ENFIELD & DISTRICT VETERAN VEHICLE TRUST

REPORT OF THE TRUSTEES for the Year Ended 31 JULY 2022

The trustees present their report with the financial statements of the charity for the year ended 31 July 2022. They are prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

ACHIEVEMENT AND PERFORMANCE

Development, activities and achievements

The trustees consider that the Trust had a successful financial year.

The museum closed in March 2020 due to the Coronavirus pandemic, and re-opened in July 2021.

In addition, the Pageant was held again in 2022, for the first time since 2019.

The trust would not be able to operate without the support of a number of people who gave their services voluntarily at key points during the year. This is especially so in relation to the work parties at the Museum. The trustees wish to extend their gratitude to these people and the voluntary groups to which some of these people belong.

Investment powers

The Trust Deed authorises the trustees to make and hold investments according to the law relating to the investment of trust funds. The fixed rate investments at the end of the year are detailed below.

In the year to 31 July 2020 the trustees invested £80,000 in a 3-year bond with The Charity Bank Ltd, £80,000 in a 3-year bond with the Hampshire Trust Bank and £40,000 in a 95-day notice account with the Redwood Bank. These investments have earned £3,874 in interest during the year (2021 - £3,902).

Financial review

The trust had a surplus in the year of £78,520 (2021 - £1,541). For this year, the repairs and maintenance costs were £25,838 compared to £10,647 in the previous year. The surplus is stated after charging depreciation of £11,237.

Donations in the year were £2,481, compared to £3,823 in the previous year. Income from Museum open days was £25,711 for the year compared to £1,838 month of July 2021 when it was open. The income from the sale of autojumble and the regular shows has risen to £12,270 in the year, compared to £2,719 in the previous year.

No grants were received under the Coronavirus Job Retention Scheme in the year, compared to £11,130 in the previous year.

Income from the cafe and bar has been treated as belonging to the Trust since 1 December 2019. The net income amounted to £13,817 in the year, compared to £422 in the month of July 2021.

The main source of income is the annual Enfield Pageant of Motoring, which has been cancelled for the past two years due to the Coronavirus pandemic. In 2022, the event generated income of £164,127 and incurred costs of £85,311 leaving a net surplus of £78,816. In 2019, the income was £156,237 and the costs were £84,664 leaving a net surplus of £71,573.

The trustees review the level of reserves periodically to ensure that the charity is able to be managed efficiently. It is their policy to maintain unrestricted funds at a level which is sufficient to meet all known and future commitments as they fall due.

ENFIELD & DISTRICT VETERAN VEHICLE TRUST

REPORT OF THE TRUSTEES for the Year Ended 31 JULY 2022

FUTURE PLANS

As new funds are generated, the trust will continue to deliver its objective of keeping a permanent Museum in Enfield open and will continue to improve the fabric of the building. During the pandemic, the buildings were almost completely redecorated, a new office created and a new filing and record system put in place with the aim of making the administration much more efficient. Now, a new heating system and LED lighting is being installed. In the longer term, the trustees are planning to insulate the roof and replace the heating system in the workshop, and to replace the roof and heating system in the buildings between the fire station and workshop. The acquisition of exhibits as and when they become available will also continue. The trust is in an excellent position to secure new exhibits because of its links to The Enfield & District Veteran Vehicle Society Limited.

The trustees have completed the refurbishment of the Victorian valve house, to turn it into an education and archive centre. This has been financed by the sale of an exhibit that was surplus to requirements.

The trustees are satisfied that there are adequate resources in the Trust's funds to fulfil the objectives of the charity.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution, objectives and policies

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The trust is constituted by the Trust Deed dated 11 April 1978 as amended in November 2019. The objects of the trust are to promote the permanent preservation of vehicles of any type being old and of historic interest or scientific importance, and to educate the public in the history of transport and the technical details, engineering and performance of such vehicles.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

It is the policy of the trustees to continue to promote events that both further the above objects and raise funds towards the ongoing project to establish a Museum of Transport in the London Borough of Enfield.

The majority of the trust's work is carried out by volunteers working under the direction of the trustees.

The trustees carry out an annual review of the risks which the charity may face and have established systems and procedures to mitigate any risks identified and minimise any potential impact should any identified risks materialise.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
ENFIELD & DISTRICT VETERAN VEHICLE TRUST**

Independent examiner's report to the trustees of Enfield & District Veteran Vehicle Trust

I report to the charity trustees on my examination of the financial statements of Enfield & District Veteran Vehicle Trust (the Trust) for the year ended 31 July 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's financial statements carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.
