Structure, governance and management

Type of governing document:

Constitution adopted 26th February 1975.

How the charity is constituted:

Association consisting of individual and group members. The policy and management of the affairs of the Association shall be directed by a council which shall meet not less than three times a year.

Trustee selection methods:

The Trustees shall be appointed by the Council. The number of Trustees shall not be less than 2 nor more than 4.

Summary of the objects of the charity, set out in its governing document:

To promote the benefit of the inhabitants of Enfield Highway and the neighbourhood without distinction of sex or of political, religious or other opinions by associating the local authorities, voluntary organisations and inhabitants in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure-time occupation with the object of improving the conditions of life for the said inhabitants.

Summary of the main activities in relation to these objects:

To establish a Community Centre and to maintain and manage, or to co-operate with any local statutory authority in the maintenance and management of such a Centre for activities promoted by the Association and its constituent bodies in furtherance of the above objects.

Summary of the main achievements of the charity during the year:

Three regular hirers ceased during the year – Divine Grace, Markaz Elmi Wal-Imaan and Reading Group and two new regular hirers commenced - AA Big Study and AA Polish Group.

Sixteen regular hirers continued from the previous year, AA Group, AA Meeting, AA Stepping into Recovery, Assemblée Chretienne, Blue Bears Playscheme, BT Veterans, Christ's Redemption, Church of Philadelphia, Deegan Academy of Irish Dancers, Honeywood Karate Academy, Pilates, Saint James Children's Church, Saint James Over 50's Fellowship Group, Slimming World, Ultimate Moves and Wonderlands Playgroup.

At the end of the year there were eighteen regular hirers.

Due to Government restrictions for the Covid-19 Pandemic, several groups were unable to meet for most or all of the year. Children's Groups, Playgroup, Support Groups and Worship Groups operated for varying periods in line with the changing restrictions.

Whilst the Centre is usually used most weekends for Wedding Receptions, Christening and Birthday Parties, Meetings and Social and Fund-raising Activities, to meet the Covid restrictions, all such bookings had to be cancelled throughout the year and no new bookings were taken. Full refunds were given to all such hirers.

Following the upgrading of Centre facilities and equipment in recent years, no major works were required. The annual inspections of the gas boiler, emergency lighting, fire alarm, fire extinguishers and air-cooling system were all completed. Some expenditure was incurred to comply with Covid-19 requirements such as hand sanitising and social distancing. Cycle Lanes were installed along the Hertford Road during the year, so in readiness for a full return to use of the Centre cycle stands were installed for the use of hirers. Other expenditure was minimised as far as possible with items such as waste collection and water rates suspended during the periods when the Centre had to be completely closed. Income for the Centre was substantially reduced but with the careful management of expenditure a deficit was avoided and the year ended with a small surplus.

Financial review

Brief statement of the charity's policy on reserves:

No policy has been established on the use of reserves. All cash held is unrestricted funds. Any surplus funds, which are not likely to be needed to pay for maintenance or management of the Community Centre, are invested to earn interest.

Details on any funds materially in deficit: None

The charity's principal sources of funds:

The Centre's main source of funds is hire fees for the use of the Centre, the rates of which are determined annually by the Council of Enfield Highway Community Association.
