Use of the village hall for meetings, lectures and classes or other forms of recreation and leisure time occupation in the interests of social welfare and with the object of improving the social conditions of the life of the inhabitants.

The hall is in use Monday to Friday by block bookings for a variety of activities including Junior and Senior (3 evenings a week) Dance Lessons, Pre-School singing & dancing group, Active Retirement Bowls Group, Bingo, Dog Training and once a month a Carers Café and Men's Support Group run by the KCC Community Warden.

**2024/25**  
**Achievements**

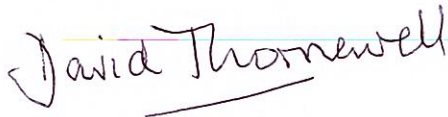

The Parish Council works hard to make the hall attractive to potential users and measure their success by the range of users and the hall occupancy.

In this financial year the Parish Council has had to have major repairs carried out to part of the roof by Kent Asphalt. A new Disabled Toilet was installed by the Caretaking Supervisor and Parish Handyman following a breakage and the main external door needed emergency repairs by Astra Security Systems Ltd. A water leak was identified and works were carried out by Waterlink but further works are recommended.

**Future Plans**

The Parish Council as custodian trustees will monitor the current climate and will ascertain any necessary works to be completed. If any are identified, quotes will be obtained and works carried out. Quotes will be obtained in 2025/2026 for further works to the roof, floor refurbishment works and water pipe replacement to avoid any further leaks.

**Achievements**

The parish council works hard to make the hall attractive to potential users and measure their success by the range of users and the hall occupancy. There was a phased return to the hall following the Pandemic so the hall was not back to full occupancy during this year. Unfortunately, some groups had to close due to financial constraints.

In this financial year the Parish Council has had to have major repairs carried out by Gary Jiles, Building Contractor, to the Ragstone Wall surrounding the hall car park due to a road traffic accident. Unfortunately, due to vandalism many windows were broken in this financial year so these were replaced by Maidstone Glass. Following an Electrical Condition Report electrical works were carried out to bring the hall up to "Spec", this was carried out by AKS Electrical (Kent) Ltd. The hall floor was sanded and polished by the Caretaking Supervisor and Parish Handyman, polish bought from More Floor Finishes.

**Future Plans**

The parish council as custodian trustees will monitor the current climate and will ascertain any necessary works to be completed. If any are identified, quotes will be obtained and works carried out.
