Karaviotis Foundation

Trustees' annual report

The Trustees present their annual report and accounts for the year ended 5 April 2025.

Structure, governance and management

The constitution of the charity is by Deed of Settlement made on 17 October 1977. It is a registered charity No 274576 managed by Trustees and its registered address is 71 Queen Victoria Street, London, EC4V 4BE.

The charity is established for such charitable institutions or towards or for the advancement or in the furtherance of such charitable purposes as the Trustees may from time to time in their absolute discretion determine.

The Trustees who served throughout the financial year were:

Mrs Jill Maureen Karaviotis
Joseph Karaviotis
Sophia Alexandra Whitfield

Power of appointing new Trustees is vested in the continuing Trustees. Any new Trustees will be chosen for the skills and expertise they can bring to the Charity. Training needs will be assessed on an individual basis.

Principal aims and objectives

The objective of the Charity is to achieve its charitable objects by management of its portfolio of investments to produce a balance of income generation and long term capital appreciation.

As the power to accumulate income has now expired, the Trustees are obliged to make distributions for charitable purposes up to or exceeding the level of annual income.

The Trustees have no set predetermined policy for awarding grants. Grants are made on the perceived merits of every application at the Trustees' absolute discretion.

Activities and financial performance

The income available for distribution in the year to 5 April 2025 was £68,846. Donations of £29,217 were made during the year, to the organisations as listed on page 11 of these accounts, as approved by the Trustees from time to time.

Total assets of the Charity at 5 April 2025 amounted to £2,885,795 (2024 - £2,951,252), which represents a decrease of 2.2%. The Trustees regard the performance of the portfolio as satisfactory in light of the market conditions of the year.

The Trustees have read the guidance on public benefit issued by the Charity Commission, and they consider the activities and grant making policy ensures the Charity provides public benefit.

Financial review

The Trust has no forward commitments and therefore its policy is not to carry any specific reserves.

Under the Trust Deed, the Trustees have wide powers of investment at their own discretion. The Trustees have delegated investment management under a discretionary mandate.

Risk management

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to reduce the risks.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with the applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the application of resources of the charity for that period. In preparing these financial statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
 - state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

.....
Joseph Karaviotis

Approved on behalf of the Trustees on

Karaviotis Foundation

Independent examiner's report to the Trustees of the Karaviotis Foundation

I report on the accounts of the Trust for the year ended 5 April 2025 which are set out on pages 5 to 31.

Respective responsibilities of Trustees and examiner

The charity's Trustees are responsible for the preparation of the accounts. The charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. Accounting Policies

These financial statements have been prepared in accordance with Accounting and Reporting for Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard in the UK and Republic of Ireland (FRS 102) (effective from 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Accounting Convention

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared on an accruals basis under the historic cost convention, with the exception of investments which are stated at market value.

Going Concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Income and Endowments

Investment income is accounted for on its due date of payment. UK Investment and overseas dividend income is shown gross, and net of overseas tax where applicable.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Expenditure on raising funds comprises those costs directly attributable to managing the investment portfolio and raising investment income.

Expenditure on charitable activities includes those costs incurred by the Charity in the delivery of its objectives. It includes all grants and donations approved in the year, and not subject to further review.

Other costs relate to expenditure incurred in the management of the charity's assets, organised administration and compliance with constitutional and statutory requirements.

Fixed Asset Investments

Investments listed on the London Stock Exchange are included at mid market value according to Adam & Company Plc and Quilter Cheviot. Net gains and losses arising on revaluation and disposals throughout the year are taken to the Statement of Financial Activities.

Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less.

Financial Instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial assets are recognised in the Charity's statement of financial position when the Charity becomes party to the contractual provisions of the instrument.

Financial assets are classified into specified categories. The classification depends on the nature and purpose of the financial assets and is determined at the time of recognition.

Basic Financial Assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Other financial assets classified as fair value through the statement of financial activities are measured at fair value.

Impairment of Financial Assets

Financial assets, other than those held at fair value through the statement of financial activities, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. The impairment loss is recognised in the statement of financial activities.

Derecognition of Financial Assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership to another entity.

Classification of Financial Liabilities

Basic Financial Liabilities

Basic financial liabilities are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Other financial liabilities classified as fair value through the statement of financial activities are measured at fair value.

Karaviotis Foundation

Notes to accounts

For the year ended 5 April 2025

Derecognition of Financial Liabilities

Financial liabilities are derecognised when, and only when, the Charity obligations are discharged, cancelled, or they expire.

2. Income From Investments
