**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025**

Achievements and Performance

Charitable activities;

We continued to provide support for renal patients treated at Addenbrooke's Hospital Renal Department; in the Dialysis Centre, its three satellite units and transplant wards.

During this financial year we funded:

Welfare services;- Our expenditure on welfare awards to sick and needy patients totalled £13459.00. These awards are approved by two trustees following recommendations by the Renal Social Worker.

Patients' Christmas Parties;- The usual Christmas buffets for patients receiving treatment over the Christmas period at CDC and satellite units was cancelled due to continuing Covid precautions. In place of these the charity funded Christmas presents for all those dialysing over Christmas at a cost of £1940.

AKPA is affiliated to the National Kidney Federation (NKF) who provide information and represent patients at a national level. AKPA subscriptions for this affiliation are currently deferred by our participation in the NKF national raffle.

Advertising and Publicity: Further development of our website at a cost of £1,798. Content creation and updating will be done by trustees. The work of writing and editing our newsletter is done free of charge by another trustee, although the layout and printing are paid for.

Special Projects: total £16,062. These are projects outside of our regular remit and usually of short duration, they included : -

Mobile phones: £1,674 - for use by the Dialysis Patient Counsellors and selected vulnerable patients.

Tea Trolleys: £3,468 – For Addenbrooke's dialysis unit.

Ultrasound scanners – £10,920 - 2 handheld scanners

Charitable income:

Our hardworking fundraisers achieved success with the 200 club & Christmas card sales and collecting tins raising a total of £2,792. Other fundraising activities organised by patients and their families raised a total of £11,256.

The Association is fortunate in having many voluntary fundraisers, none of our fundraisers are paid for their work and we are very grateful to them. Income from websites such as JustGiving.com and easyFundraising, and regular donations through Standing Orders are both significant sources of income. Income from donations totalled £1,136.

Income from In Memory donations totalled £3,713 and income earned by our reserves invested in high interest accounts totalled £6,005.

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD REPORT OF THE DIRECTORS AND TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document: Addenbrooke's Kidney Patients Association Ltd is registered as a company limited by guarantee and not having a capital divided by shares.

The company was incorporated on 9 October 1978 and is a registered charity constituted as a Limited Company under the Memorandum and Articles of Association. The charity registration number is 277236 and the company registration number is 01393034.

Recruitment and appointment of Trustees: the trustees are elected at the Annual General Meeting in line with AKPA policy. New trustees are invited to stand for election or by introduction through services or by direct recruitment. The selection process includes an analysis of skills required by the board, interviews with the Director and Chair of the board and attendance at the board meeting followed by a review.

The Trustees have no beneficial interest in the company other than as members. The Trustees are also the directors of the company. All of the Trustees are members of the company and guarantee to contribute £1 in event of winding up. The Directors of the organisation are also the charity trustees for the purposes of charity law.

Trustee induction and training: new trustees receive an induction pack outlining their responsibilities and duties and meet individually with Chair as part of their induction.

Up to four additional individuals with special knowledge or experience can be co-opted to serve as non voting members of the executive committee.

Organisation: the Directors and Trustees meet regularly in order to manage the affairs of the company, with the Board meeting approximately every two months. The Management Board comprises individuals from a variety of backgrounds. Board members' backgrounds include care and advice professions as well as finance and management.

Related parties: The charity works closely with other similar organisations as detailed in the "Achievements and Performance" section of the Trustees Report . None of the charity's trustees are directors or trustees of these other organisations.

Risk Management

The trustees assess major risks to which AKPA is exposed. Trustees review the risks to which the organisation is exposed on a regular basis, documenting the potential impact of each risk, recording actions planned to reduce the potential impact of risks and monitoring progress in the minutes.

FINANCIAL REVIEW

Principal Funding Sources: current principal funding sources are fundraising activities, donations, legacies and interest from reserves, as detailed above.

Investment powers and policy:

Under the Memorandum and Articles of Association, the charity has the power to make any investment which the trustees see fit. The trustees have considered the most appropriate policy for investing funds and have found that cash deposits meet their requirements to generate income.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025**

Reserves policy:

The Directors and Trustees consider it prudent to maintain an adequate level of unrestricted reserves to cover commitments and provide sufficient working capital.

The receipt of legacies in recent years has boosted our reserves. The charity will continue to seek projects that are important to the wellbeing of kidney patients treated by Addenbrooke's Hospital to utilise funds currently held in our reserves.

The Directors consider that the Charity's reserves are at a level that will allow the charity to continue providing services for the foreseeable future and to allow them to enhance the services provided should future donations allow. The reserves held in unrestricted funds, which have not been designated or invested in fixed assets, at the 31st March 2025 were £203,137 (2024: £223,298).

FUTURE ACTIVITIES

The AKPA Board has discussed work that it would like to progress over 2025/26. AKPA will seek to facilitate and further improve services and activities as follows.

Continued funding of smart phones at a cost of £1,524 p.a. for use by the Dialysis Patient Counsellors, specialist Nurses and selected vulnerable patients.

Continuing support for dialysis patients, including welfare and dialysis holiday payments. Plus funding for patient comforts and equipment not supplied by the NHS to Addenbrooke's Renal Units.

During the upcoming year, AKPA will continue to develop partnerships with statutory, voluntary and NHS organisations.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Trustees (who are also directors of the Addenbrooke's Kidney Patients Association Ltd for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2025**

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

The report of the directors has been prepared taking advantage of the small companies' exemption of section 415A of the Companies Act 2006.

Independent examiners report

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025 set out on pages 8 to 13.

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act.

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

- Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Reconciliation with previous Generally Accepted Accounting Practice

In preparing these accounts, the Trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required.

No restatements were required.

Company status

The Company is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

Income

Voluntary income including donations and legacies is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability

Incoming resources from tax claims are included in the statement of financial activities at the same time as the gift to which they relate

Shop income is recognised as earned (that is as the related goods or services are provided)

Investment income is recognised on a receivable basis

Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category

Costs of generating funds are the costs of trading for fundraising purposes

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them

Grants payable are payments to third parties in the furtherance of the charitable activities. Where the charity gives a grant with conditions for its payment being a specific of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specific service or output

Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees or governance or constitutional matters

Fixed assets

Individual fixed assets costing £1 or more are initially recorded at cost

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities Incorporating Income and Expenditure Account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant and machinery	15% straight line
---------------------	-------------------

- **Stocks**

Stock is valued at the lower of cost and net realisable value after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs. Items donated for sale or distribution are not included in the financial statements until they are sold or distributed

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

The company was incorporated on 9 October 1978 and is a registered charity constituted as a Limited Company under the Memorandum and Articles of Association. The charity registration number is 277236 and the company registration number is 01393034.

Recruitment and appointment of Trustees: the trustees are elected at the Annual General Meeting in line with AKPA policy. New trustees are invited to stand for election or by introduction through services or by direct recruitment. The selection process includes an analysis of skills required by the board, interviews with the Director and Chair of the board and attendance at the board meeting followed by a review.

The Trustees have no beneficial interest in the company other than as members. The Trustees are also the directors of the company. All of the Trustees are members of the company and guarantee to contribute £1 in event of winding up. The Directors of the organisation are also the charity trustees for the purposes of charity law.

Trustee induction and training: new trustees receive an induction pack outlining their responsibilities and duties and meet individually with Chair as part of their induction. Up to four additional individuals with special knowledge or experience can be co-opted to serve as non voting members of the executive committee.

Organisation: the Directors and Trustees meet regularly in order to manage the affairs of the company, with the Board meeting approximately every two months. The Management Board comprises individuals from a variety of backgrounds, stakeholders and users. Board members' backgrounds include care and advice professions as well as finance and management.

REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2024**

Related parties: The charity works closely with other similar organisations as detailed in the "Achievements and Performance" section of the Trustees Report . None of the charity's trustees are directors or trustees of these other organisations.

Risk Management

The trustees assess major risks to which AKPA is exposed. Trustees review the risks to which the organisation is exposed on a regular basis, documenting the potential impact of each risk, recording actions planned to reduce the potential impact of risks and monitoring progress in the minutes.

FINANCIAL REVIEW

Principal Funding Sources: current principal funding sources are fundraising activities, donations, legacies and interest from reserves, as detailed above.

Investment powers and policy:

Under the Memorandum and Articles of Association, the charity has the power to make any investment which the trustees see fit. The trustees have considered the most appropriate policy for investing funds and have found that cash deposits meet their requirements to generate income.

Reserves policy:

The Directors and Trustees consider it prudent to maintain an adequate level of unrestricted reserves to cover commitments and provide sufficient working capital.

The receipt of legacies in recent years has boosted our reserves. The charity will continue to seek projects that are important to the wellbeing of kidney patients treated by Addenbrooke's Hospital to utilise funds currently held in our reserves.

The Directors consider that the Charity's reserves are at a level that will allow the charity to continue providing services for the foreseeable future and to allow them to enhance the services provided should future donations allow. The reserves held in unrestricted funds, which have not been designated or invested in fixed assets, at the 31st March 2024 were £223,298 (2023: £264,446).

FUTURE ACTIVITIES

The AKPA Board has discussed work that it would like to progress over 2024/25. AKPA will seek to facilitate and further improve services and activities as follows.

Continued funding of smart phones at a cost of £2,335 p.a. for use by the Dialysis Patient Counsellors, specialist Nurses and selected vulnerable patients. These have proved invaluable for communication between Nursing Staff, Counsellors and vulnerable patients.

Ultrasound Scanners at a cost of £11,341 for CDC and Kings Lynn dialysis centres.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2024**

Continuing support for dialysis patients, including welfare and dialysis holiday payments. Plus funding for patient comforts and equipment not supplied by the NHS to Addenbrooke's Renal Units.

During the upcoming year, AKPA will continue to develop partnerships with statutory, voluntary and NHS organisations.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Trustees (who are also directors of the Addenbrooke's Kidney Patients Association Ltd for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

The report of the directors has been prepared taking advantage of the small companies' exemption of section 415A of the Companies Act 2006.

Independent examiners report

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2024 set out on pages 8 to 13.

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act.

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

- Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Reconciliation with previous Generally Accepted Accounting Practice

In preparing these accounts, the Trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required.

No restatements were required.

Company status

The Company is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

Income

Voluntary income including donations and legacies is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability

Incoming resources from tax claims are included in the statement of financial activities at the same time as the gift to which they relate

Shop income is recognised as earned (that is as the related goods or services are provided)

Investment income is recognised on a receivable basis

Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category

Costs of generating funds are the costs of trading for fundraising purposes

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grants payable are payments to third parties in the furtherance of the charitable activities. Where the charity gives a grant with conditions for its payment being a specific of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specific service or output

Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees or governance or constitutional matters

Fixed assets

Individual fixed assets costing £1 or more are initially recorded at cost

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities Incorporating Income and Expenditure Account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant and machinery 15% straight line

- **Stocks**

Stock is valued at the lower of cost and net realisable value after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs. Items donated for sale or distribution are not included in the financial statements until they are sold or distributed

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD REPORT OF THE DIRECTORS AND TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023

The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ended 31st March 2023, which are also prepared to meet the requirements for a directors' report and Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statements of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

PURPOSE AND ACTIVITIES

Founded in 1978, Addenbrooke's Kidney Patients Association Ltd (AKPA) has grown into an important local patient support group providing much-needed services not supplied by the NHS.

Mission Statement: Addenbrooke's Kidney Patients Association Ltd is a charitable Trust committed to improving the quality of life of people suffering from kidney disease who are, or have been treated at Addenbrooke's Hospital.

The objectives of the Trust are: to promote the relief of persons suffering from renal disease and to educate the public in the needs of such persons by encouraging public awareness and understanding of renal diseases, treatments and research.

Regular Commitments

Welfare grants to needy patients and their families

- Financial assistance for dialysis patients' holidays.
- Producing a regular newsletter for patients.
- Help with expenses for members attending the NKF Conference.
- Supporting participants in the Transplant Games.

Special Projects

Past and ongoing support includes:-

- Funding such posts such as Welfare Officer, Counsellors and Physiotherapist when not funded by the NHS
- Purchasing equipment and comforts for Addenbrooke's Dialysis Centre, Renal and Transplant wards and the Satellite Dialysis Units, for example: dialysis chairs, cushions and mattresses, fistula treatment equipment, air-conditioning, dialysis exercise equipment and specialist scanning equipment.
- Funding renal research projects at Addenbrooke's Hospital – recent projects include a dialysis fistula ligation trial and research to improve organ donation.
- Initiating the Skin Surveillance Programme and funding providing smart phones for Counsellors and Specialist Nurses.
- Providing a Transplant Clinic Nurse.
- Support for medical and nursing staff to attend training courses and conferences.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2023**

The role and contribution of volunteers:

During the year approx. fifteen volunteers helped support the work of AKPA through it's fundraising activities.

Achievements and Performance

Charitable activities;

We continued to provide support for renal patients treated at Addenbrooke's Hospital Renal Department; in the Dialysis Centre, its three satellite units and transplant wards.

During this financial year we funded:

Welfare services;- Our expenditure on welfare and dialysis holiday awards to sick and needy patients totalled £24,044. These awards are approved by two trustees following recommendations by the Renal Social Worker.

Patients' Christmas Parties;- The usual Christmas buffets for patients receiving treatment over the Christmas period at CDC and satellite units was cancelled due to covid precautions. In place of these the charity funded Christmas presents for all those dialysing over Christmas at a cost of £2,029.

AKPA is affiliated to the National Kidney Federation (NKF) who provide information and represent patients at a national level. AKPA subscriptions for this affiliation are currently deferred by our participation in the NKF national raffle.

Advertising and Publicity: We created a new website at an initial cost of £1,400. Content creation and updating will be done by trustees. The work of writing and editing our newsletter is also done free of charge by another trustee, although the layout and printing are paid for.

Special Projects: total £49,700. These are projects outside of our regular remit and usually of short duration, they included : -

Mobile phones: £1,935 - for use by the Dialysis Patient Counsellors and selected vulnerable patients.

Bradley / Summers Research Project: £22,445 - research to be carried out at Addenbrooke's to improve number of organs available for transplantation.

Numed Monitor: £1,899 - portable blood pressure and vital signs monitor for Hinchingsbrooke satellite dialysis unit.

Baxter Booklets £1,160 – re-print of advice booklets for patients starting dialysis.

Able Assist patient transporter £849 – for Hinchingsbrooke satellite unit

Lumie Lamps £214 – for nurse work stations

Mindray Ultrasound scanner £15,600 – portable fistula scanning machine for use in units and home dialysis.

Benefits at Work handbook £97 for patient welfare advice.

Lofty Heights house cleaning £1,614 - help for a home dialysis patient.

Health and Care Overlay cushions £3,887 – re-placement cushions for dialysis chairs at Hinchingsbrooke satellite unit.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2023**

Charitable income:

Our hardworking fundraisers achieved success with the Christmas Raffle, 200 club, Christmas card sales and collecting tins raising a total of £4,588. Other fundraising activities organised by patients and their families raised a total of £16,417

The Association is fortunate in having many voluntary fundraisers, none of our fundraisers are paid for their work and we are very grateful to them. Income from websites such as JustGiving.com and easyFundraising, and regular donations through Standing Orders are both significant sources of income. Income from donations totalled £1,749.

We were again fortunate this year in receiving legacies totalling £5,469.

Income from In Memory donations totalled £4,941 and income earned by our reserves invested in high interest accounts totalled £2,826.

Independent examiners report

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2023 set out on pages 8 to 13.

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act.

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies

- Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Reconciliation with previous Generally Accepted Accounting Practice

In preparing these accounts, the Trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required.

No restatements were required.

Company status

The Company is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

Income

Voluntary income including donations and legacies is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability

Incoming resources from tax claims are included in the statement of financial activities at the same time as the gift to which they relate

Shop income is recognised as earned (that is as the related goods or services are provided)

Investment income is recognised on a receivable basis

Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category

Costs of generating funds are the costs of trading for fundraising purposes

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grants payable are payments to third parties in the furtherance of the charitable activities. Where the charity gives a grant with conditions for its payment being a specific of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specific service or output

Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees or governance or constitutional matters

Fixed assets

Individual fixed assets costing £1 or more are initially recorded at cost

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities Incorporating Income and Expenditure Account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant and machinery 15% straight line

- **Stocks**

Stock is valued at the lower of cost and net realisable value after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs. Items donated for sale or distribution are not included in the financial statements until they are sold or distributed

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022**

The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ended 31st March 2022, which are also prepared to meet the requirements for a directors' report and Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statements of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

PURPOSE AND ACTIVITIES

Founded in 1978, Addenbrooke's Kidney Patients Association Ltd (AKPA) has grown into an important local patient support group providing much-needed services not supplied by the NHS.

Mission Statement: Addenbrooke's Kidney Patients Association Ltd is a charitable Trust committed to improving the quality of life of people suffering from kidney disease who are, or have been treated at Addenbrooke's Hospital.

The objectives of the Trust are: to promote the relief of persons suffering from renal disease and to educate the public in the needs of such persons by encouraging public awareness and understanding of renal diseases, treatments and research.

Regular Commitments

Welfare grants to needy patients and their families

- Financial assistance for dialysis patients' holidays.
- Producing a regular newsletter for patients.
- Help with expenses for members attending the NKF Conference.
- Supporting participants in the Transplant Games.

Special Projects

Past and ongoing support includes:-

- Funding such posts such as Welfare Officer, Counsellors and Physiotherapist when not funded by the NHS
- Purchasing equipment and comforts for Addenbrooke's Dialysis Centre, Renal and Transplant wards and the Satellite Dialysis Units, for example: reclining dialysis chairs, Fistula treatment equipment, air-conditioning, dialysis exercise equipment and specialist scanning equipment.
- Funding renal research projects at Addenbrooke's Hospital – recent projects include developing a blood potassium measuring device and a dialysis fistula ligation trial.
- Initiating the Skin Surveillance Programme and funding Relaxation Therapy for transplant patients.
- Providing a Transplant Clinic Nurse.
- Support for medical and nursing staff to attend training courses and conferences.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022**

The role and contribution of volunteers:

During the year approx. fifteen volunteers helped support the work of AKPA through it's fundraising activities.

Achievements and Performance

Charitable activities;

We continued to provide support for renal patients treated at Addenbrooke's Hospital Renal Department; in the Dialysis Centre, its three satellite units and transplant wards.

During this financial year we funded:

Welfare services;- Our expenditure on welfare and dialysis holiday awards to sick and needy patients totalled £13,330. These awards are approved by two trustees following recommendations by the Renal Social Worker.

Patients' Christmas Parties;- The usual Christmas buffets for patients receiving treatment over the Christmas period at CDC and satellite units was cancelled due to covid precautions. In place of these the charity funded Christmas presents for all those dialysing over Christmas at a cost of £2,141.

AKPA is affiliated to the National Kidney Federation (NKF) who provide information and represent patients at a national level. AKPA subscriptions for this affiliation are currently deferred by our participation in the NKF national raffle.

We are fortunate in having our web-site provided free of charge by one of our trustees. The work of writing and editing our newsletter is also done free of charge by another trustee, although the layout and printing are paid for.

Special Projects:total £19,202 These are projects outside of our regular remit and usually of short duration) these included: -

Mobile phones: £1,556 - for use by the Dialysis Patient Counsellors and selected vulnerable patients.

Fistula Ligation Study: £8,140 – Research into effects of retaining fistulas in trasplanted patients.

Wheelchairs: - £4,760 purchase of twenty wheelchairs for use by patients in the dialysis units. (NHS funding not available)

Pressure relief cushions and mattresses: £2,261 - for dialysis unit patients. (NHS funding not available).

Dialysis advice booklet printing - £683 - for patients just starting dialysis.

Wristbands: - £344 warning wristbands to protect patient fistulas.

Dialysis patient publicity: £1,001 - patient led dialysis publicity project.

Patient food etc. £249 – snacks for patients having long waits for transport during Covid.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022**

Charitable income:

Our hardworking fundraisers achieved success with the Christmas Raffle, 200 club and Christmas card sales raising a total of £5,138. Other fundraising activities organised by patients and their families raised a total of £13,566.

The Association is fortunate in having many voluntary fundraisers, none of our fundraisers are paid for their work and we are very grateful to them. Income from websites such as JustGiving.com and easy Fundraising, and regular donations through Standing Orders are both significant sources of income. Income from donations totalled £3,745.

We were again fortunate this year in receiving legacies totalling £78,548.

Income from In Memory donations totalled £4,720 and income earned by our reserves invested in high interest accounts totalled £1,251.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document: Addenbrooke's Kidney Patients Association Ltd (the word 'Limited' being omitted by licence from the Department of Trade) is registered as a company limited by guarantee and not having a capital divided by shares.

The company was incorporated on 9 October 1978 and is a registered charity constituted as a Limited Company under the Memorandum and Articles of Association. The charity registration number is 277236 and the company registration number is 01393034.

Recruitment and appointment of Trustees: the trustees are elected at the Annual General Meeting in line with AKPA policy. New trustees are invited to stand for election or by introduction through services or by direct recruitment. The selection process includes an analysis of skills required by the board, interviews with the Director and Chair of the board and attendance at the board meeting followed by a review.

The Trustees have no beneficial interest in the company other than as members. The Trustees are also the directors of the company. All of the Trustees are members of the company and guarantee to contribute £1 in event of winding up. The Directors of the organisation are also the charity trustees for the purposes of charity law.

Trustee induction and training: new trustees receive an induction pack outlining their responsibilities and duties and meet individually with Chair as part of their induction. Up to four additional individuals with special knowledge or experience can be co-opted to serve as non voting members of the executive committee.

Organisation: the Directors and Trustees meet regularly in order to manage the affairs of the company, with the Board meeting approximately every two months. The Management Board comprises individuals from a variety of backgrounds, stakeholders and users. Board members' backgrounds include care and advice professions as well as finance and management.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022**

Related parties: The charity works closely with other similar organisations as detailed in the "Achievements and Performance" section of the Trustees Report . None of the charity's trustees are directors or trustees of these other organisations.

Risk Management

The trustees assess major risks to which AKPA is exposed. Trustees review the risks to which the organisation is exposed on a regular basis, documenting the potential impact of each risk, recording actions planned to reduce the potential impact of risks and monitoring progress in the minutes.

FINANCIAL REVIEW

Principal Funding Sources: current principal funding sources are fundraising activities, donations, legacies and interest from reserves, as detailed above.

Investment powers and policy:

Under the Memorandum and Articles of Association, the charity has the power to make any investment which the trustees see fit. The trustees have considered the most appropriate policy for investing funds and have found that cash deposits meet their requirements to generate income.

Reserves policy:

The Directors and Trustees consider it prudent to maintain an adequate level of unrestricted reserves to cover commitments and provide sufficient working capital.

The receipt of legacies in recent years has boosted our reserves, which are at a high level. The charity is seeking projects to fund over the coming years that are important to the wellbeing of kidney patients treated by Addenbrooke's Hospital and will use funds currently held in our reserves.

The Directors consider that the Charity's reserves are at a level that will allow the charity to continue providing services for the foreseeable future and to allow them to enhance the services provided should future donations allow. The reserves held in unrestricted funds, which have not been designated or invested in fixed assets, at the 31st March 2022 were £313,717 (2021 £247,999).

FUTURE ACTIVITIES

The AKPA Board has discussed work that it would like to progress over 2022/23. AKPA will seek to facilitate and further improve services and activities as follows.

Continued funding of smart phones up to a cost of £1,500 for use by the Dialysis Patient Counsellors and selected vulnerable patients. These have proved invaluable for communication between Nursing Staff, Counsellors and vulnerable patients.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2022**

Funding a Fistula Ligation Study: up to a cost of £25,000, This study will investigate the long term health effects of dialysis fistulas.

Continuing support for dialysis patients, including welfare and dialysis holiday payments. And funding for patient comforts and equipment not supplied by the NHS to Addenbrooke's Renal Units.

During the upcoming year, AKPA will continue to develop partnerships with statutory, voluntary and NHS organisations.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Trustees (who are also directors of the Addenbrooke's Kidney Patients Association Ltd for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

The report of the directors has been prepared taking advantage of the small companies' exemption of section 415A of the Companies Act 2006.

Independent examiners report

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022 set out on pages 8 to 13.

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD REPORT OF THE DIRECTORS AND TRUSTEES FOR THE YEAR ENDED 31 MARCH 2021

The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ended 31st March 2021, which are also prepared to meet the requirements for a directors' report and Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statements of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

PURPOSE AND ACTIVITIES

Founded in 1978, Addenbrooke's Kidney Patients Association Ltd (AKPA) has grown into an important local patient support group providing much-needed services not supplied by the NHS.

Mission Statement: Addenbrooke's Kidney Patients Association Ltd is a charitable Trust committed to improving the quality of life of people suffering from kidney disease who are, or have been treated at Addenbrooke's Hospital.

The objectives of the Trust are: to promote the relief of persons suffering from renal disease and to educate the public in the needs of such persons by encouraging public awareness and understanding of renal diseases, treatments and research.

Regular Commitments

Welfare grants to needy patients and their families

- Financial assistance for dialysis patients' holidays.
- Producing a regular newsletter for patients.
- Help with expenses for members attending the NKF Conference.
- Supporting participants in the Transplant Games.

Special Projects

Past and ongoing support includes:-

- Funding such posts such as Welfare Officer, Counsellors and Physiotherapist when not funded by the NHS
- Purchasing equipment and comforts for Addenbrooke's Dialysis Centre, Renal and Transplant wards and the Satellite Dialysis Units, for example: reclining dialysis chairs, Fistula treatment equipment, air-conditioning, dialysis exercise equipment and specialist scanning equipment.
- Funding renal research projects at Addenbrooke's Hospital – recent projects include developing a blood potassium measuring device and a dialysis fistula trial.
- Initiating the Skin Surveillance Programme and funding Relaxation Therapy for transplant patients.
- Providing a Transplant Clinic Nurse.
- Support for medical and nursing staff to attend training courses and conferences.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021**

The role and contribution of volunteers:

During the year approx. fifteen volunteers helped support the work of AKPA through it's fundraising activities.

Achievements and Performance

Charitable activities;

We continued to provide support for renal patients treated at Addenbrooke's Hospital Renal Department; in the Dialysis Centre, its three satellite units and transplant wards.

During this financial year we funded:

Welfare services;- Our expenditure on welfare and dialysis holiday awards to sick and needy patients totalled £7,351. These awards are approved by two trustees following recommendations by the Renal Social Worker.

Patient Nursing;- In conjunction with Addenbrooke's Liver Transplant Association (ALTA) we funded relaxation therapy to assist patients' recovery following transplantation. This therapy ceased in 2020 due to the pandemic. Our total expenditure on this service was much reduced at £449.

Patients' Christmas Parties;- The usual Christmas buffets for patients receiving treatment over the Christmas period at CDC and satellite units had to be cancelled due to the pandemic. In place of these the charity funded Christmas presents for all those dialysing over Christmas at a cost of £1,850.

AKPA is affiliated to the National Kidney Federation (NKF) who provide information and represent patients at a national level. AKPA subscriptions for this affiliation are currently deferred by our participation in the NKF national raffle.

We are fortunate in having our web-site provided free of charge by one of our trustees. The work of writing and editing our newsletter is also done free of charge by another trustee, although the layout and printing are paid for.

Special Projects (projects outside of our regular remit and usually of short duration) these included: -

Mobile phones: £1,267 - for use by the Dialysis Patient Counsellors and selected vulnerable patients during the time of the Covid epidemic.

Bladder Scanner: £7,000 – an essential piece of medical equipment for the dialysis units, not supplied by the NHS.

Welfare information subscription: £111 – for Renal Care Social Practitioner

Hoodies: £2,360 – for nursing staff having to work in low temperatures.

Microwave ovens and Covid Screening: £270 - for the use of nursing staff in Cambridge Dialysis Centre.

TV and Radio: £538 – for the patient Day Room of the Renal Inpatient ward.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021**

Charitable income:

Our hardworking fundraisers achieved success with the Christmas Raffle, 200 club and Christmas card sales raising a total of £5,978. Other fundraising activities organised by patients and their families raised a total of £7,697.

The Association is fortunate in having many voluntary fundraisers, none of our fundraisers are paid for their work and we are very grateful to them. Income from websites such as JustGiving.com and easy Fundraising, and regular donations through Standing Orders are both significant sources of income. Income from donations totalled £1,859.

We were again fortunate this year in receiving a legacies totalling £7,000.

Income from In Memory donations totalled £5,287 and income earned by our reserves invested in high interest accounts totalled £1,852.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document: Addenbrooke's Kidney Patients Association Ltd (the word 'Limited' being omitted by licence from the Department of Trade) is registered as a company limited by guarantee and not having a capital divided by shares.

The company was incorporated on 9 October 1978 and is a registered charity constituted as a Limited Company under the Memorandum and Articles of Association. The charity registration number is 277236 and the company registration number is 01393034.

Recruitment and appointment of Trustees: the trustees are elected at the Annual General Meeting in line with AKPA policy. New trustees are invited to stand for election or by introduction through services or by direct recruitment. The selection process includes an analysis of skills required by the board, interviews with the Director and Chair of the board and attendance at the board meeting followed by a review.

The Trustees have no beneficial interest in the company other than as members. The Trustees are also the directors of the company. All of the Trustees are members of the company and guarantee to contribute £1 in event of winding up. The Directors of the organisation are also the charity trustees for the purposes of charity law.

Trustee induction and training: new trustees receive an induction pack outlining their responsibilities and duties and meet individually with Chair as part of their induction. Up to four additional individuals with special knowledge or experience can be co-opted to serve as non voting members of the executive committee.

Organisation: the Directors and Trustees meet regularly in order to manage the affairs of the company, with the Board meeting approximately every two months. The Management Board comprises individuals from a variety of backgrounds, stakeholders and users. Board members' backgrounds include care and advice professions as well as finance and management.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021**

Related parties: The charity works closely with other similar organisations as detailed in the “Achievements and Performance” section of the Trustees Report . None of the charity’s trustees are directors or trustees of these other organisations.

Risk Management

The trustees assess major risks to which AKPA is exposed. Trustees review the risks to which the organisation is exposed on a regular basis, documenting the potential impact of each risk, recording actions planned to reduce the potential impact of risks and monitoring progress in the minutes.

FINANCIAL REVIEW

Principal Funding Sources: current principal funding sources are fundraising activities, donations, legacies and interest from reserves, as detailed above.

Investment powers and policy:

Under the Memorandum and Articles of Association, the charity has the power to make any investment which the trustees see fit. The trustees have considered the most appropriate policy for investing funds and have found that cash deposits meet their requirements to generate income.

Reserves policy:

The Directors and Trustees consider it prudent to maintain an adequate level of unrestricted reserves to cover commitments and provide sufficient working capital.

The receipt of legacies in the 2012/13 financial year boosted our reserves, which remain at a high level. The charity is seeking projects to fund over the coming years that are important to the wellbeing of kidney patients treated by Addenbrooke's Hospital and will use funds currently held in our reserves.

The Directors consider that the Charity's reserves are at a level that will allow the charity to continue providing services for the foreseeable future and to allow them to enhance the services provided should future donations allow. The reserves held in unrestricted funds, which have not been designated or invested in fixed assets, at the 31st March 2021 were £247,999 (2020: £243,882).

FUTURE ACTIVITIES

The AKPA Board has discussed work that it would like to progress over 2021/22. AKPA will seek to facilitate and further improve services and activities as follows.

Continued funding of smart phones up to a cost of £1,500 for use by the Dialysis Patient Counsellors and selected vulnerable patients during the time of the Covid epidemic. These have proved invaluable for communication between Nursing Staff, Counsellors and vulnerable patients.

**ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
REPORT OF THE DIRECTORS AND TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2021**

Funding a Fistula Ligation Study: up to a cost of £25,000, This study will investigate the long term health effects of dialysis fistulas.

Continuing support for dialysis patients, including welfare and dialysis holiday payments. And funding for patient comforts and equipment not supplied by the NHS to Addenbrooke's Renal Units.

During the upcoming year, AKPA will continue to develop partnerships with statutory, voluntary and NHS organisations.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Trustees (who are also directors of the Addenbrooke's Kidney Patients Association Ltd for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

The report of the directors has been prepared taking advantage of the small companies' exemption of section 415A of the Companies Act 2006.

APPROVED BY THE BOARD on 3 September 2021 AND SIGNED ON ITS BEHALF

Independent examiners report

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021 set out on pages 8 to 13.

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

- Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Reconciliation with previous Generally Accepted Accounting Practice

In preparing these accounts, the Trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required.

No restatements were required.

Company status

The Company is a company limited by guarantee and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

Income

Voluntary income including donations and legacies is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability

Incoming resources from tax claims are included in the statement of financial activities at the same time as the gift to which they relate

Shop income is recognised as earned (that is as the related goods or services are provided)

Investment income is recognised on a receivable basis

Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to that category

Costs of generating funds are the costs of trading for fundraising purposes

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grants payable are payments to third parties in the furtherance of the charitable activities. Where the charity gives a grant with conditions for its payment being a specific of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specific service or output

Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

ADDENBROOKE'S KIDNEY PATIENTS ASSOCIATION LTD
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees or governance or constitutional matters

Fixed assets

Individual fixed assets costing £1 or more are initially recorded at cost

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities Incorporating Income and Expenditure Account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant and machinery 15% straight line

- **Stocks**

Stock is valued at the lower of cost and net realisable value after due regard for obsolete and slow moving stocks. Net realisable value is based on selling price less anticipated costs to completion and selling costs. Items donated for sale or distribution are not included in the financial statements until they are sold or distributed

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.
