### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

#### **Year ended 30th September 2022**

##### **Objectives and activities**

The principal activity of the Society is the provision of sheltered accommodation for the elderly in accordance with the aims and principles of The Abbeyfield Society.

The Trustees have complied with their duty to have due regard to public benefit as published by the Charity Commission.

We have an employed housekeeper, 4 days per week, and assistants 3 days per week. Relief staff cover holidays etc, with volunteers and a part-time administrator all helping to run the house efficiently. We have an active committee and hold well attended meetings every 4 - 6 weeks. Safe running of the house and health and safety matters are discussed at these meetings. The administrator deals with staff payments, provision and maintenance of standards and health and safety concerns, as well as residential enquiries. One of the committee members is also our qualified Health, Safety and Fire officer.

The Society relies on payment of rent and donations to operate and is non- profit making. The volunteers are unpaid but can recoup agreed expenses.

This Society works closely with other Abbeyfield Societies in Gloucestershire, Worcester and Hereford under the name of Three Counties Group, a co- operation that is promoted by the Abbeyfield Society. Tewkesbury is an independent Member of the society, affiliated to the national Abbeyfield Society of St Albans.

##### **Achievements and performance**

We appointed a new housekeeper as our previous housekeeper resigned after a bout of ill health. She is doing extremely well and with the help of our assistants and occasional relief staff are keeping the residents well looked after, well fed and happy. Employed staff are available between 9am and 6pm daily.

In 2022 we decided to stop using the 2 letting rooms on the top (third) floor. This was for various reasons. Both needed updating, the stair lift to this floor needed attention and we were concerned that any resident might be unable to exit this floor in an acceptable time during an emergency. We currently have 4 residents and this enables us to be financially viable. We only have 1 vacant room at present.

##### **Financial review**

Financially we are secure at the present time, but as with most residential and care homes, this is very dependent on retaining our present number of occupants. Our housekeeper is very responsible with money and her partner helps out on a volunteer basis. We have also gained a volunteer gardener who will begin work in February.

We have a few maintenance issues, mostly due to the age of the property. These are on our 'to do' list. Purchases of furniture made recently have improved the welcoming atmosphere in our communal rooms.

### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

#### **Year ended 30th September 2022**

##### **Plans for future periods**

Tewkesbury is an independent affiliated society member. We continue to provide a very warm welcoming environment situated in the heart of Tewkesbury. More people are becoming aware of who and what we are. Our house is situated next door to Tewkesbury Abbey, so there is often some confusion with our name. We hope to be able to fill our 1 remaining room in the near future now that people are returning to normality after the pandemic.

##### **Small company provisions**

### **Independent Examiner's Report to the Trustees of ABBEYFIELD TEWKESBURY SOCIETY LIMITED**

#### **Year ended 30th September 2022**

I report to the trustees on my examination of the financial statements of ABBEYFIELD TEWKESBURY SOCIETY LIMITED ('the charity') for the year ended 30th September 2022.

#### **Responsibilities and basis of report**

The trustees are also the directors of the company for the purposes of company law are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the Companies Act 2006 ("the 2006 Act"); or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**ABBNEYFIELD TEWKESBURY SOCIETY LIMITED****Company Limited by Guarantee****Notes to the Financial Statements****Year ended 30th September 2022****1. General information**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 49 Church Street, Tewkesbury, Gloucestershire, GL20 5SN.

**2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

The charity is a public benefit entity.

**3. Accounting policies****Basis of preparation**

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity and rounded to the nearest £.

**Going concern**

There are no material uncertainties about the charity's ability to continue.

**Disclosure exemptions**

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

No cash flow statement has been presented for the company.

Disclosures in respect of financial instruments have not been presented.

**Judgements and key sources of estimation uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

#### 3. Accounting policies *(continued)*

##### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

##### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

#### 3. Accounting policies *(continued)*

##### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

##### Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

##### Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property	- 2% straight line
Fixtures & fittings	- 10% reducing balance
Property improvements	- 2% straight line

##### Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

# ABBNEYFIELD TEWKESBURY SOCIETY LIMITED

## Company Limited by Guarantee

### Notes to the Financial Statements *(continued)*

#### Year ended 30th September 2022

#### 3. Accounting policies *(continued)*

##### Impairment of fixed assets *(continued)*

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

##### Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

##### Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

##### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

##### Corporation tax and VAT

The society is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.

The society was not VAT registered at any time during the year ended 30 September 2022.
