Structure The Society is managed by a committee which is elected annually by the members at the AGM. The duties of the committee include:

- Appointment of the Music Director
- Planning of rehearsals and concerts
- Setting subscriptions

Activities and Objectives

The purposes of Ipswich Choral Society are to advance, improve, develop and maintain public education in, and appreciation of, the art and science of music in all its aspects through the presentation and/or performance of concerts and associated activities, subject to any legal restrictions that from time to time may be in force.

Public benefit

In pursuing our aims for public benefit, the choir believes it impacts on people's lives in two ways. First, for participants (young and old), we involve people in a creative, enjoyable and fulfilling educational activity, providing them with an opportunity to develop vocal technique and musical repertoire.

Second, for audiences, we present exciting, innovative and high-quality performances which should always be a pleasurable cultural experience but will sometimes challenge them and educate them by extending their musical knowledge.

In addition to the public educational benefits to participants and audiences mentioned above, the trustees are conscious that its activities must be affordable, so both membership subscriptions and audience ticket prices are regularly reviewed so as to be sustainable. Any member with financial difficulties can privately discuss a special reduced subscription arrangement with the Treasurer.

Achievements and performance

2024 saw the choir reach a significant milestone of becoming only the second choral society in the country to be continuously formed for 200 years. (Halifax Choral Society being the other one, seven years older than Ipswich Choral Society). This provided the opportunity choir members and the people of Ipswich to learn about the heritage of music and arts in the town at various events held throughout the year.

During the year three main public concerts were performed:

April 2024 Haydn's Creation, in collaboration with Halifax Choral Society at Snape Maltings Concert Hall offering members of both choirs the opportunity to work together. A different approach to learn the material is used when collaborating with another choir, broadening the experience of the members of both choirs. The audience was also given the opportunity to hear two long-established well-respected choirs and a professional orchestra at the concert.

June 2024. An outdoor concert in Christchurch Park, Ipswich, celebrating the 550th anniversary of Cardinal Thomas Wolsey's birth in Ipswich. The music for the concert consisted of three commissioned pieces composed by local composers, giving choir members the chance to learn and perform brand new music that had never been sung before, along with other period work from Wolsey's lifetime.

A few days after the concert the choir took part in a parade through the town, helping local school children sing music from the period of Wolsey's birth culminating in a concert held on Ipswich Cornhill.

All this was made possible through a collaboration with The Wolsey 550 project put together especially for the anniversary comprising of many local organisation's working together.

December 2024 The choir performed Handel's Messiah in the Corn Exchange, Ipswich, this time in collaboration with Ipswich Chamber Choir, providing the chance for singers and audience alike to be a part of one of the best loved choral work.

Community events: The choir performed at Ipswich Music Day, and sang during the laying of wreaths at the civic service of remembrance organised by Ipswich Borough Council and the Royal British Legion. The choir also sang Christmas carols at Christchurch Mansion.

Financial review

The turnover for the year was significantly higher than 2023-24, with receipts of £79,742 (2023-24 £28,722) and expenses of £80,755 (2023-24 £19,426). This was due mainly to:

- The concerts at Snape in April and Ipswich Corn Exchange in December;
- A legacy of £10,000;
- Participation in the celebration of the 550th anniversary of Cardinal Wolsey, for which we received a grant of £3,000.

Operating income and expenses

Operating income increased from £18,931 to £26,466. This was partly due to a continued increase in the membership, and increased bank interest receipts. There were one-off contributions due to interest and Gift Aid receipts being brought forward; on a like-for-like basis the total operating income would have been £22,698.

Operating expenses increased from £13,548 to £14,597. As a result of Robin Walker's resignation in the summer there were reductions in the payments to the conductor and accompanist, offset by increased costs of music and other expenses.

Concerts

Although held in the previous year, the majority of the income (£3,565) and expenses (£1,874) for the Christmas 2023 concert was booked during the 2024-25 financial year contributing a surplus of £1,691.

Income during the year for the Snape concert was £13,910; expenses were £33,909 resulting in a deficit of £19,999. The small surplus from 2023-24 reduced the overall deficit to £18,506

The Messiah concert in December generated income of £7,520; however expenses totalling £11,759 resulted in a loss of £4,239.

The year also included payments (£10,239) and receipts (£6,834) for accommodation for choir members and guests for the St Matthew Passion concert to be held in Halifax in April 2025.

Overall the loss during the year was £26,141.

Wolsey 550

A grant of £3,000 was received to enable us to perform a concert in Christchurch Park in the summer as part of the celebration. The programme included three pieces of music commissioned for this occasion. This resulted in a small surplus of £291, which is held in a restricted fund.

Fund raising and donations

Fund raising events contributed a surplus of £1,523 and donations a further £1,648. We also received a generous legacy of £10,000 from June Catling. A retiring collection at the Messiah concert raised £316 for Music In Our Bones, our sponsored charity.

Other events

As part of the celebration of the 200th anniversary a dinner was held attended by representatives for Ipswich Borough Council, our president and vice presidents and former conductors. Payments from choir members contributed £4,151 towards the total cost of £5,612.

Overview

The General Fund had a modest deficit during the year of £1,304. This would have been significantly larger without the one-off contributions of:

- The legacy (£10,000)
- Interest income accrued during the previous year (£1,094)
- A Gift Aid claim on the current year's income (£2,675)

Total funds held, including the small surplus in the Wolsey 550 restricted fund, reduced from £74,060 to £73,047. Reserves are the result of accumulated surpluses. The trustees policy is to maintain a balance of 50% of the average expenditure of the last 3 years, in addition to any designated or restricted funds.

Funds held as a custodian trustee

None.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 28 February 2025.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Structure The Society is managed by a committee which is elected annually by the members at the AGM. The duties of the committee include:

- Appointment of the Music Director
- Planning of rehearsals and concerts
- Setting subscriptions

Activities and Objectives

The purposes of Ipswich Choral Society are to advance, improve, develop and maintain public education in, and appreciation of, the art and science of music in all its aspects through the presentation and/or performance of concerts and associated activities, subject to any legal restrictions that from time to time may be in force.

Public benefit

In pursuing our aims for public benefit, the choir believes it impacts on people's lives in two ways. First, for participants (young and old), we involve people in a creative, enjoyable and fulfilling educational activity, providing them with an opportunity to develop vocal technique and musical repertoire.

Second, for audiences, we present exciting, innovative and high-quality performances which should always be a pleasurable cultural experience but will sometimes challenge them and educate them by extending their musical knowledge.

In addition to the public educational benefits to participants and audiences mentioned above, the trustees are conscious that its activities must be affordable, so both membership subscriptions and audience ticket prices are regularly reviewed so as to be sustainable. Any member with financial difficulties can privately discuss a special reduced subscription arrangement with the Treasurer.

Achievements and performance

Two main public concerts were performed during 2023/24:

May 2023 Celebrating Britten, a concert featuring music by Benjamin Britten at St Mary le Tower Church, Ipswich, offering choir members the opportunity to understand how a past president of the society composed his music, and the audience a chance to hear music that is not frequently performed.

December 2023 Christmas Concert, a performance of festive music at Ipswich Corn Exchange. Two local schools and a brass band also performed in the concert giving the school children and musicians the opportunity to work with the choir outside a classroom environment and perform in front of a large audience.

In June 2023 the choir gave a smaller lunchtime concert as part of the Ipswich Arts Association regular series of events. Audience members can attend the concerts free of charge and get to speak with the conductor and choir members after the performance to learn more about choral singing and the music performed.

The choir sang during the laying of wreaths at the civic service of remembrance organised by Ipswich Borough Council and the Royal British Legion.

The choir also sang Christmas carols at two local events and performed at Ipswich Music Day

Financial review

Overall income reduced to £28,722 compared to £31,916 the previous year. This was due to a large fall in the takings from concerts (£4,581 compared with £9,600); ticket sales included £1,628 for the Snape concert held after the end of the year and £330 from the concert at Ely held before the start of the year; however two thirds of the income (£3,565) from the Christmas 2023 concert was not received until after the end of the accounting year.

Thanks to a growth in membership, subscription income (including Gift Aid) increased from £15,301 to £18,104. Donations also increased from £132 to £1,340; however overall fund raising reduced from £4,276 to £3,791, of which £866 was for other charities.

Total expenses reduced very significantly from £31,503 to £19,426. This was driven by a large reduction in concert expenses, from £18,651 to £2,940. As with the income, 80% of the costs (£1,874) of the Christmas 2023 concert were not invoiced until after the end of the year; however the figures do include £553 from the Ely concert in January 2023.

Operating expenses, covering the costs of regular rehearsals, increased from £11,418 to £12,907, and administration expenses from £972 to £1,288. The total also included £940 paid in deposits for the 200th Anniversary dinner being held in September 2024.

The two concerts in the year generated a surplus of £1,004, while including income and expenses falling after the year end the surplus was £2,695.

The overall result was a surplus of £9,296; total funds held increased from £64,764 to £74,060. Reserves are the result of accumulated surpluses. The trustees do not have a reserves policy, but monitor the level of reserves.

Funds held as a custodian trustee

None.

Independent examiner's statement

~~[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
