Structure, governance and management

The Este Kalms Charitable Trust is registered as a charity with the Charity Commission and was established on 11th July 2023. The Trustees have considered the guidance published by the Charity Commission and believe that the charity in carrying out its objectives, fully complies with these requirements. Each year the Trustees review the objectives and activities of the charity to ensure that they continue to reflect these aims. In carrying out this review, the Trustees have considered the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

The appointment and recruitment of new Trustees is as laid out in the Governing Document. New Trustees would be trained as deemed appropriate.

The charity's Governing Document authorises the Trustees to make and hold investments.

Public Benefit

Each year the trustees review their objectives and activities to ensure that they continue to reflect the trustees aims. In carrying out their review the trustees have considered the Charity Commission's general guidance on public benefit and in particular its supplementary public benefit guidance with specific care to the advancement of the Orthodox Jewish Religion

ESTE KALMS CHARITABLE TRUST

Trustee's Annual Report
Year ended 30 November 2024

Objectives and activities

The principal objectives of the charity throughout the period has been:

- 1) The relief of financial hardship amongst persons of the Jewish faith who are in need and live in the United Kingdom and Israel.
- 2) The advancement of the Orthodox Jewish faith
- 3) The advancement of Orthodox Jewish religious education
- 4) The relief of poverty, sickness and infirmity amongst members of the Jewish faith and such other purposes as are charitable according to English Law.

Achievements and performance

The charity is organised so that the trustees meet regularly to manage its affairs. There are no paid employees and all administration work is carried out on a voluntary basis by the trustees.

Financial review

During the year, the charity's funds have been applied in furtherance of its objectives and the day to day running of the charity.

In the period to 30 November 2024, incoming resources amounted to £52,050 and resources expended amounted to £53,939.

At 30 November 2024, the charity had a total unrestricted fund balance of £47,653 .

There have been no changes in the accounting policies of the charity during the year.

Plans for future periods

The trustees intend to continue performing at similar levels to the current period which has been most satisfactory.

ESTE KALMS CHARITABLE TRUST

Independent Examiner's Report to the Trustees of Este Kalms Charitable Trust
Year ended 30 November 2024

We report to the trustees on my examination of the financial statements of Este Kalms Charitable Trust ('the charity') for the period ended 30 November 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

We report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

We have completed our examination. We confirm that no material matters have come to our attention in connection with the examination giving us cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements

Year ended 30 November 2024

1 General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Flat 2, Erskine House, London, NW11.

2 Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3 Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3 Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities and events.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource.

Direct costs attributable to a single activity are allocated directly to that activity.

Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Achievements and performance

The charity is organised so that the Trustees meet regularly to manage its affairs.

There are no paid employees and all administration work is carried out on a voluntary basis by the Trustees.

Financial review

During the year, the charity's funds have been applied in furtherance of its objectives and the day to day running of the charity.

In the year to 30 November 2023, incoming resources amounted to £52,300 and resources expended amounted to £39,820.

At 30 November 2023, the charity had a total unrestricted fund balance of £49,541.

There have been no changes in the accounting policies of the charity during the year.

Reserve Policy

The trustees have reviewed the charity's needs for reserves in line with the guidance issued by the Charity Commission and have concluded that the general reserves are sufficient to maintain the day to day running of the charity and to achieving its objectives.

Public Benefit

The trustees have considered the guidance published by the Charity Commission and believe that the charity in carrying out its objectives, fully complies with these requirements. In particular the provision of funding for education in accordance with the principles of traditional Judaism and the support of associated communal charitable institutions such as synagogues and homes for the elderly and infirm automatically gives rise to a public benefit.

Each year the trustees review the objectives and activities of the charity to ensure that they continue to reflect these aims. In carrying out this review the trustees have considered the Charity Commission's general guidance on on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

Plans for future periods

The trustees intend to continue performing at similar levels to current year which has been most satisfactory.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

ESTE KALMS CHARITABLE TRUST

Year ended 30 November 2023

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Structure, governance and management

Structure, governance and management

The ESTE KALMS CHARITABLE TRUST is registered as a charity with the Charity Commission and was established on 26th October 1979.

Appointment of Trustees

The charity is managed by trustees who are responsible for setting the strategic direction of the organisation and for establishing policy.

Objectives and activities

The principal objectives of the charity throughout the year has been

- 1) The advancement of the orthodox jewish faith
- 2) The advancement of orthodox jewish religious education.
- 3) The relief of poverty sickness and infirmity amongst members of the jewish faith and
- 4) such other purposes as are charitable according to English Law.

In the year to 30 November 2022, no grants were made to charitable institutions as all of the charitable activities of the Charity for the year were made through charitable expenditure in the form of donations.

Trustee's Annual Report *(continued)*

Year ended 30 November 2022

Achievements and performance

The charity is organised so that the Trustees meet regularly to manage its affairs.

There are no paid employees and all administration work is carried out on a voluntary basis by the Trustees.

Financial review

During the year, the charity's funds have been applied in furtherance of its objectives and the day to day running of the charity.

In the year to 30 November 2022, incoming resources amounted to £115,300 and resources expended amounted to £78,238.

At 30 November 2022, the charity had a total unrestricted fund balance of £37,062.

There have been no changes in the accounting policies of the charity during the year.

Reserve Policy

The trustees have reviewed the charity's needs for reserves in line with the guidance issued by the Charity Commission and have concluded that the general reserves are sufficient to maintain the day to day running of the charity and to achieving its objectives.

Public Benefit

The trustees have considered the guidance published by the Charity Commission and believe that the charity in carrying out its objectives, fully complies with these requirements. In particular the provision of funding for education in accordance with the principles of traditional Judaism and the support of associated communal charitable institutions such as synagogues and homes for the elderly and infirm automatically gives rise to a public benefit.

Each year the trustees review the objectives and activities of the charity to ensure that they continue to reflect these aims. In carrying out this review the trustees have considered the Charity Commission's general guidance on on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

Plans for future periods

The trustees intend to continue performing at similar levels to current year which has been most satisfactory.

The trustee's annual report was approved on 22 June 2023 and signed on behalf of the board of trustees by:

Mrs E Kalms
Trustee

Notes to the Financial Statements

Year ended 30 November 2022

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Flat 2, Erskine House, Homesfield, London, NW11 6HN, United Kingdom.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustee for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
