HARINGEY LAW CENTRE TRUSTEE'S REPORT FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their report and the financial statement for the year ended 31st March 2025 as follows:

The financial statement complies with the Charities Act 2011, the Companies Act 2006, the Memorandum and The Articles of Association, The Accounting and Reporting by Charities, Statement of Recommended practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1st January 2025.

Principal activities and review of activities

The Law Centre is a charity whose objects, as defined by the Memorandum of Association are:

- To provide, by employing solicitors and other staff, free legal advice and assistance to disadvantaged resident in the London Borough of Haringey, London Borough of Enfield and neighbouring Boroughs (hereinafter referred to as the "designated area") but should the Law Centre so decide, priority in carrying out its objects may be given to that part of the designated area which is the parliamentary constituency of Tottenham and Enfield. In furtherance of this object and as ancillary thereto the Law Centre may institute, conduct and defend any proceedings before any court, Commission, Tribunal or Inquiry.
- To undertake or co-operate in the education of residents of the designated area in the law and its operation.
- To undertake research into the special problems causing and arising from the poverty and lack of education of the inhabitants of the designated area to promote encourage and assist like organisations and institutions to undertake such research.

Activities

The principal activity of the Charity continues to be the provision of legal advice, assistance and representations to persons who are resident or working within Greater London with priority given to those who live or work or have a connection with the London Borough of Haringey, London Borough of Enfield and the adjoining boroughs.

Review of activities

The Law Centre provides advice, assistance and representation in the following areas of social welfare law: housing, debt, immigration, employment, family mediation, Edmonton County Court Duty Scheme Representation (Tuesday and Thursday) under Legal Aid and welfare benefits. The organisation also holds the Legal Aid Agency Specialist Quality Mark in the area of housing/debt advice and therefore provides advice, assistance and representation in this area of law. In order to ensure that all people are aware of their legal rights, the Law Centre also provides legal training and support to local community groups. We offer advice, assistance and representations in courts and tribunals when required in all our work areas.

Achievements and Performance during the year

The Law Centre provided legal advice, assistance and representations to over 7,500 clients during the year. In addition, basic advice was provided in a number of new areas e.g. housing disrepair. We were funded by Community Lottery, London Borough of Haringey, Trust for London, City Bridge, London Legal Support Trust/LCN and City of London Solicitors, to deliver on the above activities during this year.

The Legal Aid Agency awarded HLC and ELC Legal Aid contract in Housing Law category.

Financial review

Since April 2013, changes were introduced by the government in the Legal Aid Sentencing and Punishment of Offenders Act (LASPO). This reform continued to impact on matters that were under the scope of legal aid funding scheme, of legal aid funding, welfare benefit, immigration, employment, except in the area of Housing for those whose house are in imminent risk, homelessness assistance, evictions, possessions, housing disrepair cases that pose a serious risk to life or health and anti-social behaviour cases in the county court.

These changes have significantly impacted upon the Law Centre's current and future services and require strong financial management and control in the next few years. Main funding sources are from grants and legal services.

This year has continued to be challenging for the Law Centre in coping with the influx of matters as a result of Covid 19 which has triggered the cost-of-living crisis. The Trustees were able to secure grants and funding as well as finding innovative ways of increasing the Centre's human resource capacity through working with and recruiting qualified volunteer lawyers and professionals willing to work on a pro bono basis when necessary to continue to provide housing, employment, immigration, debt and welfare support for the area. Both the existing and new volunteers of the Centre continue to be an invaluable source to the work of the Centre to date and the Trustees remain grateful for their support.

We have funding for Debt advice work from City of London Solicitor's Company Charitable Fund. We also have funding from London Borough of Haringey for housing, welfare and debt wrap around support. We also received a grant from Trust for London to provide legal and advocacy support. ROOTS3 project funds were to support the hard-to-reach community with training to identify key time lines to comply with the courts procedures in order to support their service users and City Bridge Trust to support emergency matters, The Community Lottery Funds to support the residents of Enfield with free legal service. We have also been provided with kind donations from Joseph & Lilian Sully Foundation, BD Pitmans, Blyth Watsons Foundation, City of London Solicitors' Company Charitable Trustees/staff as well as other in-kind donations from individuals. We are very grateful to everyone who has been very supportive.

Reserves Policy and Going Concern

The Trustees have considered the following factors when considering a reserves policy:

- The organisation's contractual obligations to its staff in terms of parental rights, sickness pay and redundancy provisions.
- the organisation's obligation to maintain a safe and clean working environment
- that certain equipment is essential for our work
- That an increasing proportion of the organisation's income is now derived from funds received. This increases the need to be able to employ locum to cover staff absences caused by sickness and other leave.

The Board has assessed the charity's requirements for reserves in the light of the main risks to the organisation. As a result, the Board has approved a policy whereby the unrestricted funds not committed, should be held in reserve and maintained at a level which ensures that HLC's core activity could continue during a period of unforeseen difficulty. The target reserve amount represents at least 6 months' (26 weeks) expenditure and will be reviewed annually.

Recruitment and Training of Trustees

The Centre is committed to ensuring that its membership reflects the diversity of the population it serves in the area of Haringey and surrounding boroughs. To achieve this, we undertake annual skills audits of Trustees to ensure that we maintain a balance of developmental, financial, legal and management skills across the Board of Trustees to enable it to discharge its duties.

Company and Charity Status

The Company was incorporated on 6th October 1977 under the Companies Act 1948 to 1976. The restrictions imposed on the Charity are set out in the Company's Memorandum of Association. The Company is limited by guarantee and registered at Companies House under the number 01332867. The Company is registered as a Charity under the number 274760.

Structure, Governance and Management

The Law Centre is a registered charity and a company limited by guarantee. It is governed by a Memorandum and Articles of Association which were last amended on 30th April 2007. It is controlled by a voluntary Board of Trustees which has corporate and legal responsibility for all activities and functions of the organization. The Trustees discharge their functions through the following mechanisms: board meetings take place on a bi-monthly basis, agreeing annual/revised budget, carrying annual staff and trustee review, and holding AGM annually.

Appointment of Trustees is by election by the membership of the people who live or work in Haringey and Enfield.

The Trustees have an overall responsibility of ensuring that the charity has an appropriate system of controls, financial and otherwise. The system of internal controls is designed to provide reasonable but not absolute assurance against material misstatement or loss. They include:

- a strategic plan and an annual budget approved by the Trustees
- Regular consideration by the Trustees of financial information, variance from budgets and non-financial performance indicators.
- delegation of authority and segregation of duties
- Identification and management of risks.

Risk Management

The Trustees continue to appraise the management risk facing the organisation. This involves identifying the types of risk the charity faces, prioritising them in terms of potential impact and likelihood of occurrence, and identifying ways of mitigating the risks. As part of this process, the Trustees have reviewed the adequacy of the Centre's current internal controls. The Trustees are pleased to report that the Centre's internal financial controls, in particular, conform to guidelines issued by the Charities Commission.

The business resilience continues to be responsive and strong which ensured business resilience and sustainability.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and the United Kingdom Generally Accepted Accounting Practice. Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also

responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

So far as each of the members of the Trustees are aware at the time the report is approved:

- there is no relevant audit information of which the company's auditors are unaware, and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

Our volunteers

HLC provide volunteering opportunities to students who are pursuing legal careers. Around 7 volunteers assisted with our on-going activities. We wish to thank our volunteers for their loyal support and contribution.

Statement of public benefit

In line with the requirement of the Charities Commission under the Charities Act 2011 for Charities to demonstrate that their aims are for the public benefit, the Trustees of HLC are confident that their aims and objectives meet the requirements of the public benefit.

Independent Examiner

The Management committee will seek the re-appointment of an external and reputable Accountant to act as independent examiner for the next year's financial account.

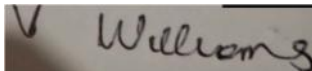

Small Company Provisions

This report has been prepared in accordance with the provisions applicable to companies' subject to the small companies' regime.

Related parties and co-operation with other organisations

None of our trustees receive remuneration or other benefit from their work with the charity. Except for the Administrator who has the dual role of an employee as well as functions as a trustee (unpaid -executes the administrative function for the Board) – in accordance to Charity's Guidance, the matter adopted the Guidance as outlined, discussed and agreed by the full Board of Trustees. Any connection between a trustee and senior manager of the charity with its members must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party.

This report was approved by the Trustees on 19th December 2025 and signed on its behalf by:

Independent examiner's report to the trustees of Haringey Law Centre

I report on the accounts of the charity for the year ended 31st March 2025, which are set out on pages 9 to 16.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. I am qualified to undertake the examination by being a qualified member of the Association of Chartered Certified Accountants.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *) to indicate that:

- accounting records have not been kept in accordance with section 386 of the Companies Act 2006;
- the accounts do not accord with such records:
- where accounts are prepared on an accruals basis, whether they fail to comply with relevant accounting requirements under section 396 of the Companies Act 2006, or are not consistent with the Charities SORP (FRS102)
- any matter which the examiner believes should be drawn to the attention of the reader to gain a proper understanding of the accounts.
