#### Objects of the charity

The objects of the charity are to promote and support such charitable purpose or purposes, and such charitable organisation or organisations (being purposes and organisations which are exclusively charitable according to the law of England) as the Trustee shall from time to time in its discretion decide. The Trust is a registered charity under Charity Commission reference number 278569.

The Trust was established by Arthur James Paterson by a Deed dated 26 July 1979. The Trust remained dormant until the settlor's death in 1986, at which time the settlor's estate passed into the trust. The Trust fund is held to benefit such charitable purposes as the Trustee in its absolute discretion think fit, although during his lifetime Arthur James Paterson gave the Trustee guidelines as to how he would like to see such discretion exercised.

#### Grant making policy

The Trustee's current policy is to annually distribute the Trust's income to certain selected charities, although no commitment is given to the recipients. It is unusual for the Trustee to respond favourably to unsolicited appeals and applications will not be acknowledged.

### TRUSTEE'S REPORT FOR THE YEAR ENDED 5 APRIL 2023

---

The Trustee's review the selected charities, and consider new appeals received at their annual Trustee meeting, normally held in July.

#### Appointment of Trustee's and charity organisation

The charity is managed and administered by the corporate Trustee, SG Kleinwort Hambros Trust Company (UK) Limited, which was appointed under the terms of the Trust Deed.

#### Financial review and investment policy

The financial statements cover all the activities of the charity during the year. Gross income totalled £57,560.90 (£59,418.11 in 2022). Under the governing document, there are no restrictions on the charity's power to invest. The overall investment policy is to achieve long term capital growth in real terms. The unrestricted fund balance at 5 April 2023 was £2,047,454.18 (£2,074,132.82 in 2022).

The financial statements show the investments at market value. At the year ended 5 April 2023 there was an unrealised net loss of £14,539.29 (gain of £104,370.14 in 2022).

#### Review of the activities and future developments

The Trustee is satisfied with the financial position of the charity and confirms that it has adequate assets available to fulfil their obligations. There are no plans to alter the charity's activities next year.

#### Charity's public benefit

The Trustee has ensured that all activities throughout the period have been for the public benefit. This is evidenced by the contributions made to individuals and institutions totalling - £Nil (£73,904.00 in 2022).

The Trustee confirms that it has referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

#### Reserves policy

It is the Trustee's intention to maintain an unrestricted fund at least equivalent to the historic cost of investments, together with a small cash balance of income, partly to offset any fluctuation in investment income in future periods and to enable them to continue their policy of responding quickly to appeals for significant support where appropriate, the timing of which is unpredictable.

All funds are held on an unrestricted basis. It is the policy of the Trustee to donate all income to further the objects of the trust.

#### Risks

The Trustee has considered what risks the charity faces and believe these to be as follows:

<u>Risk identified</u>	<u>Action taken to mitigate the risk</u>
- Investments will drop in value	- Trustee has appointed a professional firm to manage the investments
- Donations made will not be spent how the Trustee would like	- Trustee actively review the donations and ask for updates and reports.

Investments are made principally in UK quoted fixed-interest stocks and equity shares to provide a high level of income consistent with medium risk and potential for capital appreciation in the longer term.

#### Going Concern

The Trustee is of the opinion that the charity has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties regarding the Charity's ability to do so.

The charity Trustee is responsible for preparing a Trustee's annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity Trustee to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;

### INDEPENDENT EXAMINER'S REPORT

---

I report to the Trustee on my examination of the accounts of Arthur James Paterson Charitable Trust for the year ended 5 April 2023 which are set out on pages 5 to 10.

#### **Respective responsibilities of Trustee and Examiner**

The Trustee is responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of the Trust's accounts as carried out under section 145 of the 2011 Act. In carrying out my examination I have followed the requirements of the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent Examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2023

---

#### 1 Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

##### **Basis of Accounting**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities (effective 1 January 2019) preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) - (Charities SORP(FRS102)(Second Edition)) and the Charities Act 2011.

The Arthur James Paterson Charitable Trust meets the definition of a public entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

The presentation currency of these financial statements is Pounds Sterling.

##### **Going Concern**

The Trustee is of the opinion that the charity has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties regarding the Charity's ability to do so.

##### **Income recognition**

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. Income tax recoverable in relation to investment income is recognised at the time investment income is receivable.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment manager of the dividend yield of the investment portfolio.

##### **Expenditure recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

##### **Cash and cash equivalents**

Cash and cash equivalents includes cash and short term highly liquid investments with short term maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

## ARTHUR JAMES PATERSON CHARITABLE TRUST

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2023

---

#### Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### Estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Although these estimates are based on the Trustee's best knowledge of the amount, events or actions, actual results ultimately differ from these estimates. The Trustee does not consider there to be any material estimates and judgements.

#### Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments, including trade and other debtors and creditors are initially recognised at transaction value and subsequently measured at their settlement value.

#### Fund Structure

Income funds are unrestricted funds which are available for use at the discretion of the Trustee in furtherance of the general objectives of the charity and which have not been designated for other purposes.

#### Investments

Listed investments are included in the financial statements at mid-market value at the balance sheet date. Unlisted investments are included in the balance sheet at their historical cost less any amounts written off. Investments include cash held for investment purposes.

#### Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.
