REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2020

The trustees, who are also directors for the purposes of company law, present the annual report and the audited financial statements of the organisation for the year ended 31 December 2020 which have been prepared in accordance with the Statement of Recommended Practice - Accounting and Reporting by Charities (second edition, effective 1 January 2019) and the Companies Act 2006.

Our Goal

The Anoopam Mission undertakes its spiritual philosophy through a fusion of 'bhakti yoga' (the yoga of devotion) and 'karma yoga' (the yoga of action).

Bhakti yoga is devotion to the Supreme Reality and includes prayer, chanting and meditation. But in reality, it also goes much beyond this to incorporate a state of mind in which every word, thought and action is dedicated to the Lord.

Karma yoga involves performing selfless service - expecting nothing by way of compensation, gratitude or praise - and humbly offering the results of the work to the Lord.

In summary, all of the Anoopam Mission's actions and all the fruits of the actions are dedicated as humble offerings to the Lord and to inspire many to follow the path of righteous living.

Objectives and aims

Anoopam Mission believes in serving God by serving humanity. Through the vision of its respected spiritual leader, Guruvarya Param Pujya Sahebji, Anoopam Mission has committed itself to working in the areas of Health, Education, Relief, Rehabilitation, Social welfare, Spiritual and Cultural activities. The aim is to help those who need it the most, without any discrimination of caste, creed, colour, gender or religion.

Principal risks and uncertainties

The charity possesses the required management expertise to monitor and manage risk. The principal risks and uncertainties facing the group are financial risks.

Credit risk is a risk that one party will cause financial loss to another party by failing to discharge an obligation. It is the group policy to minimise such losses by ensuring deferred terms are only granted to those customers who demonstrate an appropriate payment history and satisfy credit worthiness procedures.

Reserves Policy

The Trustees review on an annual basis the charity's development and operational plans, future funding needs and its overall resilience and financial stability in light of its ability to meet its charitable objectives for the foreseeable future.

The Trustees' consideration takes into account the major risks to the organisation - see Risk Management above. Additionally, the Trustees consider the need to ensure viability of the charity beyond the immediate future, absorb setbacks and be able to take advantage of opportunities and new initiatives. The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that support and governance costs are covered.

Public Benefit Statement

The trustees confirm that they have complied with the duty in Section 17 of The Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the charity.

Use of Volunteers

Anoopam Mission enlists the services of more than 100 volunteers nationwide in delivering the aims and objectives of the Charity.

The volunteers are organised through a framework involving national, regional and Area co-ordinators.

- Providing services in various departments including administration, congregation organisation, security, Kitchen, book keeping, youth activities, children activities, etc.
- Organising regular Sabhas.

An estimate of the financial worth of the volunteers to charity has been established by assessing the number of hours worked and converting this into a monetary value, the resultant estimate is £305,000 (2019: 280,000), excluding national insurance, pension, recruitment or other that would normally be payable for employee.

Impact of covid-19 and safety measures

Anoopam Mission plays an important role in providing spiritual guidance for many devotees, and in bringing wider communities together. However, Since March 2020 following the government guidelines and safety measures to control the potential for increased spread of coronavirus (COVID-19).

The mission was closed to the public and re-opened in July 2020, with restricted opening hours and a maximum of 6 people in the temple at any one time. From March 2020 we have set up video conferencing facilities to provide discourse, as well as emotional support during these difficult times. As a result, visits to the temple have been reduced, with our work taking place online. The temple's restricted visiting times are 9.30am – 11.30am and from 4.00pm – 5.30pm daily.

Wearing of a face-mask and hand sanitising is compulsory and these are provided at the entrance of the temple.

Visitors are required to enter their contact details, phone number alongside the date and time of their visit. Anoopam Mission is also part of the NHS COVID-19 test and trace scheme so that visitors may scan the QR code to check in. Visits are restricted to a maximum of 15 minutes, and the toilet services are closed for added health and safety reasons. Entry into any other building on the campus, other than the temple is prohibited.

In response to COVID-19 and lockdown, we rapidly changed our existing services and developed new ones, to reduce the spread and offering a combination of virtual and physically based services particularly to the vulnerable and to key workers.

We are:-

- Offering food to the vulnerable and homeless during the pandemic and delivering parcels of food and supplies to hardworking NHS and care worker staff.
- Ensuring that social distancing has been maintained at all times for the safety of our members, volunteers and devotees.
- Social, learning, development and emotional support to children and young people

This was in a context where we, like everyone around us, were learning how to operate in very different circumstances, with devotees and volunteers experiencing the challenge of the pandemic and caring for their relatives and friends.

Statement of Trustees' responsibilities

The trustees (who are also the directors of the Anoopam Mission for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time of the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and Charity Act 2011. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as we are aware:

- There is no relevant audit information of which the charitable company's auditor is unaware; and
- The trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

In preparing the Trustees Report, the Trustees' have taken advantage of the exemption available to small companies and have not prepared a strategic report.

INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF ANOOPAM MISSION
A COMPANY LIMITED BY GUARANTEE

We have audited the financial statements of Anoopam Mission, a company limited by guarantee and registered as a charity and the Group for the year ended 31 December 2020 which comprise:

- Consolidated statement of financial activities including income and expenditure account;
- Consolidated statement of financial position as at 31 December 2020;
- Charities statement of financial position as at 31 December 2020;
- Consolidated Cashflow statement; and
- Notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard (FRS 102) – (Charities SORP (FRS 102) "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102)) and the Companies Act 2006.

In our opinion, the financial statements:

- give a true and fair view of the state of the Group's and the charitable company's affairs as at 31 December 2020 and of the Group's net movement in funds, including the income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of trustees for the financial statements

As explained more fully in the trustees' responsibilities statement set out on page 7, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

- the information given in the Trustees' Report (which incorporates the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

A COMPANY LIMITED BY GUARANTEE

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

1. Charity Information

Anoopam mission is incorporated in England and Wales as a private company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £1. The company registration number: 01340080 and charity number: 274942. The registered office address is at Brahmajyoti, The Lea, Western Avenue Denham, Buckinghamshire UB9 4NA.

2. Principal Accounting Policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Group's financial statements:

(a) Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (second edition, effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at Valuation or historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s). These financial statements have been drawn up in the historical accounting basis. The accounts are prepared in pounds sterling, rounded to the nearest pound basis.

(b) Public benefit entity

The charitable company meets the definition of a public benefit entity under FRS 102.

(c) Going concern

As at 31 December 2020, the group has made net income over expenditures before impairment of assets of £432,861 (2019: £479,106). The trustees consider there are no material uncertainties about the Charity's ability to continue as a going concern. The review of our financial position, reserves levels and future plans gives Trustees confidence the charity remains a going concern for the foreseeable future. The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

In reaching this conclusion, the trustees have considered the impact of Covid-19 on the Charity and have reviewed cash flow forecasts covering a period of more than one year from the date of approval of these accounts

(d) Incoming resources

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and that the amount can be measured reliably.

Where tax has been deducted at source, income is grossed up where a claim for the tax repayment has been made. The tax recoverable is shown as a debtor at year end. Gift Aid payments by HMRC are treated as unrestricted funds regardless of the purposes of the associated donation. Charity does not recognise any income from the monetary value of voluntary services received during the year.

Income received in advance of the provision of a specified service is deferred until the criteria for income recognition are met.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

2. **Principal Accounting Policies (Continued)**

(e) **Fund accounting**

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund.

Unrestricted funds are donations and other incoming resources received or generated for the charitable purposes. These funds are available for use towards meeting the objectives of the charity.

(f) **Expenditure and irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

Expenditure on charitable activities includes the costs of direct charitable activities undertaken to further the purposes of the charity and their associated support costs and allocated governance costs. Other expenditures represents those items not falling into any other heading. Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

(g) **Allocation of support costs**

Resources expended are allocated to the particular activity where the cost relates directly to that activity.

Support and governance costs are entirely allocated to charitable activities. This is because this is the core activity of the charity, and other charitable activities and the costs of generating funds do not absorb significant overhead costs.

(h) **Consolidation**

The statement of financial position includes all assets and liabilities of subsidiary companies, including those acquired during the period. The group income and expenditure, includes only that proportion of the results arising since the effective date of control.

No profit and loss account is presented for Anoopam Mission, a company limited by guarantee as provided by Section 398 of the Companies Act 2006.

Intra group sales and profits are eliminated on consolidation.

(i) **Tangible fixed assets**

Depreciation was provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc. - 15% per annum at reducing balance basis

No depreciation is provided on freehold Land.

The asset's residual values and useful lives are reviewed and adjusted; if applicable, at the end of each reporting period.

(j) **Inventories and work in progress**

Inventories and work in progress have been valued at the lower of cost and estimated selling price less costs to sell. In respect of work in progress and finished goods, cost includes a relevant proportion of overheads according to the stage of completion.

Assets and liabilities in foreign currencies are translated into sterling at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the net movement in funds.

(m) **Critical accounting judgements and estimates**

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the charities accounting policies and the reported assets, liabilities, income and expenditure and the disclosures made in the financial statements. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.
