INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

This has been a strange year. COVID-19 has stopped almost everything the trust normally does yet the trustees have possibly been the busiest we have ever been. Not having to focus on the day to day of running the hall facilities has allowed time for the trustees to correct and put in place some of the things that have been allowed to slip in the past. So as we now reach the end of our financial year and move into the next one we do so in a stronger and maybe more organised position than we have ever been in.

COVID has basically meant that all the activities that would normally take place in the hall (exercise classes, dance, meetings, film showings, parties etc) and on the rec (football, rugby, cricket) have just not been happening. On the other hand, with children being home from school and parents often working from home we have seen many more people escaping the confines of their homes and enjoying some relaxation and exercise time on the recreation ground. As we come out of COVID lockdown we look forward to seeing all are users return and hope that those who have begun to enjoy the facilities when there was nothing else to do will continue to do so.

Other than for a few months at the end of the summer the hall has been closed for the entire year. Towards the end of the first lockdown, we took advantage of the closure and had the hall floor sanded and re-varnished. It's still an old floor and near the end of its life. But at least it is now a clean and shiny old floor near the end of its life.

It has been sad that there has been very little sport on the recreation ground during this year. However, on the plus side the lack of sport has given the ground a well needed rest. This, in collaboration with our extensive set of ground improvement works that we undertook during the year, means the condition of the rec is a lot better than it has been in many years. We have been able to carry out this work due to a winning a multi-year grant from the Football Foundation. This added up to over £10,000 in the first year and will result in us receiving a considerable (albeit reducing) amount of funding for improvements over the next few years.

Due to COVID no AGM was able to be held so all elected Trustees continued in office for another year.
