TRING CHORAL SOCIETY

England & Wales - Charity number 276980

Accounts

Tring Choral Society Annual Report and Accounts for the year ended 31st July 2025

Summary of purposes

The objects of the Society are to advance the appreciation of music in all its aspects by any means that the trustees see fit, including the presentation of choral concerts and other activities.

Summary of main activities

Members of the Society normally participate in three choral concerts during the year. Members attend rehearsals for these concerts under the direction of the Musical Director, Colin Stevens. There are normally several social and other ancillary events throughout the year in support of these activities.

Guidance issued by the Charity Commission

The trustees are aware of the Charity Commission's guidance on public benefit and take it into account when making any decision to which the guidance is relevant (or, if they decide to depart from such guidance, recording good reasons for doing so).

Description of activities during the year

The charitable purposes of the Society are summarised above and the main activities achieving those charitable purposes during the year were the performance of choral concerts. The Society is currently self-funding through member subscriptions, sale of concert tickets, fundraising events, hire of its staging, legacies and donations. Accounts for the detailed income and expenditure of the Society during the year are included in this report.

Summary of the main achievements of the charity

The Society gave three choral concerts during the year accompanied by an assembled orchestra and first class soloists. The Society in conjunction with the Chiltern Society helped to organise a workshop at Berkhamsted School as part of the Chiltern Society summer festival in which some 150 local singers took part. Membership of the Society continues to be at a usual level and the financial position remains stable.

Although ability to read music is preferred, there is no entrance audition and membership of the Society is open to anyone who is willing to learn and is able

to sing in tune. The Society welcomes new members and encourages anyone interested to come to try a few rehearsals at the start of any term. The Society also holds an open rehearsal from time to time to allow non-members to come and sing without obligation.

The Society promotes a music scholarship award to encourage young musicians to take part in the Society's rehearsals and performances thus broadening their musical experience. The award includes free membership of the Society, supply of music free of charge and a grant of £250 over a concert season towards agreed musical objectives. A music scholarship was awarded in the past financial year.

Financial review

The financial surplus for the year after a transfer of £5,000 to Staging Reserves and £2,000 to Concert Reserves amounted to £4,202 (2024 £3,300). In addition to the free reserves, the Society maintains a reserve amounting to the approximate costs of two concerts against the risk of a substantial fall in ticket sales. The amounts of the reserves are set out in the Balance Sheet as at 31 July 2025.

Investment policy

The Society invests its reserves in suitable low risk investment funds, currently the CCLA Charities Deposit Fund..

Principal sources of funds

The Society's principal sources of funds are from member subscriptions, ticket sales and fund-raising.

Governance

The Society is an unincorporated association run pursuant to a written Constitution which is reviewed by the members from time to time as appropriate. The trustees of the Society are the members of its management committee who are elected by members of the Society at their annual general meeting and hold office until the next annual general meeting. Trustees receive training from time to time concerning the performance of their duties. The management committee consists of members acting in an honorary capacity. The committee offices are set out in the Constitution and the elected individuals holding such offices during the past year are set out below.

Relationship with related parties

The Society seeks to forge links with the local community, particularly with local schools.

Tring Choral Society
