## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

The objects of the Association (set out in its Constitution) are to promote the benefit of the inhabitants of Frampton on Severn and district by bringing together local organisations and individuals for education, social welfare, and recreation & leisure activities to improve the conditions of life of the said inhabitants.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The Association meets its objects by:

- (1) providing the best facilities it can for local organisations and individuals to use,
- (2) bringing together local organisations on a regular basis, and
- (3) encouraging the local activities that can be seen to benefit local people in the aspects of education, social welfare and recreation & leisure activities.

It maintains and runs the Cadbury Hall in Lake Lane, held under a lease & licence from Gloucestershire County Council.

It owns and maintains the Recreation Field and a dedicated - and much used - playground area on the Recreation Field in Lake Lane. It also leases part of the land to Frampton on Severn Tennis Club – the Club has a facility of three courts plus a clubhouse.

It also owns the Severnside Scout Group Headquarters (leased to the Severnside Scout Group) off Whitminster Lane, which is used by Beavers, Cubs and Scouts.

Many of the charity's affiliated groups use the Cadbury Hall on a weekly basis: the Sunnyside OAP day centre; the Wellbeing mobility classes; Zumba classes; Drama Group and Silver Band rehearsals and performances (both involving youth sections); a Mothers and toddlers group; Brownies; Frampton on Severn Table Tennis Club (who play league matches), Bingo and a Bridge club.

Other groups and individuals come to the Hall for one-off events, fund-raising events, Community Health Checks, and social activities such as wedding receptions, anniversaries, birthday parties, and children's events.

FCA hosts numerous local Skittles teams playing league matches.

FCA funds and prints a bi-monthly Community Newsletter delivered to all residents of the village together with some coverage of the surrounding area.

Trustees have had regard to the guidance issued by the Charity Commission on public benefit and are confident that they are providing a valuable range of facilities, open appropriately to all members of the general public and to members of the Affiliated Groups which make up the Association.

The focus of our activities has been to:

- (1) Meet the objects of the charity.
- (2) Ensure the continued viability of the charity.
- (3) Ensure that the charity complies with all the relevant legislation, Charity Commission advice and best practice.
- (4) Maintain our facilities at the highest standard we can for the use of the local population at very reasonable rates.
- (5) Continue the refurbishment programme of the Cadbury Hall complex
- (6) Continue the review process on possible future facilities.

(7) Review the management and trustee process with the aim of improving supervision and efficiency.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

No financial grants or assistance are given.

The Association offers a limited amount of 'free' or heavily discounted use of some of our facilities for local community-based events, such as the NHS Community Health Check sessions and FoSERT Friends (Frampton on Severn Emergency Response Group Friends) events.

There are no paid staff working for the charity. All the work is done by the Trustees or by members of the Executive committee, who are all volunteers, for which we are extremely grateful.

**Summary of the main achievements of the charity during the year**

This year we have focused our activity on:

- Reduce financial loss and make the charity financially viable in the future.
- To the review of the future use of all FCA assets both to optimise our facilities to meet our objects in the future.

Financial Viability:

- Review & reduce expenditure.
- We had a smart meter fitted to review electricity usage as this is a quarter of our expenditure.
- We set up a maintenance team who were able to complete minor repairs at no cost.
- We arranged a grant to fund a replacement defibrillator.
- We arranged a grant to pay for full building surveys of Cadbury Hall and the Scouts Headquarters.

2. Increase Income.

- We increased publicity and marketing via Facebook and our website.
- We increased visitor numbers and ad hoc hire bookings.
- We increased hire income from £13.5k to £21k
- We increased our fundraising by taking part in the local Sheep Racing Event and joining the Lucky Severn Lottery scheme (run by Stroud District Council).
- We gained local funding (£21k) to purchase and install a new piece of play equipment for childrens playground on the recreation ground.
- We were able to increase the annual rent from the Tennis Club, but this is still a peppercorn rent.

Highlights:

- Perryway Players restarted putting on a spring production.
- Frampton Feast Group restarted the annual free Feast Lunch for villagers over 65.
- We have started hosting tribute nights which are well attended and very popular with the older residents of the village and surrounding area.
- We have started hosting free NHS Community Health Check and/or Covid Vaccination sessions.
- We have worked with the local PCSO to hold a PCSO Bike marking event.
- We now host the Frampton Youth Football Club under 6's during the winter period when it is too cold and dark for them to practice outside.

**Brief statement of the charity's policy on reserves**

We had 80% cover at the end of 2024, 2023 was 74%. Part of the challenge is that even though our cash reserves go up, the running costs also rise. Not just bar costs but utilities, insurances etc.

The aim of getting to 100% by the end of 2026 is obviously dependent upon any key items of expenditure which arise.

**Details of any funds materially in deficit****Further financial review details (Optional information)**

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Our principal sources of income are as follows:

For the Cadbury Hall:

- Our aim is for hire and rental fees from the use of its facilities to cover operating costs, however, we have not been able to achieve this due to the huge rise in electricity costs. We have to rely on bar revenue to make up the shortfall.
- We seek donations and grants for capital equipment.

For the Playground and Recreation Field:

- We seek donations and grants from local councils, charities and individuals.

For the Village Community Newsletter

- Income from the advertising should cover the printing costs. However, the printing costs have risen significantly over the financial year, so we will need to review and possibly increase prices.

Other Fundraising:

- We have joined the The Lucky Severn Lottery Scheme run by the Stroud District Council.
- We sought sponsorship of a race at the local Sheep Racing Event.
- We were sent an anonymous donation via CAF.

Other than running costs, we have kept expenditure to a minimum, with only 4 major purchases over £500:

- We spent £1022.50 on full building surveys for Cadbury Hall and the Scouts Headquarters. This has helped identify and prioritise any repairs needed over the next 5 years and to ensure the buildings are kept at the highest standard. We obtained a grant from Frampton Parish Council to cover the cost of this report.
- We spent £845 on a replacement defibrillator which is available 24/7 to the public. We obtained a grant from Gloucestershire County Council to cover the cost of this equipment.
- We spent £500 on a second-hand coin operated pool table to improve the skittle alley facilities (we will recoup the cost through use)
- We spent £825 on a replacement cellar door to increase security.

As we have limited funds available our investment policy is to use surplus funds to repair or improve Cadbury Hall and the Recreation Ground.

Our reserve funds have been transferred to a savings account to gain interest.

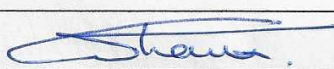

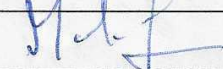

Overall, we are pleased to see an improvement in finances from last year but are still concerned about the long-term financial viability of the charity due to rising costs.

**INCOMING RESOURCES**

<b>Recognition of incoming resources</b>	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> <li>the charity becomes entitled to the resources;</li> <li>the trustees are virtually certain they will receive the resources; and</li> <li>the monetary value can be measured with sufficient reliability.</li> </ul>
<b>Incoming resources with related expenditure</b>	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
<b>Grants and donations</b>	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
<b>Tax reclaims on donations and gifts</b>	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
<b>Contractual income and performance related grants</b>	This is only included in the SoFA once the related goods or services have been delivered.
<b>Gifts in kind</b>	<p>Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.</p> <p>Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.</p> <p>Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.</p>
<b>Donated services and facilities</b>	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

<b>Grants with performance conditions</b>	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
<b>Grants payable without performance conditions</b>	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
<b>Support Costs</b>	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

**ASSETS**

<b>Tangible fixed assets for use by charity</b>	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

I report to the trustees on my examination of the financial statements of FRAMPTON ON SEVERN COMMUNITY ASSOCIATION ('the charity') for the year ended 31 March 2024.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
