The trustees, who are also directors of the charity for the purposes of the Companies Act, present their annual report together with the financial statements of Trinity in Camberwell for the year ended 30th June 2024. Structure, governance and management**Governing document**

Trinity in Camberwell is a company limited by guarantee, the liability of each member being restricted to £1. The company was founded in 1979, is exempt from the requirement to use the word "limited", and is registered as a charity.

Recruitment and appointment of new trustees

New Council Members will be given information about the aims of the charity and will receive training related to their responsibility from current or past committee members.

Risk management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and Activities

In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

Trinity in Camberwell promotes, assists and encourages the advancement of education and the relief of need for the benefit of the community in the Parish of St George's Camberwell, and the neighbourhood thereof. The council intend to continue and develop these activities.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE 2024

TRUSTEES REPORT /CONTINUED

Achievements and performance

The financial statements for the year ended 30th June 2024 include the activity of the Trinity College Centre.

The aim of the Centre is to support community activities and advance education. In meeting these aims, it strives to ensure its facilities are fully utilised by a variety of groups of both children and adults. Use of the Centre has increased even further over the past year following the recruitment of a Community Engagement Manager. It remains available for use by a variety of organisations and groups from the local community in Camberwell.

Financial review

Voluntary income has fallen further to £4,760, from £6,260 in 2023 and £16,948 in 2022. Given increased income associated with increased use of the Centre, it was not necessary to sell any of our holdings in the Amalgamated Trust Fund as had been anticipated a year ago.

Investment policy

Under the Articles of Association, the charity has the power to make any investments which the trustees see fit. The policy is to pursue a medium risk investment strategy based on maximising income.

Grant making policy

The charity may provide grants to organisations whose activities support its objectives. The trustees will judge each request for a grant on its merits, and any grant offered may depend on the availability of funding from other sources.

Reserves policy

The charity has unrestricted reserves of £4,499,895 (£4,136,237: 2023) of which £2,149,895 (£1,625,045: 2023) are not represented by property or physical assets so are considered 'free'. The free reserves are held in realisable cash generating assets and the trustees consider holding reserves at this level is necessary to both generating a sufficient income to maintain its yearly charitable activities and provide for fluctuations in income.

The reserves policy will be reviewed each year at a meeting of the Council.

Plans for the future

The Centre being over 40 years old, the trustees still see a need for significant refurbishment, and to reimagine its purpose given the changed and changing demography of the area. Much has been learned through the activities of the Community Engagement Manager, and we are actively discussing the future shape and use of the Centre.

Pay policy for key personnel

The trustees are considered to be key personnel of the charity in charge of directing and controlling the charity. The trustees give their time freely and no trustee received remuneration in the year.

TRUSTEE' RESPONSIBILITIES STATEMENT

The trustees (who are also directors of Trinity in Camberwell for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company and charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charitable company and financial information included on the charity's website.

In preparing this report, the trustees have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the trustees on
