The Trustees present their annual report together with the financial statements for the year ended 31st July 2024, which have been prepared in accordance with the requirements of the Charities Act 2011.

**REFERENCE AND ADMINISTRATIVE DETAILS**

**Charity Registration Number:** 273860

**Trustees:**

- Dr. P.L.M. Beckwith (resigned 08.12.23)
- Mr O. Chow
- Prof. R. Cleveland (Fellow)
- Mr. J.P. Cronin
- Mrs. E.C. Davies
- Mrs Y Dochi
- Dr. B. P. Domayne-Hayman
- Mr. S.M. Haslam (Chair)
- Mr. D.M. Higgins (appointed 25.01.24)
- The Rt Hon the Lord Jay of Ewelme
- Mr. R.P. Leechman
- Mr. Thomas Meakin
- Prof. J.B.W. Nightingale (Fellow)
- Ms. D.G.L. Rose, KC (President of Magdalen College)
- Mr Y Shen (Fellow/Bursar of Magdalen College)
- Mr. A.J. Todd
- Mr. P. Tosetti
- Ms. F.R. Toube, KC
- Mr. J. Turner

**Trustees with Delegated Authority to sit on Magdalen College Development and Alumni Relations Committee:**

- Dr. B. P. Domayne-Hayman
- Mr. S.M. Haslam (ex-officio)
- Mr. R.P. Leechman

**Trust Secretary:** Mr S. Rainey (Fellow/Development Director - Magdalen College)

**Registered Office:** Magdalen College, Oxford, OX1 4AU

**Auditors:** Moore Kingston Smith LLP  
9 Appold Street, London, EC2A 2AP

**Bankers:** Natwest Bank plc  
43 Cornmarket Street, Oxford. OX1 3HA  
  
CAF Bank Limited  
25 Kings Hill Avenue, Kings Hill, West Malling, Kent. ME19 4JQ

## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

Magdalen College Development Trust ("the Trust") is constituted by a Declaration of Trust dated 8 June 1977, amended on 27 May 1993; and is a Registered Charity (Charity Number: 273860). A copy of the Declaration of Trust is held by the Charity Commission.

The Board of Trustees consists of 4 members of Magdalen College ("the College"), being the President and Bursar (both ex officio) and two other Fellows, plus 14 alumni members, making a total of 18 Trustees serving at the date of the signing of the Trustees' Report. A maximum of 25 Trustees is permitted under the Declaration of Trust (as amended), with the College having two ex-officio members and the right to appoint up to three Fellows as Trustees. Trustee appointments and retirements are set out on page 1 of the Trustees' Report.

Trustee nominations are made by senior Trustees, with advice from the President. Appointments are approved by the Board of Trustees, with the consent of the College through the Development and Alumni Relations Committee of the College ("DARC").

Although Trustees are only appointed with the consent of the College, once appointed, they act independently. The Trustees normally serve for five years and thereafter have to be re-elected every three years. The College also has a right to approve how the assets and income of the Trust are utilised. To this degree the College controls the Trust, though ultimately decisions affecting the Trust are taken by its own independent Trustees.

New Trustees are given an induction pack before their first Trustees' meeting. The Trust Secretary updates all Trustees on the responsibilities of Charity trustees, in line with Charity Commission guidance. The full Trustee Board meets at least once a year and more often if required.

The Trust is assisted by DARC, which meets at least twice a year and oversees the Development Office of the College which is responsible for fundraising and alumni relations. DARC comprises the President, Vice-President, Bursar, Development Director, four elected Fellows, the Chair of the Trust and two other non-Fellow Trustees of the Trust and up to two old members appointed by the College. The Trust's strategy and fundraising priorities are agreed by the full Board of Trustees and are monitored, assisted and advised upon by DARC.

In 2006 the Trustees agreed a protocol (amended following a change in the College ByLaws) setting out the relationship between the College and the Trust, the division of responsibilities between the Trust and DARC, and the way in which decisions are to be taken. This protocol is reviewed each year by the Trustees. The Trustees also pass a resolution annually, giving the three non-Fellow Trustees on DARC authority to approve the designation of unrestricted donations within specified limits following recommendations by DARC. The College provides the Trust with certain administration, financial and secretarial services. The Magdalen Society became dormant in 2016 and the Development Office is now fully responsible for all Alumni relations and events.

The financial management policies of the Trust include regular reporting and monitoring of income. Grants are paid to the College in furtherance of the Trust's objects. No Trustee receives any remuneration from the Trust.

## RISK MANAGEMENT

The major risks to which the Trust is exposed have been identified by the Trustees and are as follows:-

- Loss of reputation by the College and the Trust impacting on the Trust's ability to raise funds
- Bad management and loss of staff in the College's Development Office impacting on the level of donations
- Lack of skills or commitment on the Trustee Board with poor oversight and governance resulting in bad decisions and a weak strategy
- Fraud resulting in the loss of the Trust's funds
- Failure by the College or the Trust to comply with Charity law and regulations
- Changes in Government or Charity Commission policies impacting on the Trust's ability to raise funds

The Trustees have delegated the day-to-day responsibility of managing the Trust's risks to the College, which has in place policies, systems and procedures for assessing and managing risk. These are reviewed regularly by the College's Bursarial Committee, which reports annually on this matter to the Governing Body. The Trustees have reviewed the results of this report in relation to the Trust's major risks and for those areas of activity relevant to the Trust, and are satisfied with the risk management procedures that have been put in place.

## OBJECTS, OBJECTIVES AND PRINCIPAL ACTIVITIES

The Trustees have delegated the day-to-day responsibility of managing the Trust's risks to the College, which has in place policies, systems and procedures for assessing and managing risk. These are reviewed regularly by the College's Bursarial Committee, which reports annually on this matter to the Governing Body. The Trustees have reviewed the results of this report in relation to the Trust's major risks and for those areas of activity relevant to the Trust, and are satisfied with the risk management procedures that have been put in place.

The Trust was established primarily as a fundraising body to meet the needs of the College and provides advice and support to the College on fundraising strategy, projects and execution. The objects of the Trust, as set out in paragraph 2 of the Declaration of Trust, are:

"the advancement of education and learning through the medium of the College by all or any of the following means:"

The list includes the provision of new buildings, restoration of existing buildings, the endowment of fellowships, the provision of scholarships, bursaries and grants to undergraduates and graduates, and "any other means of an exclusively charitable nature which, in the opinion of the Trustees, is likely to be conducive to the advancement of education and learning through the medium of the College".

In the year under review the key fundraising objectives have been to raise funds for:

- the College's Capital Buildings programme.
- the Student Support Fund to provide scholarships, bursaries and hardship grants for undergraduate and postgraduate students.
- the Access and Outreach activities to support the College in attracting the most talented and able students from the widest possible pool.
- projects identified by the College as being of greatest immediate need and funded from unrestricted funds and legacies.

The principal source of funds is gifts and legacies from alumni and other friends of the College. Strategies for achieving fundraising objectives are laid out in the annual development plan and include objectives to meet existing and new fundraising initiatives.

## FUNDRAISING PRACTICES

Fundraising income for the Magdalen College Development Trust is secured through the Development Office at Magdalen College, Oxford. This office consists of a team of nine fundraising and alumni relations executives undertaking a wide range of activities to both build engagement with alumni and donors and deliver fundraising strategies primarily with the College's alumni base. These fundraising activities are undertaken by professional fundraisers, employed by the College, and include face-to-face fundraising, email and postal fundraising.

The College's Development Office is registered with the Fundraising Regulator and is committed to following its Code of Fundraising Practice, complying fully with the scheme, with particular regard to fundraising from vulnerable people. The charity has not involved third-party fundraisers, commercial participators or volunteers with its fundraising activities. Further, the charity has received no complaints with regards to its fundraising activities during the past 12 months.(2023: Nil)

---

## **ACHIEVEMENTS AND PERFORMANCE**

In the year to 31 July 2024, total donations and legacies received by the Trust were £3,840,167 against £7,784,416 in the year to 31 July 2023. The priority for 2023/24 was to continue to identify and engage potential major donors, sharing with them the College's strategy and seeking their support for the College's forthcoming capital projects. This met with considerable success, with nearly £8m secured in gifts and pledges.

Following last year's legacy campaign and a Personal Information Form sent to all alumni, in the last year the Fastolf Society (for those who have let us know they are leaving a legacy to the College in their will) grew by 70 new members to 282 members, an increase of 33%. Promoting gifts to the College through Wills, primarily from alumni, is amongst the Development Office's top priorities and we have partnered with the National Free Wills Network to help advance this.

The Alumni Engagement programme continued to build on its prior success with 34 events held in Oxford, London and the US attracting 1,481 individual alumni. The College's communications output, particularly on social media, continues to receive amongst the highest levels of engagement and audiences across the University.

Total donations and legacies for the year included Restricted Fund donations of £2,612,262 including £284,578 for the Student Support Fund, £1,765,841 for the Capital Buildings Projects and £257,544 for Access and Outreach. Unrestricted Donations of £1,227,905 were received.

All of the funds received in the year have been used to support the charitable activities of the Trust. Note 2 to the accounts shows how the costs of generating voluntary income supported the key objectives for the year.

## **FINANCIAL REVIEW AND RESULTS FOR THE YEAR**

Total incoming resources for the year were £3,841,586 including bank interest of £1,419. Charitable grants payable to Magdalen College totalled £3,836,291 and other costs amounted to £5,195.

The Trustees' reserves policy is to hold a small level of reserves against which future costs may be set. As at 31 July 2024 reserves stood at £20,000. At their meeting in January 2024 the Trustees re-affirmed their commitment to maintain Trust reserves at £20,000 as the College meets the cost of running the Development Office.

## **FUTURE PLANS**

For 2024/25, the fundraising plans are to continue to identify and engage potential major donors with the aim of securing additional support for the College's forthcoming capital projects. Fundraising for Access & Outreach will remain a priority and we will continue to look for support for Graduate Scholarships.

## STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards, including FRS102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Declaration of Trust. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees have complied with the duty in the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission.

ON BEHALF OF THE TRUSTEES  
S. M. HASLAM  
Chairman

Date: 30/1/2015

### **Opinion**

We have audited the financial statements of Magdalen College Development Trust for the year ended 31 July 2024 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard Applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice). In our opinion the financial statements:

give a true and fair view of the state of the charity's affairs as at 31 July 2024, and of its incoming resources and application of resources, for the year then ended;

have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and

have been prepared in accordance with the requirements of the Charities Act 2011.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities Act 2011 requires us to report to you if, in our opinion:

the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or  
the charity has not kept adequate accounting records; or  
the financial statements are not in agreement with the accounting records and returns; or  
we have not received all the information and explanations we required for our audit.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on page 4, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Auditor's Responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the charity's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.

Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

---

**Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

The objectives of our audit in respect of fraud, are; to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the charity.

Our approach was as follows:

We obtained an understanding of the legal and regulatory requirements applicable to the charity and considered that the most significant are the Charities Act 2011, the Charity SORP, and UK financial reporting standards as issued by the Financial Reporting Council.

We obtained an understanding of how the charity complies with these requirements by discussions with management and those charged with governance.

We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with management and those charged with governance.

We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.

Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the charity and charity's trustees as a body, for our audit work, for this report, or for the opinion we have formed.

Moore Kingston Smith LLP  
Statutory Auditor  
9 Appold Street  
London  
EC2A 2AP

3 February 2025

Moore Kingston Smith LLP is eligible to act as auditor in terms of Section 1212 of the Companies Act 2006.

## **1 ACCOUNTING POLICIES**

### **Basis of Preparation**

The financial statements have been prepared to give a true and fair view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide such a true and fair view. The Charity has prepared its accounts in accordance with the Charities SORP (FRS 102), issued in 2015 and updated for applicable accounting standards, replacing the previous SORP (2005).

The transition to the 2015 SORP reflects changes in reporting requirements to ensure greater alignment with FRS 102 and the needs of modern financial reporting. These accounts have been prepared under the historical cost convention as modified by the revaluation of certain assets, where applicable.

The Charity has also taken advantage of an exemption under FRS 102 not to prepare a cash flow statement, as the Charity's accounts are consolidated within the financial statements of its parent charity, Magdalen College.

The Trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the Charity to continue as a going concern. The Trustees are satisfied that the Charity has very limited fixed costs and will have sufficient liquidity to operate for at least the next twelve months from the date of approval of these financial statements. The Charity therefore continues to adopt the going concern basis in preparing its financial statements.

### **Income**

All income is included in the Statement of Financial Activities when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. Legacies are recognised following grant of probate and once the Charity has received sufficient information from the executor(s) of the deceased's estate to be satisfied that the gift can be reliably measured and that the economic benefit to the Charity is probable.

### **Expenditure**

Since 1 August 2006 the costs of running the Development Office have been borne by Magdalen College. The Trust remains responsible for its governance costs as well as the costs of running bank accounts.

All expenditure is accounted for on an accruals basis and has been classified under appropriate expenditure headings.

### **Fund Accounting**

Unrestricted funds are funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been restricted for specific purposes by the donor.

The costs of generating voluntary income cannot be directly attributed to particular funds, and are all met from unrestricted funds. It is not considered necessary to allocate these costs between unrestricted and restricted funds because they are so few, with the costs of running the Development Office being met by the College.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Trust for particular purposes. When donations are received, provision is made in the accounts to transfer the donations to Magdalen College.

**10 CONTROL**

The relationship between the Trust and Magdalen College is described in the Trustees' Report. To this extent the Trust is considered to be controlled by Magdalen College using the definition of control set out in FRS 102.  
The registered charity number of Magdalen College is 1142149

Magdalen College's objects, as described in its Statutes, are:

- (a) to further study, learning, education and research and to be a College within the University of Oxford wherein men and women may carry out advanced study and research (described in the Statutes as learning and education);
- (b) to provide for public worship through the provision, support and maintenance of a Chapel and Choir;
- (c) insofar as it is not incompatible with objects (a) and (b), the advancement of the arts, heritage, culture and science for the benefit of the public.

The College's activities are focused on furthering its stated objects and aims for the public benefit. The principal activities of the College are study, learning, education and research.

A copy of the consolidated accounts that include Magdalen College Development Trust can be obtained from Magdalen College, High Street, Oxford. OX1 4AU.
