#### Constitution

The charity is constituted by a trust deed dated 15 December 1978.

#### Trustees

The Trustees who have served during the year are those shown on page 2. New Trustees are recommended by one or more of the existing Trustees, and their appointment is considered by the other Trustees.

The Trustees have the power to invest as they think fit any funds not immediately required. The majority of the Fund is held in quoted securities which are managed on a fully discretionary basis by Cazenove Capital Management.

#### Object and policies for the public benefit

The object of the Trust as set out in the Trust Deed is to apply the Trust funds, at the Trustees' absolute discretion, to any charitable body, association or organisation, for charitable purposes.

It is the Trustees' policy to distribute the income arising whilst maintaining the capital in real terms.

There has been no change in these policies since the last annual report.

#### Public benefit

The Trustees, having regard to the public benefit guidance published by the Charity Commission in accordance with section 17 of the Charities Act 2011, consider that the purpose and activities of the charity satisfy the requirements of the public benefit test set out in section 4 of the same act.

### INDEPENDENT EXAMINER'S REPORT

Year ended 31 March 2025

---

#### Independent examiner's report to the Trustees of the Thoresby Charitable Trust

I report to the Trustees on my examination of the accounts of the Trust for the year ended 31 March 2025.

#### Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). You are satisfied that an audit is not required for this year under charity law and that an independent examination is needed.

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act. Dixon Wilson, a firm of Chartered Accountants of which I am an employee, has provided bookkeeping services to the Trust and I have applied the FRC's Revised Ethical Standard in carrying out my examination.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently, I express no opinion as to whether the accounts present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

#### Independent examiner's statement

I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 March 2025

---

#### 1. Accounting policies

##### Basis of accounting and assessment of going concern

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 SORP) issued in October 2019, the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Trust constitutes a public benefit entity as defined by FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

##### Income

Donations are recognised when the Trust has entitlement to the income, there is reasonable assurance of receipt and the amount of income can be measured reliably.

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Income from interest, royalties and dividends is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

Investment gains and losses includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

##### Expenditure and liabilities

Expenditure and liabilities are recognised once there is a legal or constructive obligation to make payment to a third party, it is probable that settlement will be required and the amount of obligation can be measured reliably.

All expenditure is accounted for on an accruals basis.

The charity has creditors which are measured at settlement amounts.

##### Assets

Fixed asset investments in quoted shares, traded bonds and similar investments are valued initially at cost and subsequently at fair value (their market value at bid price) at the year end.

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

##### Taxation

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objectives.
