## Message from the President of Friends of Colombia for Social Aid (FOCSA) for the 49th Annual General Meeting

Dear Friends, Supporters, Volunteers and Members of FOCSA,

As we reflect on the past year, I would like to express my heartfelt gratitude to all those who have contributed to FOCSA's work throughout 2024.

Whether through generous donations, tireless volunteer efforts, supportive partnerships, or kind encouragement, your commitment has helped us sustain and strengthen our mission. Thanks to this collective support, we were able to continue funding vital projects in Colombia — many of them focused on improving the lives of children in vulnerable communities, by providing better health, care, and opportunity.

In the UK, we remained active and connected, and I would particularly like to thank everyone who supported and participated in our events — whether attending, organising, or helping behind the scenes. Your presence and energy give life to our fundraising efforts and help grow the spirit of solidarity that defines FOCSA.

To our donors, volunteers, supporters, friends, and sponsors: thank you. You are part of a generous and compassionate community, and it is your continued belief in our cause that enables us to keep walking this path of hope and support — together, for Colombia and especially for its children.

With warmest thanks,  
Patricia Marulanda  
President, FOCSA

## **Structure, Governance and management Governing Document**

Friends of Colombia for Social Aid (FOCSA) is constituted as a charitable Trust. The Trust was established in 1977 under a Trust Deed (as amended) which established the objects and powers of the charitable Trust.

### **Mission**

Our mission is to help to improve the lives of the most disadvantaged children in Colombia. We fulfill our mission by donating medical, educational and other vital equipment to hospitals and specialist institutions that treat these children and improve the quality of their lives.

### **Recruitment and Appointment of Trustees**

Mrs Maria Patricia Marulanda Calero was unanimously re-elected and formally confirmed as President on the 1<sup>st</sup> October 2024. Mrs Lauren Page was appointed Treasurer on the 1st October 2024 replacing Diana Herrera.

### **Organisational Structure**

The Board of Trustees meets on a quarterly basis and is responsible for the strategic direction and policy of the charity. A scheme of delegation is in place and the day-to-day responsibility for the charitable activities lies with an Executive Committee of volunteers. The President of the Charity sits on both the Board of Trustees and the Executive Committee.

### **Objectives and Activities**

In planning our objectives each year we have regard to the Charities Commission general guidance on public benefits.

### **Principal Funding Sources**

Our main sources of Funding are the profits from organising Fundraising Events and unrestricted donations.

### **Grant Making Policy**

The Charity provides donations to FOCSA Bogota, for the purchase and donation of medical equipment in Colombia. All charitable donations of over £10,000 are approved by the Board of Trustees.

## Investment Policy

Aside from retaining a prudent amount in reserves each year most of the Charity's funds are to be spent on the charitable objects in the short term so there are few funds available for long-term investment. Having considered possible options the Trustees decided to place surplus funds into a call deposit account with the CCLA Charities Deposit Fund.

## Reserves Policy

The Trustees have examined the Charity's requirements for reserves in light of the main risks to the organization. The fixed costs of the Charity are very low, and it owns no property, as a result the risks to the long-term financial sustainability of the Charity are small. It has established a policy whereby the minimum level of reserves should be £30,000 approximately equivalent to the cost of organizing fundraising events and administration of the Charity for one year.

Trustees are confident that at this level they would be able to continue the current activities of the Charity. The administration costs related to organizing fundraising events (£31,866) and administration of the Charity (£3,517) during 2024 amounted to £35,383. The charity only hold the spring fiesta every other year, therefore the level of reserves required for 2025 will be significantly lower, estimated at £5,500. Therefore the present level of reserves available to the Charity of £102,734, therefore, are more than adequate.

## **Fundraising activities in 2024**

During 2024 we continued our fundraising activities, mainly from events and other donations.

Our events were:

- Royal Parks Half Marathon – raised a total of £12,078 and after expenses of £1,776 made a substantial profit of £10,302.
- The Spring Fiesta raised a total of £63,428 and after expenses of £30,090 made a substantial profit of £33,338.

Other donations included and added up to £13,626

## **Donations to Medical Institutions in 2024 – Equipment delivered**

During 2024 FOCSA donated £26,711 (2023 £40,500) to FOCSA Bogota to support various projects.

The year 2024 marked an exciting chapter in our commitment to extending a helping hand to those who need it most. Throughout the year, we carried out three impactful donations that will transform the lives of 17,570 children and adolescents, who face adversity in the remote and diverse regions of Colombia. These donations were made full of expectation, representing rays of light crossing the darkness and reaching places where the need is deepest. From the highest mountains to the most remote valleys, our commitment to serving the marginalized communities knows no limits or borders.

These projects are not just numbers on a list but are living testimonies of our firm commitment to spreading well-being. Each benefitted child and adolescent is a story of rebirth and a reminder that, together, we can transform the world, one donation at a time.

### **ESE HOSPITAL DE SAN JUAN DE DIOS, Carmen de Viboral, Antioquia, £16,611**

**San Juan de Dios Hospital** is a **low-complexity facility** that provides emergency care, hospitalisation, outpatient consultations, diagnostic services, targeted protection programmes, and early detection for **16,614 children and young people per year** across the municipality.

The hospital required the **replacement of outdated dental units** and the acquisition of other essential basic equipment.

**ESE HOSPITAL UNIVERSITARIO HERNANDO MONCALEANO PERDOMO, Neiva, Huila, £8,600**

This institution is a Level 3 hospital located in the south of the country, serving the regions of Huila, Caquetá, Putumayo, southern Tolima, and eastern Cauca.

It provides care for approximately 900 children per year, many of whom require specialised neonatal services.

They required equipment for the **neonatal intensive care unit** to monitor **critically ill and premature newborns**, and to ensure adequate oxygenation of the brain and other vital organs.

Item donated: Root Oximetry module with accessories to monitor brain perfusion in newborn babies.

**PROYECTO UNIÓN HOGAR SANTA RITA DE CASCIA, Bogotá, £1,500**

This project is an inclusive space providing comprehensive care for children with chronic illnesses and/or disabilities. It served approximately 56 children per year.

The following item was donated: 10 basic cot beds

**FOCSA BOGOTA**

The FOCSA Bogotá Committee has been incredibly active and supportive throughout 2024, as always. They have identified projects, contacted medical institutions and hospitals, as well as equipment providers and communities that have greatly benefited from our donations. We are truly grateful for their ongoing support in ensuring that our donations are properly executed and followed up accordingly.

Our deepest and sincerest thanks go to the entire FOCSA Bogotá volunteer team, led by its president, **María Cristina Kley**, and to our Head of Projects at FOCSA UK, **Margarita González**,
