessary costs to awarding grants in accordance with the objects, whilst increasing reserves to maximise future investment income flows. As investment income accrues evenly throughout the year, running costs are minimal and grants awarded are discretionary, the trustees consider that no target level of reserves is required.

At 30 June 2025 general unrestricted funds were £4,444,627, compared with £4,429,098 at 30 June 2024. There was a revaluation reserve of £1,356,552 and no restricted or designated funds.

Structure, governance and management

The Dorset Health Trust Limited is a charitable company limited by guarantee, incorporated on 26 August 1977 and registered as a charity on 26 October 1977. The company was established under a memorandum of association which established the objects and powers of the charitable company, and is governed under its articles of association.

The articles provide that the Trust is managed by not less than five nor more than twenty trustees. The trustees may at any time appoint any member of the charitable company as a trustee, provided that the prescribed maximum is not exceeded. No remuneration is paid to trustees. The trustees consider regularly the constitution of the trustee body, aiming to appoint periodically new trustees with appropriate qualifications in medicine, the law, and financial affairs respectively. No specific policies for the induction and training of trustees is considered to be necessary.

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Approved by the trustees for issue on and signed on their behalf by

The Lady Wynford

THE DORSET HEALTH TRUST LIMITED

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE DORSET HEALTH TRUST LIMITED

I report to the charity trustees on my examination of the accounts of the company for the year ended 30 June 2025, set out on pages 5 to 11.

Responsibilities and basis of report

As the charity trustees of the company (and also the directors of the company for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE DORSET HEALTH TRUST LIMITED

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 30 JUNE 2025

1 Accounting policies

(a) Basis of preparation

The Dorset Health Trust is a private charitable company limited by guarantee and incorporated in England and Wales. In the event of the Trust being wound up, the liability in respect of the guarantee is limited to £1 per member of the Trust. The address of the registered office is given in the Trust information on page 1 of these accounts.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with the relevant version of the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The Trust has applied Update Bulletin 1 as published on 2 February 2016 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

The accounts are prepared on a going concern basis under the historical cost convention. The accounts are presented in sterling which is the functional currency of the Trust and rounded to the nearest pound.

The significant accounting policies applied in the preparation of these accounts are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Income

All income is recognised when the Trust has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount receivable can be measured reliably. No expenditure is netted off income.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rent. Interest income is recognised using the effective interest method and dividend and rent income is recognised as the Trust's right to receive payment is established.

(c) Expenditure

Expenditure is recognised on an accruals basis as soon as there is a legal or constructive obligation committing the Trust to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure includes any VAT which cannot be fully recovered.

Donations and grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust. In the case of an unconditional grant offer this is accrued as a commitment once the trustees have approved the application and the recipient has been notified of the grant award.

(d) Tangible fixed assets

Tangible fixed assets purchased for continuing use by the Trust are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:-

Computer equipment	over 4 years
Other equipment	over 10 years

THE DORSET HEALTH TRUST LIMITED

NOTES TO THE ACCOUNTS (CONTINUED) FOR THE YEAR ENDED 30 JUNE 2025

(e) Investment property

Investment property constitutes land at the Winterbourne Hospital, Herringston Road, Dorchester, measured at fair value at each reporting date with changes in fair value recognised in 'net gains/(losses) on investments' in the statement of financial activities. There is no market-based evidence available to establish fair value, due to its specialised nature, therefore fair value is estimated on the future potential net rental income generated under the lease.

(f) Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value with changes recognised in 'net gains/(losses) on investments' in the statement of financial activities if the shares are publicly traded or their fair value can otherwise be measured reliably.

Current asset investments are included at the lower of cost and net realisable value / market value.

(f) Fund accounting

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the Trust. Unrestricted funds include designated funds which represent monies set aside by the trustees for specific purposes.

The Trust currently has no restricted funds.

2 Donations and grants payable

	2025 £	2024 £
Grants approved in the year:		
Chesil Sailability	3,600	3,600

			5,569,403	5,490,442

Investment property comprises freehold land externally valued at £800,000 on a market value investment valuation basis subject to occupational lease by Ms Agnes Sawyer BSc MRICS of Nettleship Sawyer Chartered Surveyors, prepared in March 2024 for a valuation as at 30th June 2023. The Trustees believe that the fair value of the property as at 30 June 2025 is not materially different from the 2023 valuation.

Details of the leasing arrangements relating to the investment property are provided in note 8.

All listed investments are carried at their fair value, determined by reference to the quoted price for identical assets in quoted public markets at the balance sheet date.

6 Creditors: amounts falling due within one year
