INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SAMBER
LIMITED
YEAR ENDED 31 MARCH 2025

I report to the trustees on my examination of the financial statements of Samber Limited ('the charity') for the year ended 31 March 2025.

RESPONSIBILITIES AND BASIS OF REPORT

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 MARCH 2025

1. GENERAL INFORMATION

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London, NW11 0PU.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

The charity meets the definition of a public benefit entity under FRS 102.

Going concern

The financial statements have been prepared in accordance with the accounting principles appropriate to a going concern, notwithstanding the deficiency in net current assets at the balance sheet date. The trustees consider this to be appropriate having regard to the continued provision of financial support by Townsmede Properties Limited, a company connected to this company.

The charity's main activity is grant making. The charity has modest overheads and the trustees have the ability to exercise control over the charity's grant making charitable activities and to call on support from benefactors, such that the trustees believe the charity will continue as a going concern.

Property held for charitable purposes

The company had a fifty per cent interest in a property held for charitable purposes and its interests in the income, expenditure, assets and liabilities are included in the company's financial statements accordingly.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3. ACCOUNTING POLICIES *(continued)*

Taxation

The charity is not liable to direct taxation on its income or gains, whether realised or not, as it falls within the various exemptions liable to registered charities. Accordingly, the charity does not recognise any deferred tax liability on property revaluations as no tax would be due in the event of a disposal as the charity would benefit from the relevant exemptions, as it will apply all funds for qualifying charitable purposes.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policy is applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Building held for charitable purposes - 2% straight line

3. ACCOUNTING POLICIES *(continued)*

Investment properties

Investment properties whose fair value can be measured reliably without undue cost or effort are held at fair value. Any gains or losses arising from changes in the fair value are recognised in the statement of financial activities in the year that they arise.

No depreciation is provided in respect of investment properties applying the fair value model.

The company's investment properties were valued by the trustees based on their understanding of property market conditions using a sales valuation approach, derived from recent comparable transactions and market yields, adjusted by applying discounts to reflect status of occupation and condition.

Acquisitions and Disposals of Properties

Acquisitions and Disposals of properties are considered to take place at the date of legal completion and are included in the Financial Statements accordingly.

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all its financial liabilities.

Basic financial instruments

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits.

Trade and other debtors

Trade and other debtors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate for a similar debt instrument.

Trade and other creditors

Trade and other creditors are recognised initially at transaction price less attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate for a similar debt instrument.

4. LIMITED BY GUARANTEE

The charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £1.
