African Enterprise UK Limited

Report of the Trustees
for the Year Ended 31 December 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2021. The basis of preparing the financial statements is set out in note 1.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

African Enterprise UK Ltd is a UK charitable company limited by guarantee, as defined by the Companies Act 1985. It was incorporated on 25 January 1979 and registered as a Charity on 20 March 1980. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the charity being woundup, the liability in respect of the guarantee is limited to £1 per member of the charity.

Induction and training of Trustees

Trustees are appointed by the Council of Management, after assessing the needs of the charity. We acquaint the prospective trustee with the work and ministry of African Enterprise and determine how best they can contribute to the charity. Trustees are kept up to date with charity guidelines and most have attended an approved trustee training course.

Since the period of this report, Trustees have been saddened by the death of Harvey Thomas CBE on March 13th 2022. Harvey had served as Co-Executive Director for African Enterprise UK Ltd since the end of 2008.

Organisational structure

The directors of the company are also charity trustees for the purposes of UK charity law and under the company's Articles are known as members of the Council of Management. Under the requirements of the Memorandum and Articles of Association the number of members on the Council should be no less than three or more than twelve. Day to day running of the Charity is carried out by the joint Company Secretaries.

Currently, the trustees allocate funds solely to the work of African Enterprise (AE) in the continent of Africa. This provides a full audit trail and the funds can be properly accounted for to AE UK's financial supporters.

During 2021, AE UK was able to support a number of charitable activities in ten African countries. Trustees endeavour to assess the financial planning and viability of AE projects before giving support and in 2021 contributed significantly to a number of city-wide charitable projects in Africa, including educational work, rehabilitation programmes and material aid in dealing with COVID-19.

Risk management

The trustees regularly review the major risks which the charity may face and believe that maintaining reserves for a minimum of three months, combined with an annual review of the controls over key financial systems, provides sufficient resources in the event of adverse conditions. The trustees are conscious of the need to maintain sufficient reserves and, on the recommendation of our financial advisors, have held them at the three month minimum throughout 2021. All monies AE UK contributes are now specifically restricted to named charitable activities and receipts are obtained from the designated recipients. The trustees have also examined other operational and business risks faced by the charity and confirm that they have established procedures to mitigate the significant risks.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's objectives and its principal activities continue to be evangelistic mission, peace-making and reconciliation work, poverty, pandemic relief, educational health, aiding and assisting displaced persons and refugees, leadership training and community development, in Africa.

Public Benefit

The fulfilment of the objectives and aims combine to produce significant Public Benefit to the people of Africa. Public Benefit also accrues to UK residents by way of regular news and education about Africa and the provision of information and guidance for those who have a special interest in, or wish to become actively involved in, the work or to make charitable donations.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity supports the work of AE Teams in Africa, particularly with reconciliation and evangelistic activities, HIV/AIDS education, aid and development and leadership training. In a number of countries, AE Teams run very effective rehabilitation programmes for drug users and former prostitutes. These programmes include health and hygiene education and teaching practical skills such as sewing, which helps to ensure future personal development. An amount of £175,562 was contributed through voluntary donations towards the direct charitable activities of African Enterprise in Africa during 2021, an increase of £50,859 from 2020.

Extra support has been given throughout the COVID pandemic to enable AE Teams to distribute Face Masks, Hygiene Products and Food to people with particular needs caused by COVID. The Teams have also used Radio, TV, Email and Texting to provide education information on the pandemic in their region.

The Reverend Ossie Post continues to serve as AE UK's "Ambassador" to churches and the Christian public. His meetings, and therefore his personal contacts and ministry, have been severely curtailed during the pandemic, but thankfully resumed in 2021. Ossie makes a valuable and strategic contribution both to the awareness of AE UK and the promotion of its prayer, charitable work and financial needs. We can identify specific giving, resulting directly from Ossie Post's work.

AE's national teams have been strictly limited in their public mission activities during the pandemic. During that time have been able to carry out practical projects to assist the many thousands of Africans suffering either from loss of loved ones or severe poverty due to job losses. This has included providing medical care and equipment.

During 2021 AE's national teams were again able to carry out city missions, which incorporate training, reconciliation, peace-making and functional aid, as well as evangelism. In 2021, AE UK was able to contribute a total of £62,815 directly to the social, training and other activities of the African teams. Particular projects included the "Ithembalomntwana Pre-School community project" ("Hope for the Child") in South Africa, Foxfire outreach and Women in Need project in Ghana.

In South Africa, AE's Barnabas Programme continues to be a leading body in mentoring young people in their spiritual growth and leadership capacities. The Barnabas Programme is active in many cities, helping to create young leaders from all over South Africa.

Fundraising activities

Donations and gifts received by AE UK decreased by £30,735 however the overall income was £175,562 as opposed to £124,703 last year. We are deeply thankful for the legacies to AE UK which are most valuable to assist our planning and giving. Through the work of Reverend Ossie Post, speaking engagements by other AE personnel and other promotional activities, trustees are working to increase UK awareness of AE's work. A quarterly Newsletter is sent to AE UK's supporters, together with a Prayer Diary for AE's people and work.

AE UK receives reports of AE Team work in Africa by direct contacts with the Teams. These are not always easy to obtain and AE UK's giving is based on our knowledge of the Missions and charitable activities in the various countries, obtained primarily through these reports. This is particularly important to inform and account to our supporters accurately. Once AE UK has good information on the projects, it gives as much support as possible directly to them. We monitor and encourage their progress to ensure a valid audit trail of monies sent.

FINANCIAL REVIEW

Funds review

During 2021 the Trustees contributed £62,815 directly to AE charitable activities. In order to maintain control of end usage and have a full audit trail, no payments were made to AEI.

Investment policy and objectives

Under the memorandum and Articles of Association, the charity has the power to make any investments which the trustees see fit. Low interest rates, however, have removed all significant returns from monies on deposit.

FUTURE DEVELOPMENTS

In 2022, the AE UK trustees will continue to encourage the most effective ways forward in terms of mission, structure, personnel, finance and health information and hygienic supplies. This will focus on gathering full information from the National Teams, so that we can support their specific projects in reconciliation, leadership training, aid and development and mission.

There are a number of urgent areas of need in Africa and our Teams' comprehensive programmes include peace-making and reconciliation, leadership training and aid and development such as building toilets in slum areas and providing skills training for young women currently in prostitution, to equip them to reintegrate into society and additionally to build their emotional and spiritual wellbeing.

Independent examiner's report to the trustees of African Enterprise UK Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
