## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Income received from rental was sufficient to cover expenditure, however the steep increase in power and water costs over the last 12 months has reduced the monthly surplus by 50%. This is being monitored by the management committee on a regular basis.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The trustees have reviewed the reserves of the charity. Their policy is to hold sufficient funds to meet four months of operating costs plus floor renovation costs. To meet this figure the amount of reserves needs to be increased by approximately £5000, a sum which the trustees have agreed should be transferred from the current account to the reserves account.
Amount of reserves held	Para 1.22	£7526
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23
