General Information

The Trustees present their annual report and the financial statements of the charity for the year ending 31st March 2022. The financial statements are prepared in accordance with the Trust Deed and the recommendations of the Charities Commission and with applicable law.

The Village Hall was conveyed to Trustees to be held on trust for use by the inhabitants of the Dennington Parish and is administered by the Management Committee. The appointment of Trustees is by election annually at the A.G.M. Appointment of officers is at the first meeting after the A.G.M.

The Objectives of the trust are: Use of the Village Hall by the inhabitants of the Parish including meetings, lectures, classes, indoor sports and, for other forms of recreation and leisure time occupation with the object of improving the social and general life of the inhabitants.

The Charity is dependent upon voluntary help in respect of all activities (Management, Bar, Hall Maintenance and Fund Raising etc).

Review of Financial Position: The hall was quiet for the early part of the year when some Covid restrictions were still in place, but we were again helped by a Covid Grant which helped ensure that we ended the year in a reasonable financial position. During the year an impressive £11k was charged in hire fees (the equivalent figure for the last full year of operation, FY2019-20, was £6,826), while a slightly disappointing £1,700 was raised in bar sales (the equivalent figure in FY2019-20 was £10,310), and some drink stock – as in the previous year – had to be disposed of as it had gone out of date. The 100 Club started again in July 2021, with around half of the subscription income having been held over from the previous year when the Club did not operate. The Dennington News continued during the whole period and, despite having to credit some advertisers who were closed during lockdown periods, managed to make a small profit.

Review of Activities: The Hall is now used on a regular basis by a pleasing number of organisations including the W.I., the Horticultural Club, the badminton club, Slimming World and the Parish Council as well as for activities such as village coffee mornings, pilates, yoga, tap classes, upholstery, a children's music club and dance classes.

Reserves Policy: The Trustees wish to hold enough funds in reserve to ensure the Hall could continue for 12 months in the absence of any income. At the close of the financial year 2021-22 we have current assets of £46,197, including bar stock valued at £1,370 and debtors of £1,422 (mainly relating to outstanding invoices for Dennington News advertisers which are now being chased).
