

Southwold and Reydon Recreational Development Council
Providing an umbrella organisation for Sport and Recreation
(Charity nbr 275564)

Annual Report for year to 31st December 2023

During the year the Charity supported, by acting as an umbrella and resource body, the build of two new recreational facilities in the Southwold area.

1. A new indoor training room centre with modern day technology software together with cinema type screen at Southwold Golf Club for both junior and adult aged players plus attracting new members to the Club and sport. All under the supervision of the Golf Club Professional.
2. A new outdoor Skatepark for all ages replacing the 30 plus years old facility. The new Skatepark provides a new modern day shape and style including appropriate floor texture covering. This project was a great success of organisations coming together to provide an excellent improved facility alongside the local Boating Lake and Putting Green and only a stone throw away from the beach.

There are no current new projects in 2024 and none in the immediate future known by the Charity.

The current Trustees are looking for new Trustees or committee members for the coming year together with a new Chair to lead the Charity.
