**YAKAR EDUCATIONAL FOUNDATION
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 AUGUST 2020**

The trustees present their report with the accounts of the charity for the year ended 31 August 2020.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102- effective 1 January 2015- (Charities SORP FRS 102).

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Foundation was created by a trust deed dated 7 June 1976 and was registered with the Charity commission on 1 July 1976.

The Foundation is dedicated to teaching the theory and practise of Judaism in an intellectually open and non-judgemental way to anyone, regardless of their background or denomination, interested in furthering their knowledge or commitment.

The trustees who served throughout the year were:

Mrs Ayalah Kaplan- resigned 9 August 2020

Mr Peter Burns- resigned 9 August 2020

Mrs Sharmaine Amsellem

The current trustees are constantly searching for people who share the values and ideals of the Foundation and would make suitable trustees. In addition, personal experience of the Yakar atmosphere is regarded as essential.

Risk management

The trustees have assessed the major risks to which the charity is exposed. In particular, they have reviewed the bank overdraft arrangements and the ability of the charity to meet its future commitments. The trustees are satisfied that systems are in place to mitigate such risks.

OBJECTIVES, ACTIVITIES, ACHIEVEMENT AND PERFORMANCE

The aims of the Foundation are to further its message and ideology both through lecturing and teaching and through the maintenance of its centres. The Foundation has a very specific ideology that is particularly relevant in the current climate of religious extremism and the challenge of a multi-cultural society. Rooted in traditional Judaism, Yakar's message is directed to both the Jewish and the wider community. It is that religion need not be enclavist and inward looking and can play a wider civic role.

The efforts of the Yakar Educational Foundation are mainly directed towards supporting its two centres in Israel, one in Jerusalem, one in Tel Aviv.

The two centres, are simultaneously both independent and inter- dependent of each other, work harmoniously towards common objectives; namely to continue philosophy and thinking of Yakar's founder, Rabbi Dr, Mickey Rosen. They combine Tradition with Creativity whilst emphasizing a sense of Social Responsibility.

Yakar Jerusalem is led by Rabbi Shlomo Dov Rosen. Yakar Tel Aviv is led by Rabbi Chananel Rosen.

Both centres comprise a synagogue, a study centre and a community centre. Both offer programs and courses in Hebrew and in English to students from post high school age to retirees.

YAKAR EDUCATIONAL FOUNDATION

REPORT OF THE TRUSTEES - CONTINUED

FOR THE YEAR ENDED 31 AUGUST 2020

Yakar Jerusalem (part of “The Yakar Centre for Tradition and Creativity”, a separate charity in Israel) owns and runs its centre at 10 Halamed Heh Street, Jerusalem. Yakar Tel Aviv operates in a building leased from the Tel Aviv Municipality.

The centres services in excess of 10,000 people a year, and have a record of continues growth in terms of the range of activities and in terms of numbers of people attending.

FINANCIAL REVIEW

The total incoming resources for the year amounted to £43,084 (2019: £37,723). The principal funding sources for the charity are voluntary donation income and income and gains arising on the Investment portfolio. The charity has made investment deficit of £30,611 in the year (2019: gains £47,192). The foundation contributed funds towards the costs of running the two Yakar centres in Jerusalem and Tel Aviv amounting to £150,000 (2019: £175,000).

It is the Foundation’s policy that unrestricted funds that have not been designated for a specific use should be maintained at a level equivalent to at least the next twelve month’s expenditure. The trustees consider that reserves at this level will ensure that, in the event of a sudden drop in funding, the Foundation will be able to continue its current level of activity whilst consideration is given to ways in which additional funds may be raised.

The Trustees have invested the assets of the Designated Fund in a portfolio of investments managed by Smith & Williamson Investment Management Limited. The Trustees continue to monitor the investments in the best interests of the charity.

RESERVES POLICY

The charity’s reserves policy is to create sufficient reserves to enable the charity to continue its activities and services at a meaningful level, should there be a drop in income. As all income is derived from investments, the trustees review this position on a regular basis.

PLANS FOR THE FUTURE

The aims of the Foundation are to continue the successful patterns of dissemination already tested and proven. The shift of emphasis will continue towards centres in Israel, which can draw on greater availability of teaching expertise and through them to fertilize and stimulate teaching throughout the Diaspora.

Development of the new centre in Tel Aviv under the auspices of Yakar Israel continues with the continued financial support of the Foundation. In addition, the Foundation continues to support more teaching and preaching in communities less well served than London. Both the centres in Israel have begun to train lay leaders to lead workshops of their own on the Yakar model. In addition, the centre in Tel Aviv has developed courses especially relevant to journalists and to diplomats. It is intended that both of these areas are further developed in the future.

PUBLIC BENEFIT

The principal activities of the charity during the year continued to be to achieve the objectives as stated above. The trustees are aware of the Charity Commission guidance on public benefit reporting as set out in Section 17 Charities Act 2011. The trustees believe that the charity achieves a public benefit by advancing educational needs.

**YAKAR EDUCATIONAL FOUNDATION
REPORT OF THE TRUSTEES - CONTINUED
FOR THE YEAR ENDED 31 AUGUST 2020**

RESPONSIBILITIES OF THE TRUSTEES

The charity's trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under charity law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and the income and expenditure of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

c) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and that the amount can be measured reliably.
