**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST MARCH 2024**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objects are specifically restricted to the following:

1. The advancement of religion in accordance with the Orthodox Jewish Faith.
2. Support of Jewish religious institutions of learning and synagogues, including schools and colleges.
3. The relief of poverty and
4. Other purposes as are recognised by English Law as charitable and in furtherance of the aforementioned objects.

Significant activities

The Charity has continued to make significant grants throughout the year, in accordance with its grant making policy.

Public benefit

The trustees continue to operate within the confines of the charity objectives namely the relief of poverty by providing grants in respect of the advancement of Jewish education. The trustees provide grants to a variety of establishments.

The trustees have also identified institutions which as a result of the economic downturn are experiencing a reduction in their fee income and have provided assistance to them in this respect as well.

Where the trustees make grants to institutions, they stipulate how these monies should be spent and constantly monitor the effectiveness of the allocation of the resources extended through the grant funding.

The trustees are of the opinion that this latter method of funding combines both objectives of the charity such that through the grants to the institution, students who are partly able or unable to pay their fees, are also assisted.

FINANCIAL REVIEW

Financial position

The Statement of Financial Activities shows a deficit for the year of £99,515 (2023: deficit £1,993) and total funds carried forward of £500,640 (2023: £600,155) which include an unrealised revaluation gain of £370,000. There were no restricted funds as at the year end.

Principal funding sources

The Charity continues to be dependant on voluntary donations and income from investment property.

Reserves policy

The charity's reserves policy is to maintain sufficient reserves to enable the charity to continue its activities and services at a meaningful level, should there be a drop in income. The trustees review this position on a regular basis.

In view of this the trustees aim to maintain a level of reserves sufficient to meet three months basic operating costs.

The Cash balances of £158,008 (2023: £192,367) as at the balance sheet date ensure that the charity is well able to maintain its operating capacity.

FUTURE PLANS

The Trustees are actively looking to make grants to UK Charities that satisfy the charity's objects and strict ethical criteria.

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST MARCH 2024****1. ACCOUNTING POLICIES****Basis of preparing the financial statements**

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Financial instruments

The Charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in profit or loss.

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31ST MARCH 2024

1. ACCOUNTING POLICIES - continued**Financial instruments****Debtors**

Basic financial assets, including trade and other debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method, less any impairment.

Cash and cash equivalents

Cash and cash equivalents are represented by cash in hand, deposits held at call with financial institutions, and other short-term highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

Creditors

Basic financial liabilities, including trade and other creditors, loans from third parties and loans from related parties, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Such instruments are subsequently carried at amortised cost using the effective interest method, less any impairment.
