TRUSTEES ANNUAL REPORT 2023

No Charity function was held in last 4 years due to problems with Covid Pandemic. The first major fundraising function was held in March, 2023. During the pandemic our supported charity, Guru Nanak Home for Handicapped children in Ranchi, India was able to manage it's expenses with interest from a corpus fund which our charity has helped to create over the years. Due to rising costs it was considered a necessity to boost this corpus fund with a further fund raising event.

Several Trustee meetings were held to promote a charity event which was held on 4th March, 2023.

The charity event was a grand success and we have collected sufficient funds to support our recipient institution Guru Nanak Home for Handicapped Children in Ranchi, India

In India, now there are new regulations for receiving funds from abroad, which require a registered charity in India to have a FCRA approval before it can receive any funds from abroad. A new account has to be created in State Bank of India in Delhi. An application from our recipient charity Guru Nanak Home for Handicapped children, Ranchi has been submitted and is awaiting approval. Until this approval is received we have deposited most of our funds in an interest bearing account.

Our charity accounts have been prepared and examined and are being submitted to Charity Commission.
