THE BRITISH ASSOCIATION FOR JAPANESE STUDIES

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2024

The trustees present their annual report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Constitution, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The charitable objective of the charity is "to encourage Japanese Studies in the United Kingdom, by stimulating teaching and research". With this in mind, the Association's first Conference was convened in Cambridge at Easter 1975, and since then the Conference has been an annual event and more recently a triennial event, now held in September at one of the UK's universities. The Association admits individuals supporting its aims, and has a membership of over three hundred, including academics (full-time and emeritus), postgraduate students and lay members of the public.

In addition to its Conference, the Association supports the publication of an academic journal, *Japan Forum*, which is published five times a year. *Japan Forum* is distributed to subscription-paying members of the Association, and is additionally sold to academic libraries and other research organizations through its publisher, Taylor & Francis/Routledge. A separate editorial board manages *Japan Forum*, and the Senior Editor attends and reports to Council meetings.

On behalf of the Association, the Council also administers a number of annual awards (up to £2,500 per individual) to postgraduate students, with the aim of supporting a new generation of Japanese scholars in the UK.

Finally, members of the Council serve as representatives of Japanese Studies on relevant area-studies committees and other government bodies, and they maintain good relations with the Embassy of Japan in London and various other Anglo-Japanese organizations.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

BAJS overall income has remained healthy during the past year. Our expenditures have been well within our means (£66,362 in 2024 compared to £68,898 in 2023) and are mostly related to the *Japan Forum* managing editor studentship (in 2024 we paid a second ME to help with the backlog), and students' conference attendance support (about £5500). We have also paid out about £12000 in John Crump Studentships. Other expenses, such as the editorial grant to the *Japan Forum* team and the payments made to SOAS to house BAJS remained the same. BAJS is yet again in a very comfortable financial position.

Financial review

During 2024, the Association had net incoming resources of £5,853 (2023: net outgoing resources £18,431). The BAJS Council maintains its strategic aim of using the reserve at a sustainable rate, and also preserving our ability to be flexible in the types of expenditure to which we commit.

Historically, the council has maintained the protection of a reserve level equivalent to twelve months' income. At the year end date the reserves are above that level at £68,458, of which £483 is designated - please refer to note 12. The trustees are in the process of reviewing the position with their reserves and intend to set aside a designated fund going forward for future scholarships and studentships.

The trustees are in the process of identifying the major risks to which the charity is exposed, and developing a risk management policy.

THE BRITISH ASSOCIATION FOR JAPANESE STUDIES

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

Structure, governance and management

The British Association for Japanese Studies, which was established in 1974, is governed by a Constitution. This stipulates that the Association's individual members, who join by paying an annual subscription, must have the opportunity to meet every year for an Annual General Meeting, at which a Council is elected. The Council comprises the Trustees (President, Honorary Treasurer, Honorary Secretary), at least one, but no more than three, Elected Members; the Chair of the Japan Research Centre, SOAS University of London, where BAJs is based; the Director of the BAJs Japan Chapter; the Senior Editor of the Japan Forum; and no more than four Co-opted Members (these may include the immediate Past President, immediate past Honorary Secretary and the immediate past Honorary Treasurer in situations where continued input on particular activities is required. Post-graduate and post-doctoral members of BAJs may also be Co-opted Members of Council. Co-opted members may also be individuals or representatives of organizations in sympathy with the Objective of the Association.

The trustees who served during the year and up to the date of signature of the financial statements were:

Dr M Patessio

Dr J Coates

Dr H Osbourne

(Resigned 31 December 2024)

Dr F Gigy

Dr C Hayes

Professor P Kornicki

Dr R Meade

C Perkins

S Bamkin

Dr S Muminov

(Appointed 1 January 2025)

Dr R Mason

(Appointed 1 January 2025)

The Council meets around three times a year (either around a table, or as a virtual meeting) to discuss Association business. The BAJs Secretariat is present at these meetings, and the Secretariat additionally administers the everyday needs of the Association. Trustees usually serve one two or three-year term, although this can be extended or renewed for up to two or three additional years with the permission of the membership as gained at the AGM. In exceptional circumstances, the Honorary Treasurer may be appointed by the Council, and the appointment is then ratified by the next AGM.

The trustees' report was approved by the Board of Trustees.

Dr R Meade

THE BRITISH ASSOCIATION FOR JAPANESE STUDIES

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE BRITISH ASSOCIATION FOR JAPANESE STUDIES

I report to the trustees on my examination of the financial statements of The British Association for Japanese Studies (the charity) for the year ended 31 December 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

THE BRITISH ASSOCIATION FOR JAPANESE STUDIES

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Charity information

British Association for Japanese Studies is a charity registered in England and Wales, the governing document is a constitution adopted 24 June 1974 as amended December 1977, 01 May 2019 and 20 May 2019.

The principal address of the charity is SOAS, B405, University of London, London, WC1H 0XG.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's constitution, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity heading:

Expenditure on charitable activities includes the costs of conferences, grants and the Japan Forum and their associated support costs.

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include premises and office related costs which support the charity's activity. These costs have been allocated to expenditure on charitable activities.

THE BRITISH ASSOCIATION FOR JAPANESE STUDIES

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

(Continued)

Governance costs include those incurred in the governance by the trustees of the charity's assets and are primarily associated with constitutional and statutory requirements of operating the charity. Governance costs are included within support costs and allocated to charitable activity costs.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures, fittings & equipment	33% Straight line
Computers	33% Straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are measured at transaction price including transaction costs.

Basic financial liabilities

Basic financial liabilities, including creditors are recognised at transaction price unless the arrangement constitutes a financing transaction.

1.8 Taxation

The charity is not subject to corporation tax or any other taxes on income or gains arising from its charitable objectives.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
